EMPORIUM

Majestueux et riche en détails accueillants, l'iconique Emporium est un repère classique de Main Street. Grâce à une astuce de perspective forcée, il semble plus grand que nature : le rez-de-chaussée est à l'échelle réelle, tandis que le premier étage est à l'échelle 5:8.

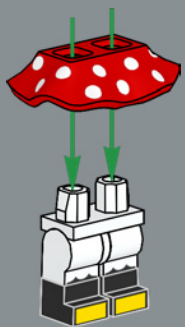

C'est un véritable trésor de merveilles Disney à découvrir.

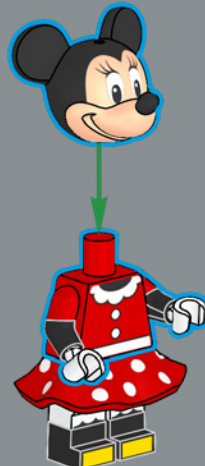

1

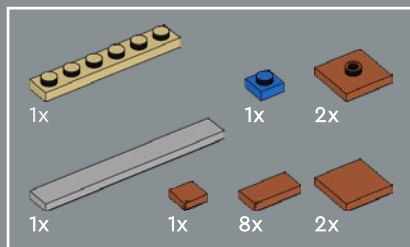

2

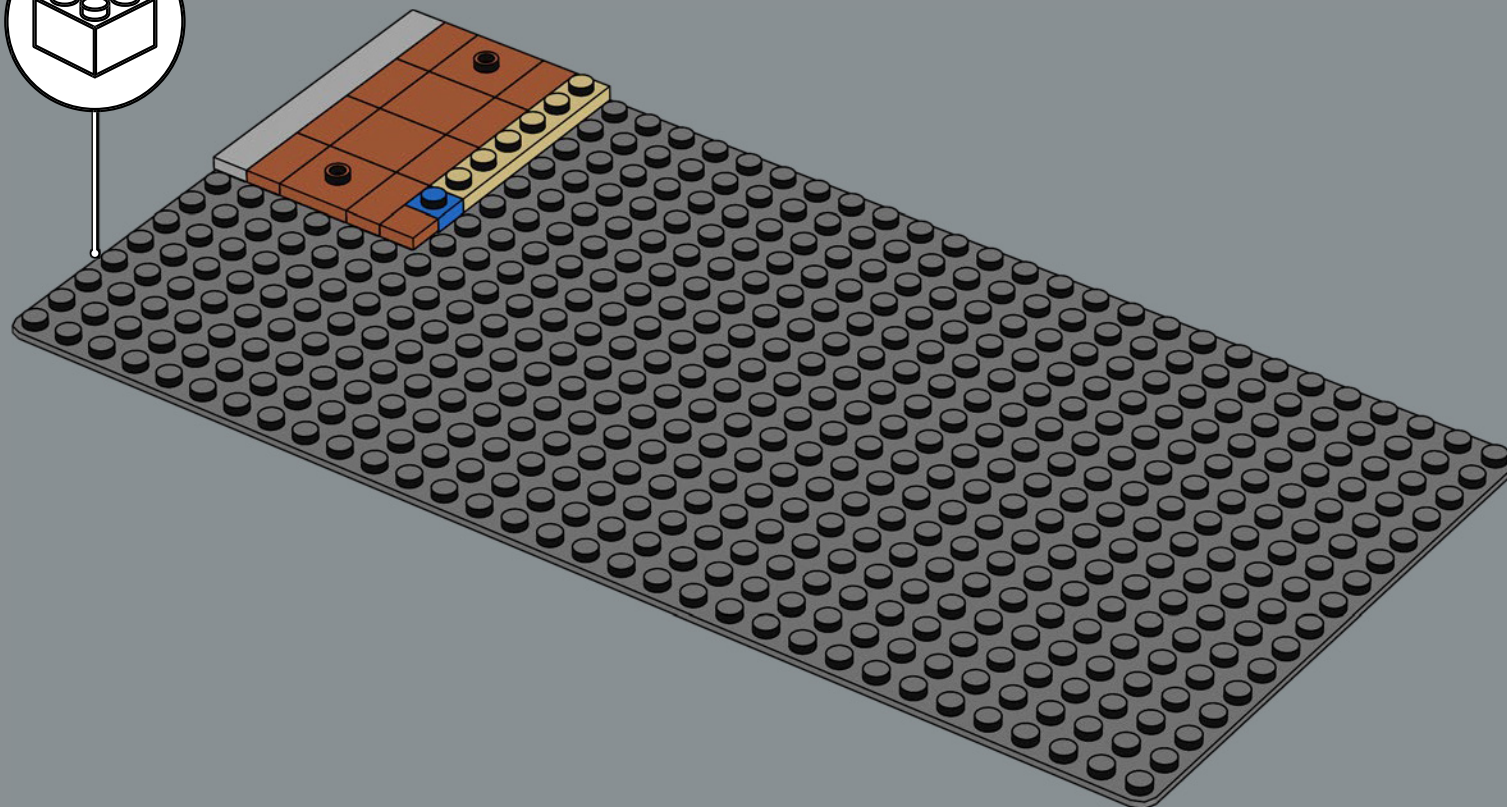

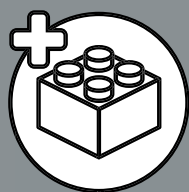

3

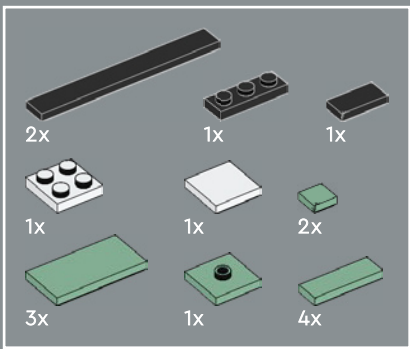

En concevant Main Street, U.S.A., Walt Disney s'est inspiré du charme typique du début du XX^e siècle qu'il adorait dans sa ville natale de Marceline, dans le Missouri.

Main Street, U.S.A. propose une calèche tirée par des chevaux que les visiteurs peuvent emprunter. Le long de la rue, on retrouve encore des poteaux d'attache utilisés autrefois pour les chevaux.
