PAR ICI LA SORTIE

MAÎTRE ET APPRENTI

La porte blindée s'ouvre sur la plateforme où se déroule le duel fatidique entre Obi-Wan Kenobi et Dark Vador, dont l'issue sera dévastatrice. Ce moment décisif entre le Maître Jedi et son ancien apprenti détermine l'orientation du propre parcours de Jedi de Luke.

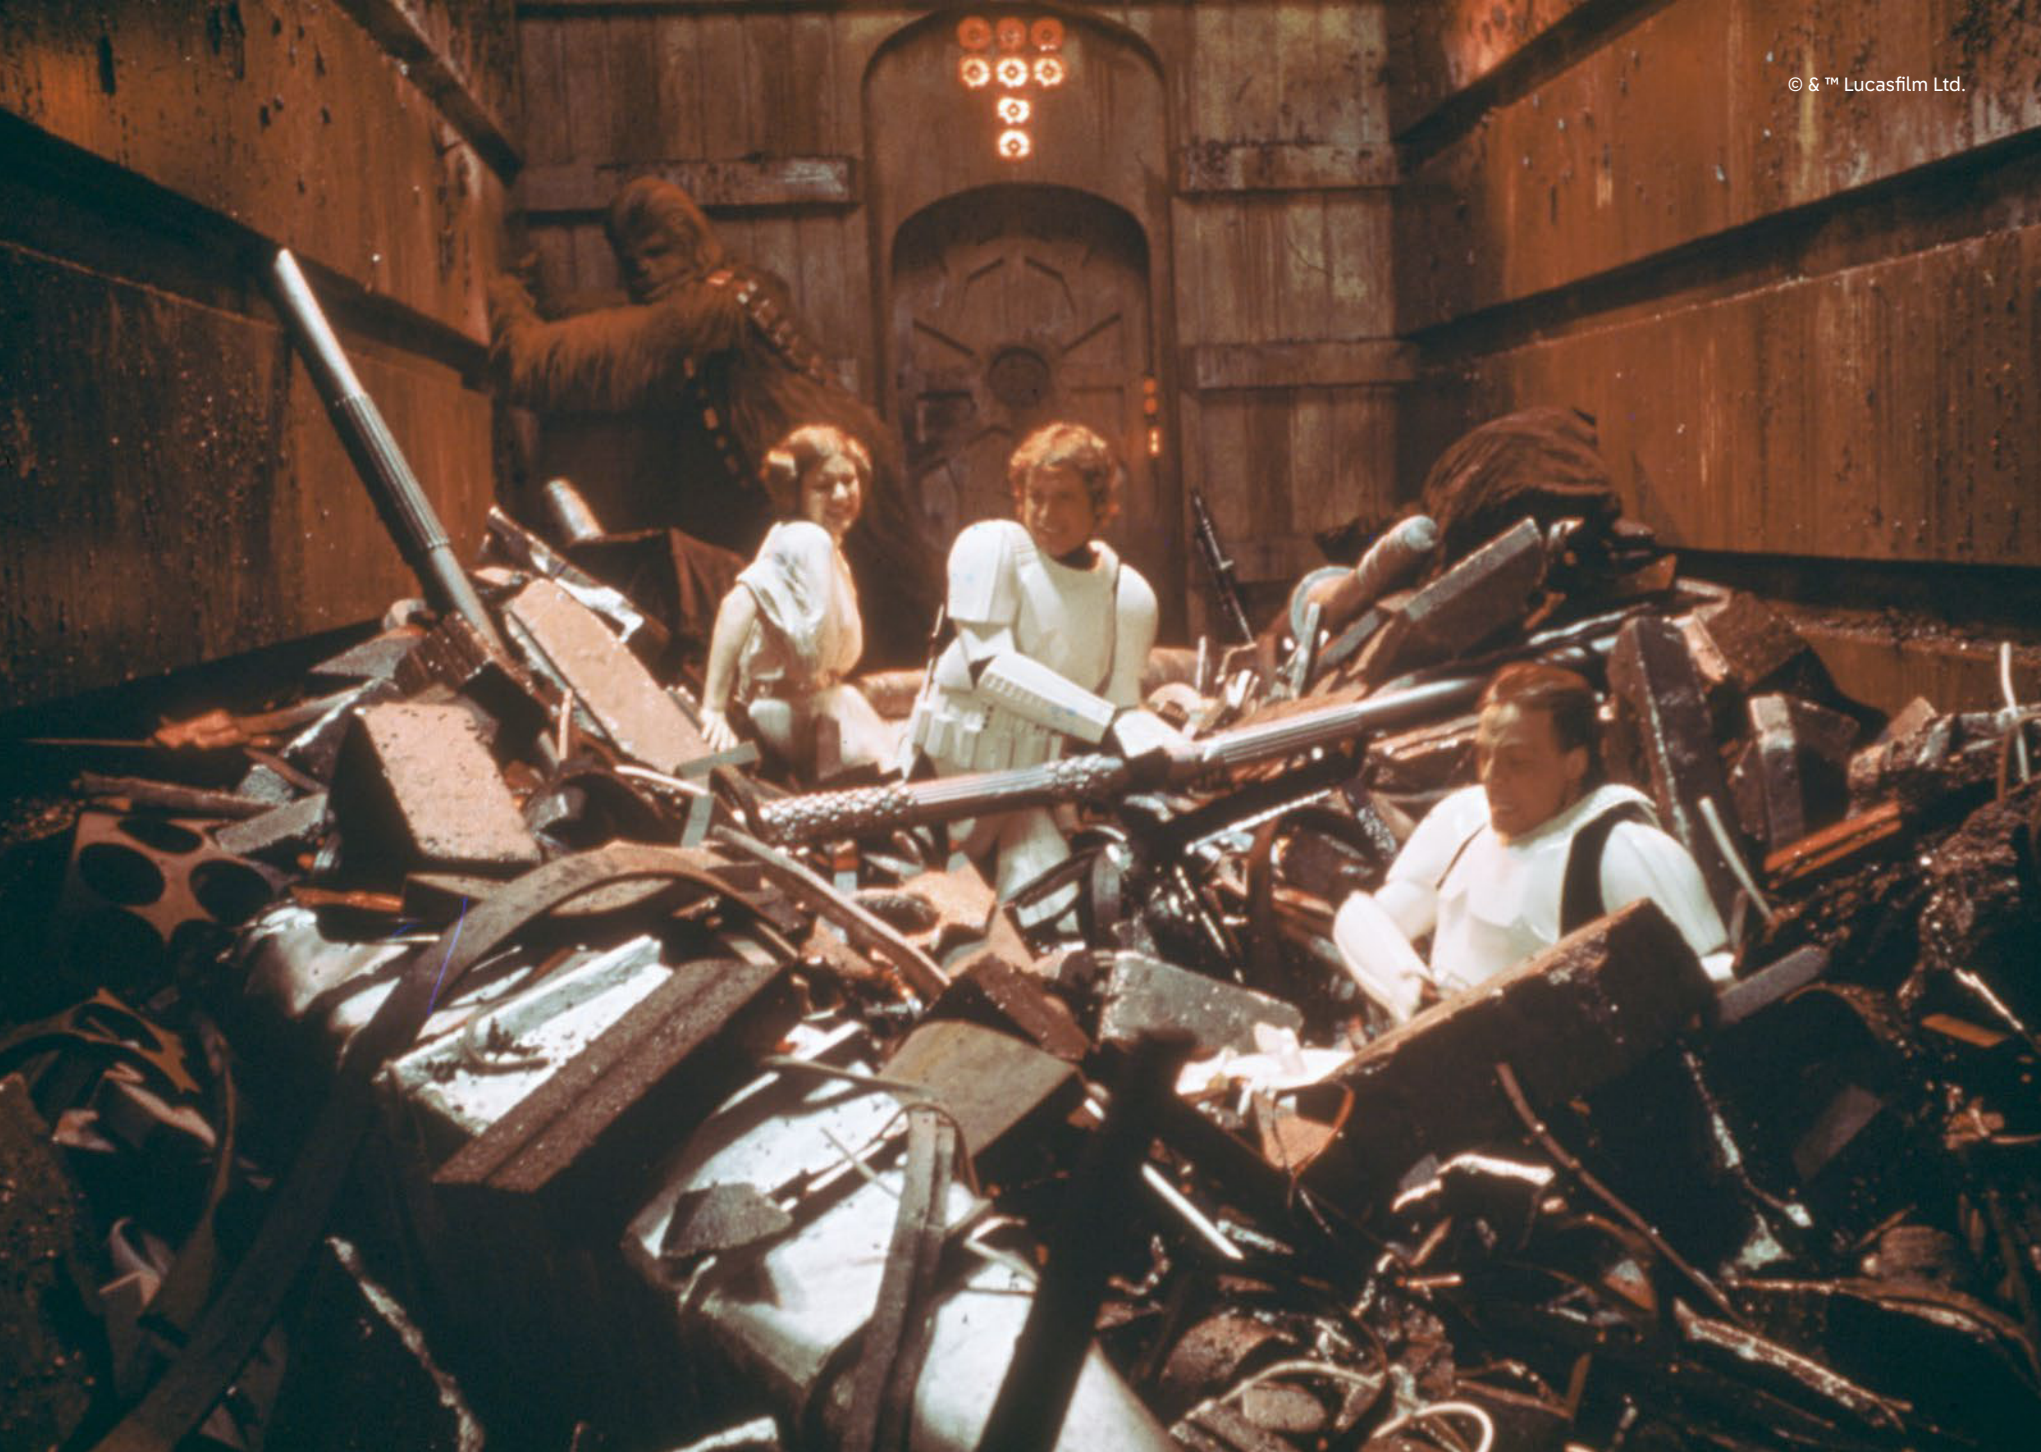

ACCROCHEZ-VOUS

Vous pouvez retirer la plateforme au-dessus du compacteur de déchets pour pouvoir y placer les minifigurines LEGO® de Princesse Leia, Luke Skywalker, Chewbacca et Han Solo. Depuis l'arrière du modèle, vous pouvez fermer et ouvrir les parois du compacteur de déchets. Lorsque les murs se rapprochent et commencent à écraser les déchets, le visage effrayant en forme de périscope du redouté dianoga apparaît !

*« Le conduit à ordures ! Quelle merveilleuse idée !
Exquis ce nouveau parfum que vous nous offrez, chère amie ! »
– Han Solo*

*Aucune minifigurine ni dianoga n'a
été blessé(e) lors de l'élaboration
de ce modèle.*

ON L'A ÉCHAPPÉ BELLE

LUKE SKYWALKER (déguisé en Stormtrooper)

Peut-être un peu petit pour un stormtrooper, mais tout est bien qui finit bien, surtout que le déguisement de Luke lui a peut-être conféré un avantage lors du sauvetage de la Princesse Leia.

HAN SOLO (déguisé en Stormtrooper)

Han est entraîné dans des aventures qu'il n'avait pas imaginées au départ, mais en véritable expert de l'improvisation, il utilise ses talents uniques en matière de conversation et de discrétion pour se fondre sans difficulté parmi les membres du personnel de l'Étoile de la Mort. Enfin, presque.

PRINCESSE LEIA ORGANA

Au départ, Leia n'était guère impressionnée par l'équipe de sauvetage chaotique qui avait été envoyée pour la sauver, et après avoir survécu au droïde d'interrogatoire de Dark Vador, il n'était pas question que deux voyous compromettent son évasion. Elle prend rapidement le contrôle d'une situation dangereuse et reste concentrée au cœur de la bataille.

CHEWBACCA

Guerrier Wookiee légendaire et fidèle ami de Han Solo, Chewie est peut-être le plus grand du groupe des Rebelles par sa taille, mais sa patience est très limitée. Associé à sa force brute, ce trait de caractère n'est pas forcément un inconvénient. En particulier dans les situations délicates, par exemple lorsqu'il s'agit de repousser les débris du compacteur de déchets pour protéger ses amis.

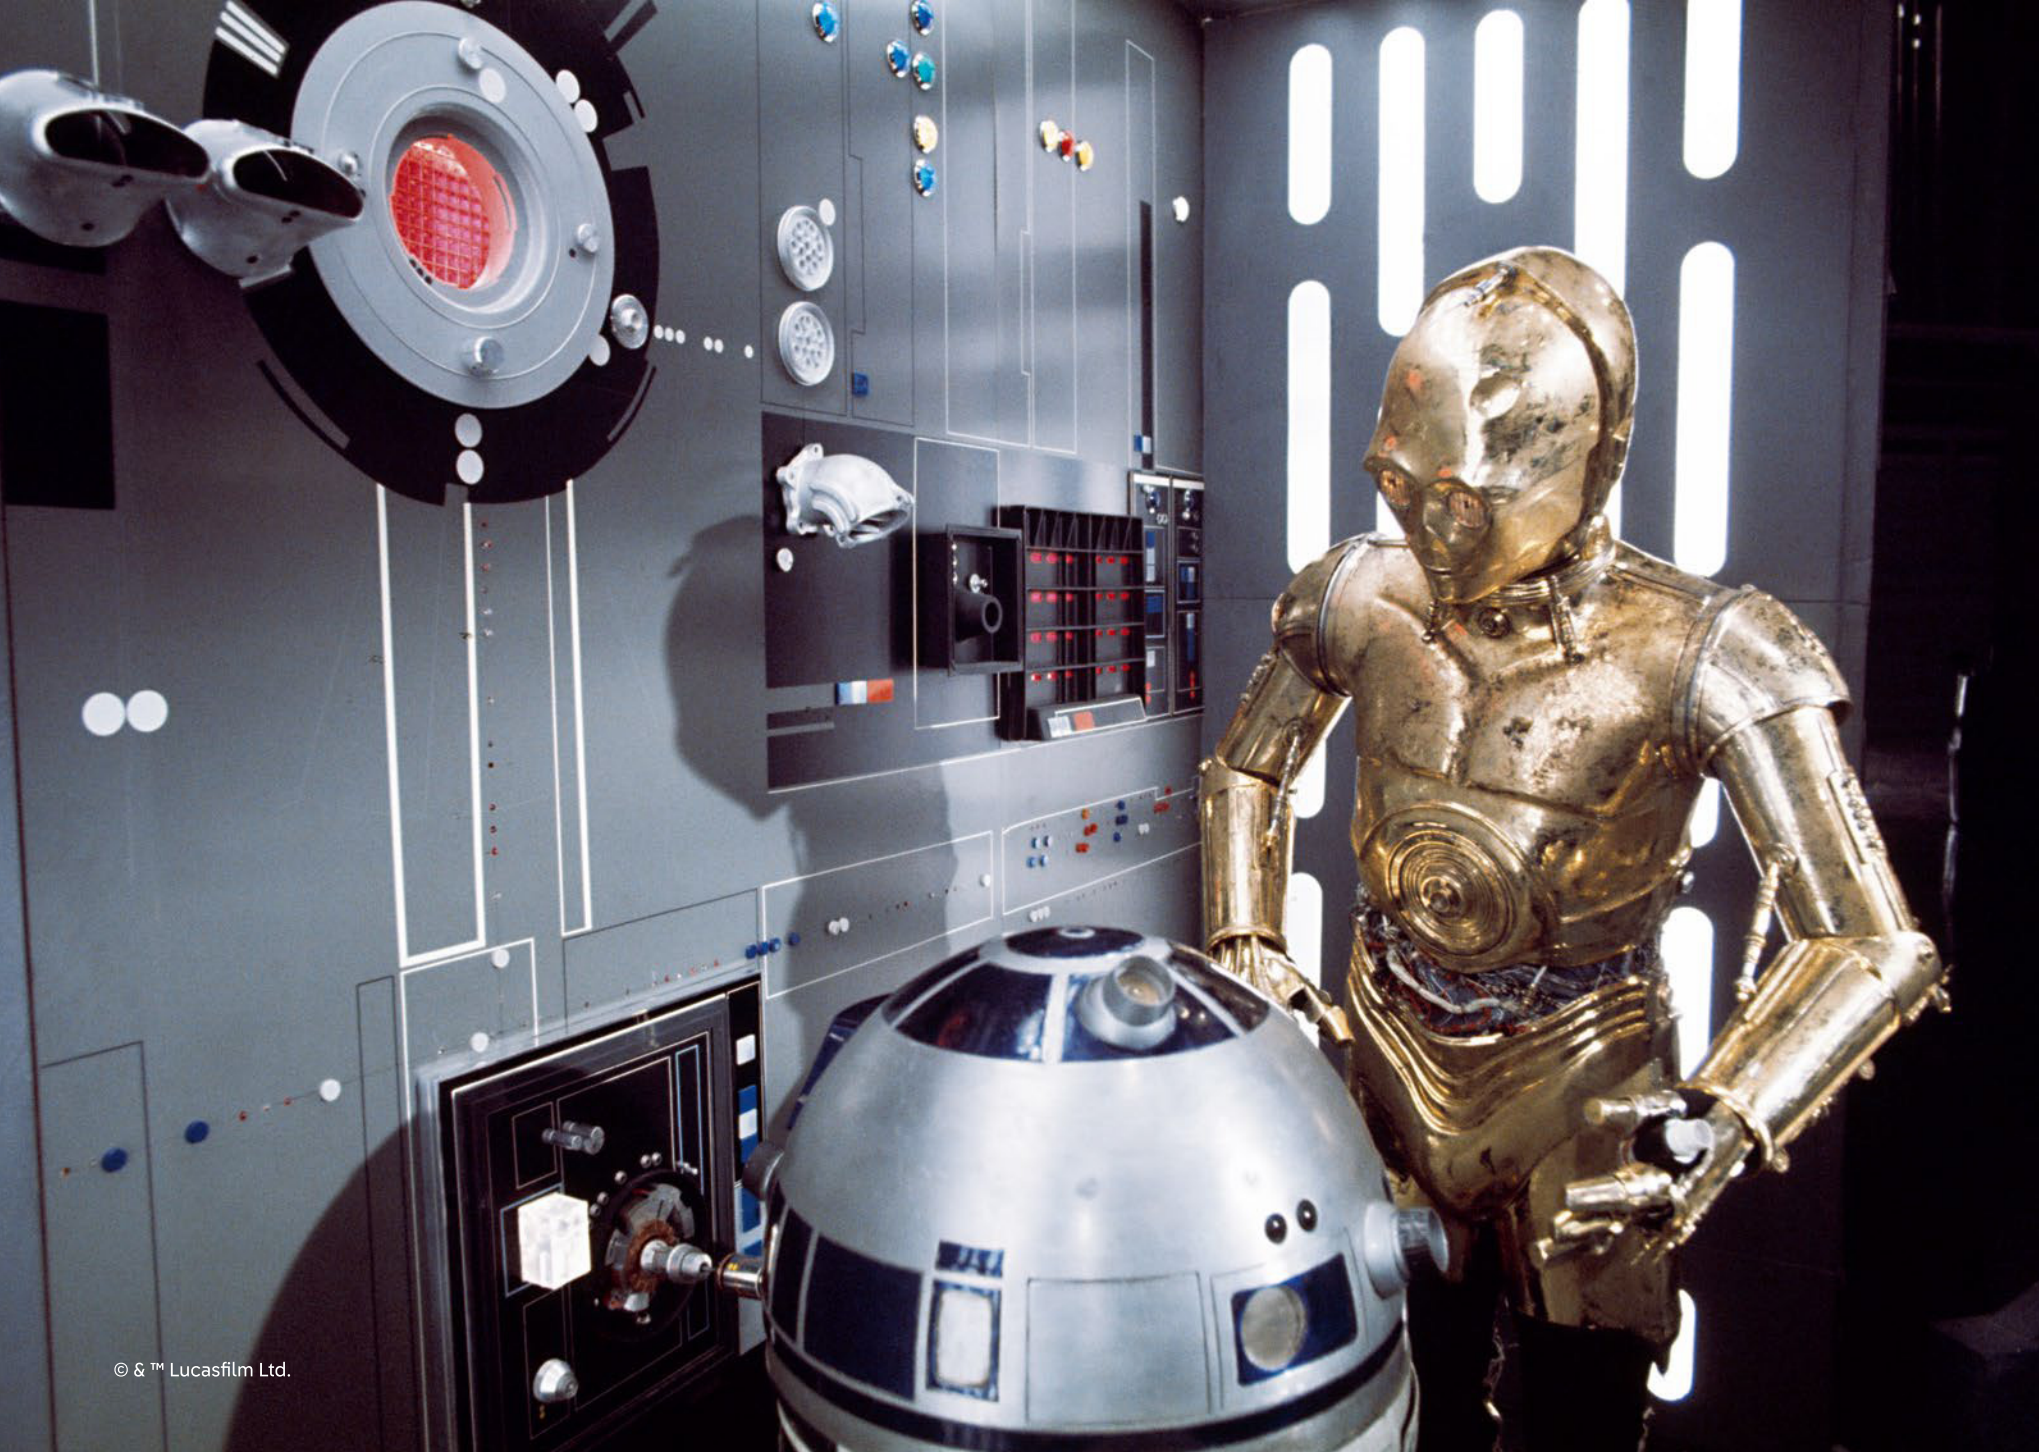

C-3PO

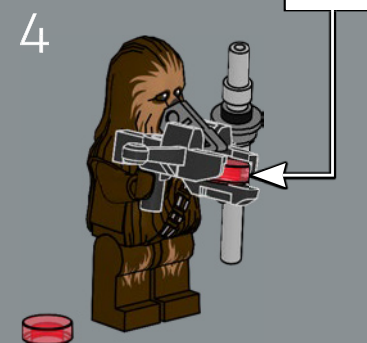

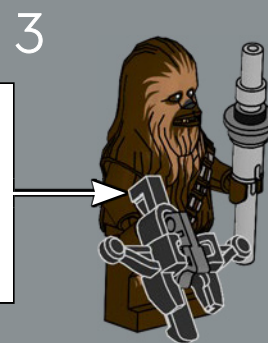

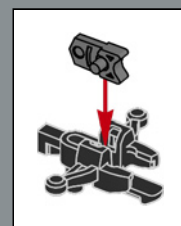

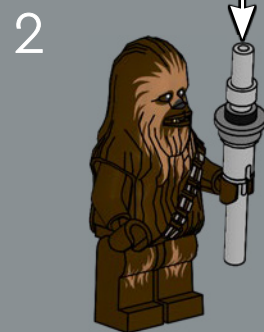

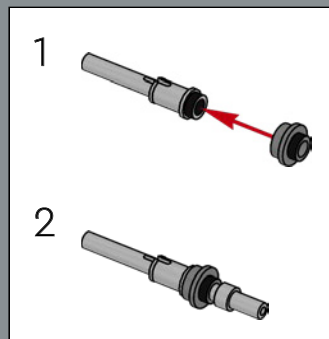

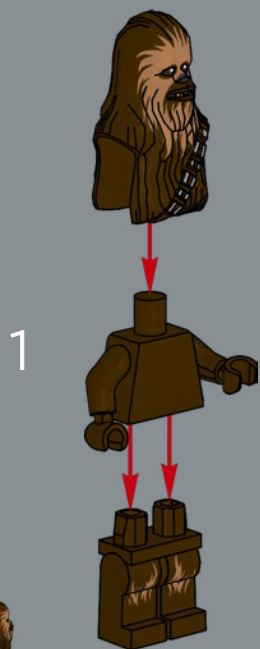

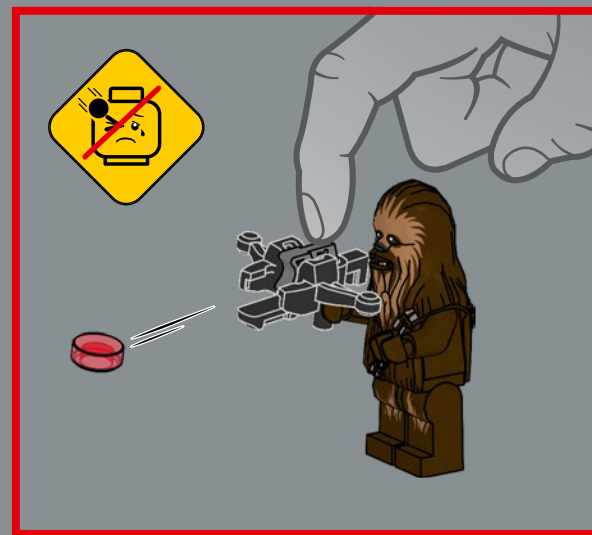

C-3PO est beaucoup plus ingénieux qu'il ne veut bien l'admettre. Faisant équipe avec R2-D2, le malin droïde de protocole parvient à semer suffisamment longtemps les stormtroopers qui les poursuivent pour lui permettre de localiser ses amis dans le compacteur de déchets.

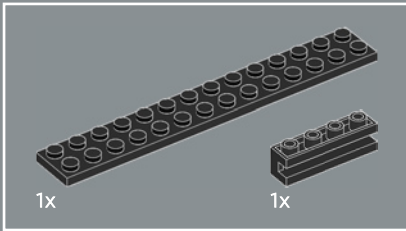

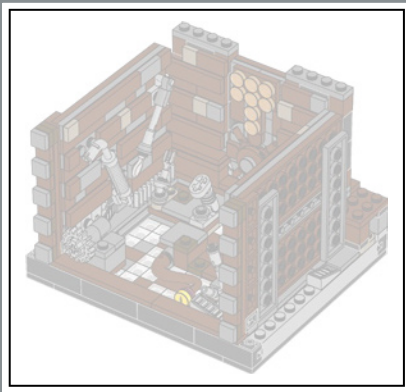

R2-D2

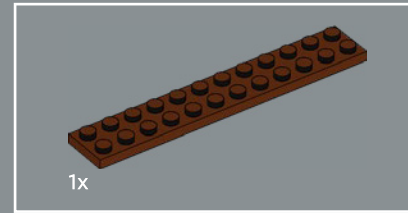

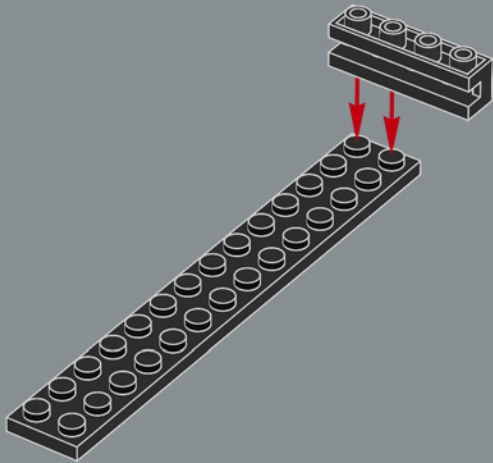

Le compagnon de longue date de C-3PO est une source apparemment inépuisable d'intelligence, d'informations et de surprises, et qui possède notamment les relevés techniques de l'Étoile de la Mort. Il peut accéder très rapidement aux équipements et systèmes mécaniques, les analyser et les manipuler en cas d'urgence (ce qui est très fréquent).
