For nearly three decades, we've invited fans of all ages to revisit their favourite *Winnie-the-Pooh* memories and make new ones. Now, as we celebrate Winnie-the-Pooh's 100<sup>th</sup> anniversary in the Hundred Acre Wood, we introduce this set to the world – and you can be pretty sure a new building adventure is about to happen.

# 100 years in the Hundred Acre Wood

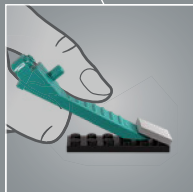

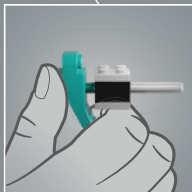

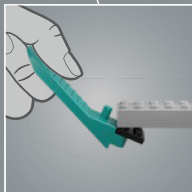

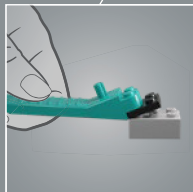

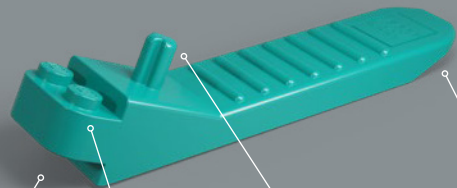

Few authors have captured the unfiltered joy and wisdom of a child's rich inner world like A. A. Milne. Since the world first met Winnie-the-Pooh in 1926, he and his friends from the Hundred Acre Wood have become a universal voice of childhood, inviting generations to embark on whimsical expeditions.

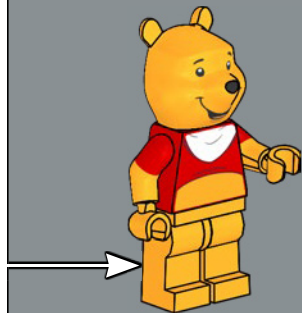

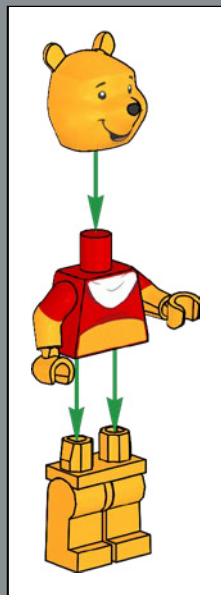

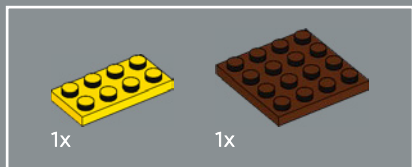

“Life was  
made for  
good  
friends  
and  
great  
adventures.”

With all their endearing quirks, Pooh and his friends complete one another. Even 100 years after the first book was published, they inspire us to stay young at heart and see life as a grand exploration we can share with those we love over a pot of 'hunny'.
