Especificaciones del modelo LEGO®

De los entrenadores de **LEGO® Pokémon™**

Venusaur, Charizard y Blastoise son tres de los Pokémon más buscados en los juegos digitales y en el juego de cartas coleccionables, ¡y ahora puedes tenerlos y construirlos juntos! Las evoluciones finales de los primeros compañeros Pokémon de la región de Kanto son personajes llenos de vida (¡al menos así nos lo parece!) y los mostramos en posturas dinámicas para reflejar sus grandes personalidades. (¡En su interior podrías encontrar algunas pistas sobre sus tipos!). Y, como las grandes personalidades merecen una exposición espectacular, hemos experimentado con diferentes maneras de combinar sus entornos y paletas de colores en un único modelo de enorme tamaño. Hemos usado técnicas de construcción tan divertidas como desafiantes para dar forma a los tres impresionantes Pokémon y a la plataforma. Cada uno se muestra en su hábitat natural: una exuberante jungla para Venusaur, un bioma volcánico y montañoso para Charizard, y un medio acuático para Blastoise.
