DER DUNKLEN SEITE NACHGEBEN

DAS BÖSE SCHLÄFT NIE

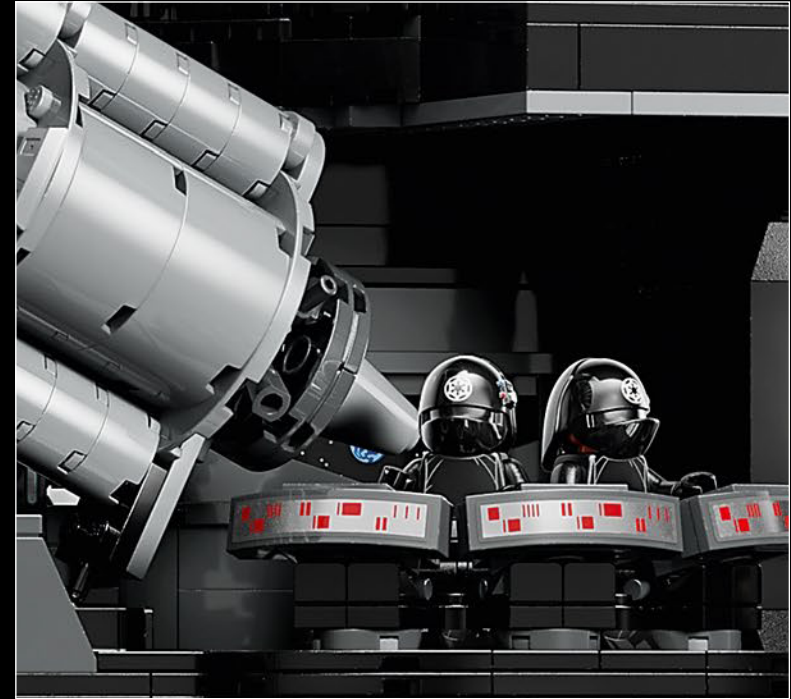

Darth Vader nutzt seine Meditationskammer, um sich bei wichtigen Entscheidungen neu zu formieren und mit seinem Meister zu beraten. Du kannst die Kammer abnehmen und die LEGO® Darth Vader Minifigur hineinstellen und/oder sie separat ausstellen. Auf dem Rückwandbildschirm ist immer die drohende Anwesenheit des Imperators zu spüren. Du kannst aber zu einem neutralen schwarzen Hintergrund wechseln, wenn du nicht möchtest, dass seine Düsternis in deinem Set lauert. Vielleicht erkennst du einige der Poster an der Seitenwand?

IHR MANGEL AN GLAUBEN IST BEKLAGENSWERT

Der Konferenzraum von Großmoff Tarkin, in dem Admiral Motti eine ernüchternde Lektion von Darth Vader erteilt bekommt, ist für Strategiemeetings bestens ausgestattet. Der Tisch kann abgenommen werden, um die imperialen LEGO® Minifiguren in die Stühle auf der Rückseite zu setzen. Von der Schiebetür aus geht es zu einer geheimen Passage zum Gang und zum Superlaser-Kontrollraum gegenüber dem Schacht für den Traktorstrahl – erweitere einfach die Brücke vom Gang aus, indem du das Zahnrad im Boden drehst.

FERTIG, LOS ...

In beiden Todessternen wird der Superlaser hauptsächlich vom Hauptkontrollraum im Theta-Sektor aus bedient. Hier beaufsichtigt Großmoff Tarkin alle Manöver dieser gigantischen Gefechtsstation, und die Kanonier können den Laser von hier aus abfeuern. Dieser Raum kann vom Modell abgenommen werden, um Zugang zur Ebene darunter zu erhalten oder Minifiguren hineinzustellen. Durch das Ansichtsfenster auf der Rückseite kannst du Alderaan betrachten (bevor es in die Luft gesprengt wurde). Wenn du das kleine Zahnrad auf der linken Seite des Modells drehst, verschiebt sich die Sicht auf die verheerende Zerstörung des Planeten ...

DIE MACHTRIEGE DES IMPERIUMS

DARTH VADER

Bereits jahrzehntelang setzt der einst so vielversprechende Jedi-Ritter den Willen des bösen Imperators als Sith-Lord durch. Dazu nutzt er seine unvergleichlichen dunklen Kräfte, um jeden Bruchteil der Rebellenallianz zu zerschlagen, den er aufspüren kann. Aber es gibt noch Gutes in ihm ...

ADMIRAL MOTTI

Nachdem er im Generalstab der Imperialen Armee seinen Dienst geleistet hatte, ist der ehrgeizige Admiral Motti zu einem vertrauten Verbündeten von Großmoff Tarkin geworden. Er leitet die Operationen der Flotte auf dem ersten Todesstern – in seinen Worten „das absolute Machtinstrument im Universum“.

GENERAL TAGGE

General Cassio Tagge, Vaders Anführer der militärischen Operationen an Bord des ersten Todessterns, scheint der Einzige zu sein, der den Mut hat, Bedenken über die Bedrohung durch die Rebellenallianz zu äußern. (Der Imperator gibt ihm dafür Anerkennung und befördert ihn später zum Großgeneral, der für die imperiale Armee zuständig ist.)

OBERST WULFF YULAREN

Seit Yularen in den Klonkriegen als Admiral der Galaktischen Republik tätig war, ist seine Loyalität zu Darth Vader nicht zu zerrütten. Oftmals ist er starr in seinen Überzeugungen und Handlungen. Er bewundert Vaders Mut und vertraut seinem Instinkt so sehr, dass es schon übertrieben ist.

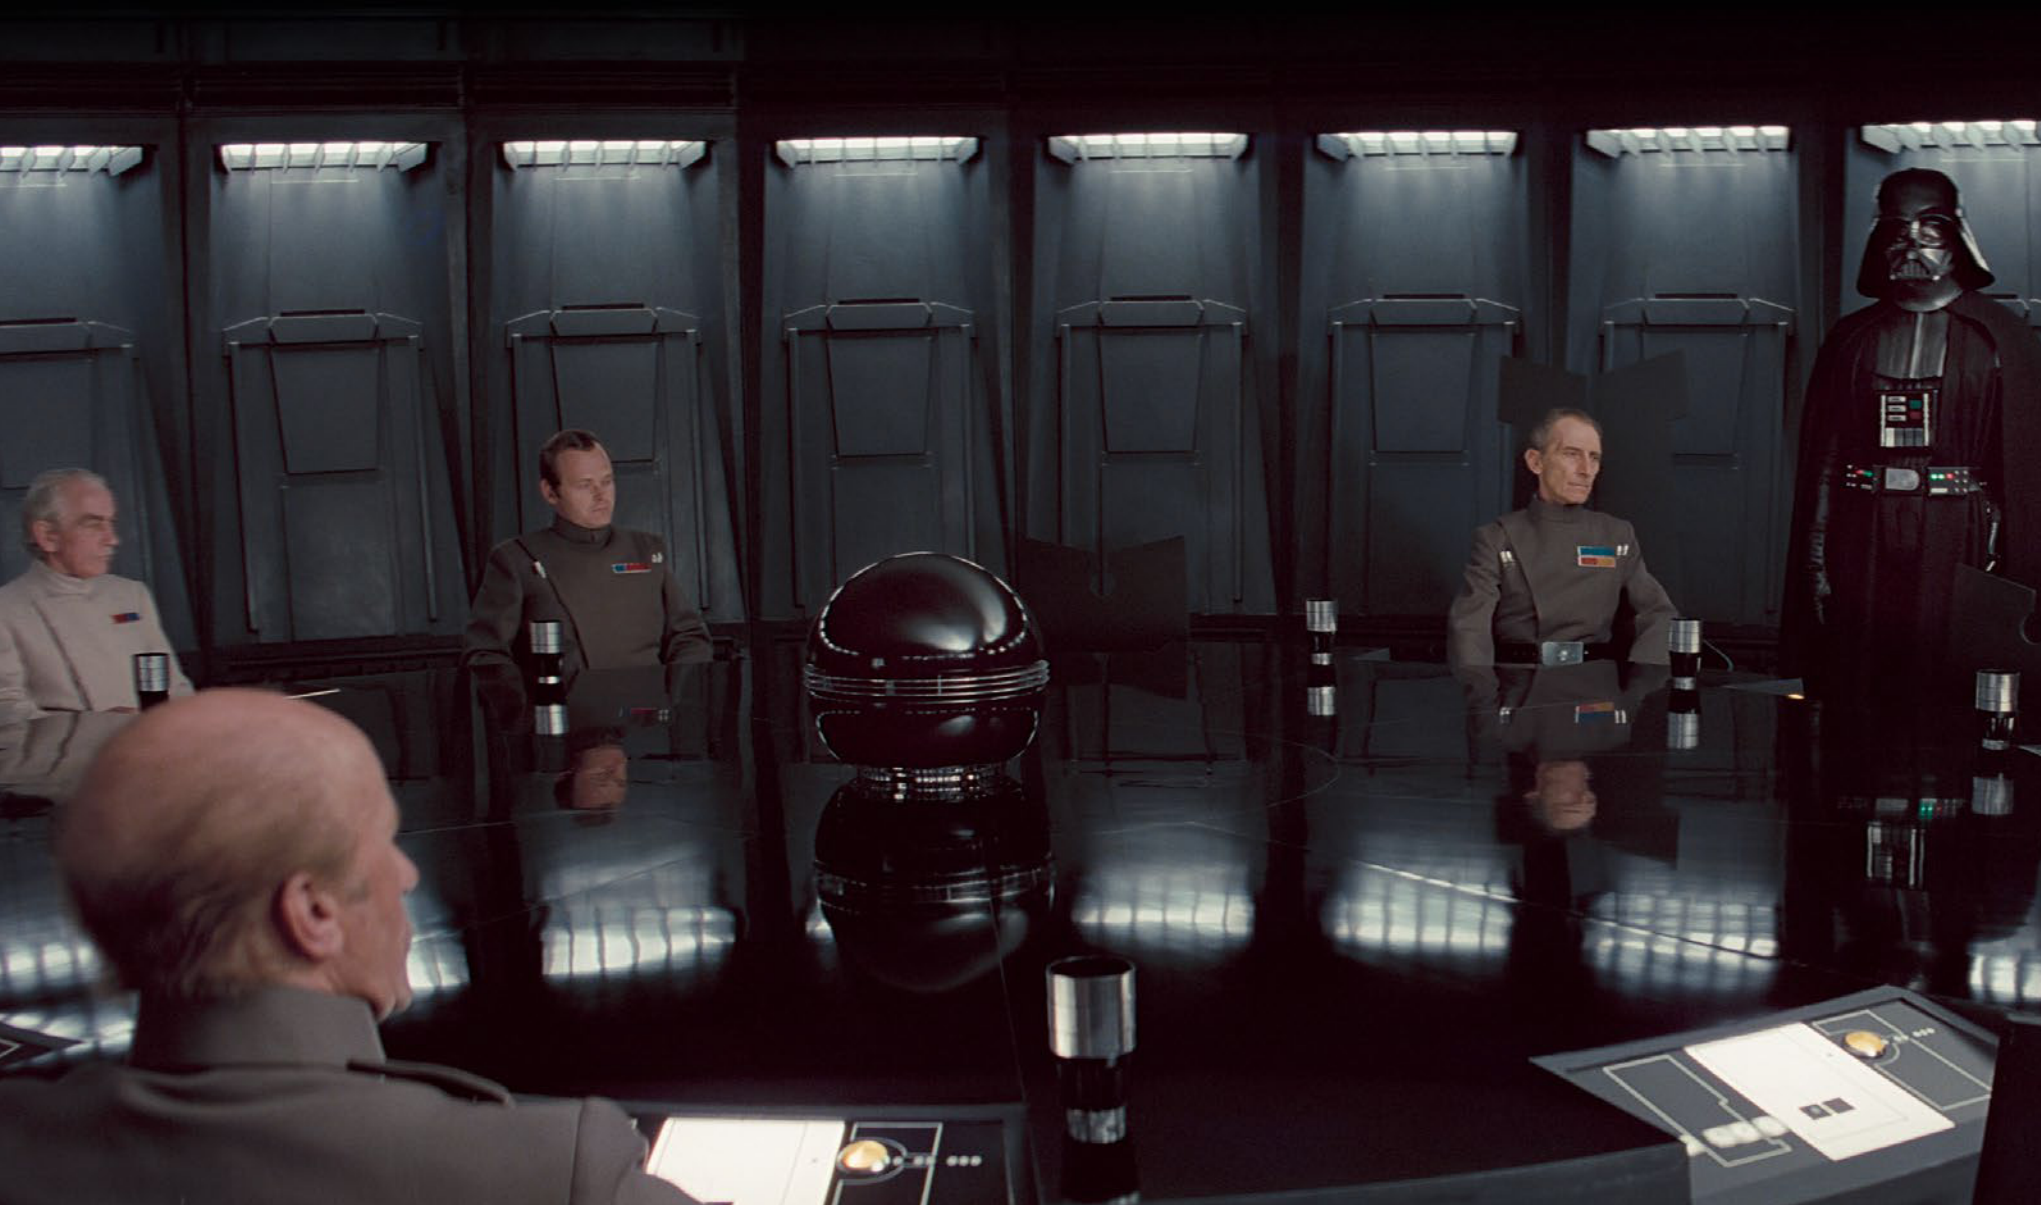

GROSSMOFF TARKIN

Der skrupellose Wilhuff Tarkin gelangte unter dem Obersten Kanzler Palpatine an die Macht. Deshalb war es ganz natürlich, dass er mit der Leitung des Baus des Todessterns beauftragt wurde. Die Kräfte des Superlasers demonstriert er stolz auf dem friedlichen, rebellenfreundlichen Planeten Alderaan.

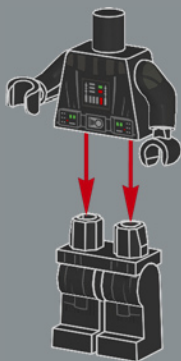

TODESSTERN-KANONIER

Die Todesstern-Kanonier dienen an Bord beider Todesstern-Gefechtsstationen. Dieser Elite-Kanonier wurde speziell für den Einsatz mit dem Todesstern-Superlaser ausgebildet und ist vielleicht etwas zu begeistert von seiner Rolle bei der Zerstörung von Planeten ...
