LAISSEZ-VOUS SÉDUIRE PAR LE CÔTÉ OBSCUR

LE MAL NE SE REPOSE JAMAIS

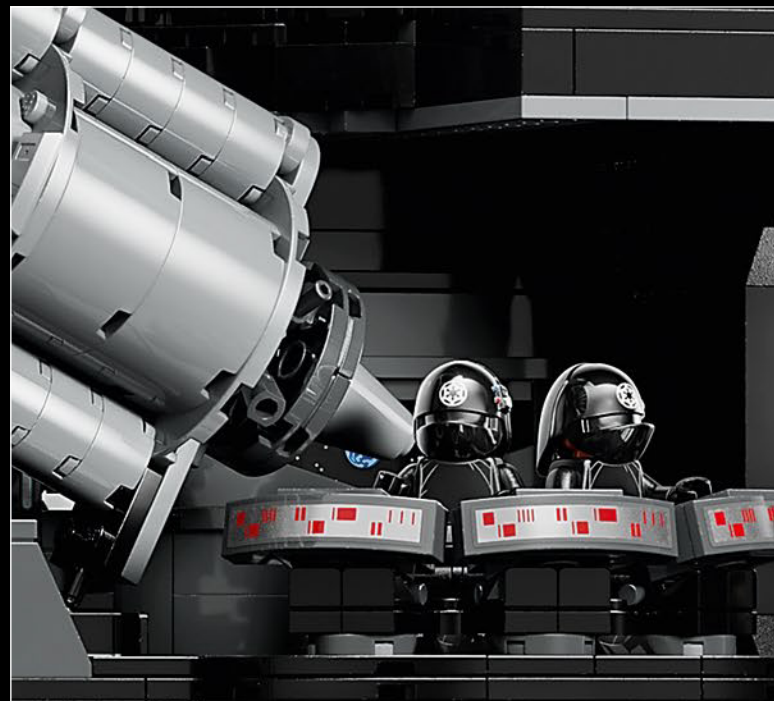

Dark Vador utilise sa chambre de méditation pour se recentrer et discuter avec son maître lorsqu'il doit prendre des décisions importantes. Vous pouvez retirer la chambre et placer la minifigurine LEGO® de Dark Vador à l'intérieur, ou l'exposer séparément. Sur l'écran situé au fond, la présence inquiétante de l'Empereur se fait toujours sentir, mais vous pouvez opter pour un fond noir neutre si vous ne voulez pas qu'il plane au-dessus de votre set. Peut-être reconnaissez-vous certaines affiches sur le mur latéral ?

VOTRE MANQUE DE FOI EST TROUBLANT

La salle de conférence de Grand Moff Tarkin, où l'amiral Motti reçoit une leçon mémorable de Dark Vader, est entièrement équipée pour les réunions stratégiques. Vous pouvez retirer la table pour placer les minifigurines LEGO® impériales en train de se chamailler sur les chaises à l'arrière. Depuis la porte coulissante, vous pouvez accéder à un passage secret menant au couloir et à la salle de contrôle de l'antenne du superlaser, du côté opposé de l'arbre du rayon tractant. Il vous suffit de déployer le pont depuis le couloir en tournant la molette placée au sol.

PRÊTS, VISEZ...

Dans les deux Étoiles de la Mort, le superlaser est principalement contrôlé depuis la salle de commande principale du secteur Thêta. Ici, Grand Moff Tarkin supervise toutes les manœuvres de la gigantesque station de combat, et les canons peuvent activer l'antenne laser. Vous pouvez retirer cette pièce du modèle pour accéder à l'étage inférieur ou y placer des minifigurines. À travers la fenêtre à l'arrière, vous pouvez voir Alderaan (avant son explosion). Si vous tournez la motelle sur la gauche du modèle, la vue bascule sur la destruction dévastatrice de la planète.

LES FORCES RÉPRESSIVES DE L'EMPIRE

DARK VADOR

Pendant des décennies, ce Jedi autrefois si prometteur a appliqué la volonté de l'Empereur maléfique en tant que Seigneur Sith, utilisant ses pouvoirs obscurs incomparables pour écraser toutes les fractions de l'Alliance rebelle qu'il parvenait à trouver. Mais il y a encore du bon en lui...

L'AMIRAL MOTTI

Après avoir servi comme l'un des chefs de l'armée impériale, l'ambitieux Amiral Motti est devenu un allié de confiance de Grand Moff Tarkin. Il occupe le poste de chef des opérations navales sur la première Étoile de la Mort – selon ses propres mots, « la puissance ultime de l'univers ».

LE GÉNÉRAL TAGGE

Le Général Cassio Tagge, chef des opérations militaires de Vador à bord de la première Étoile de la Mort, semble être le seul à avoir le courage d'exprimer ses inquiétudes concernant la menace de l'Alliance Rebelle. (Pour lui témoigner sa reconnaissance, l'Empereur le nommera par la suite Grand Général, responsable de l'armée impériale.)

LE COLONEL WULFF YULAREN

Depuis qu'il a servi comme amiral de la République pendant la Guerre des Clones, Yularen est resté loyal envers Dark Vador. Souvent rigide dans ses convictions et ses actions, il admire la bravoure de Vador et fait confiance à son instinct presque à l'excès.

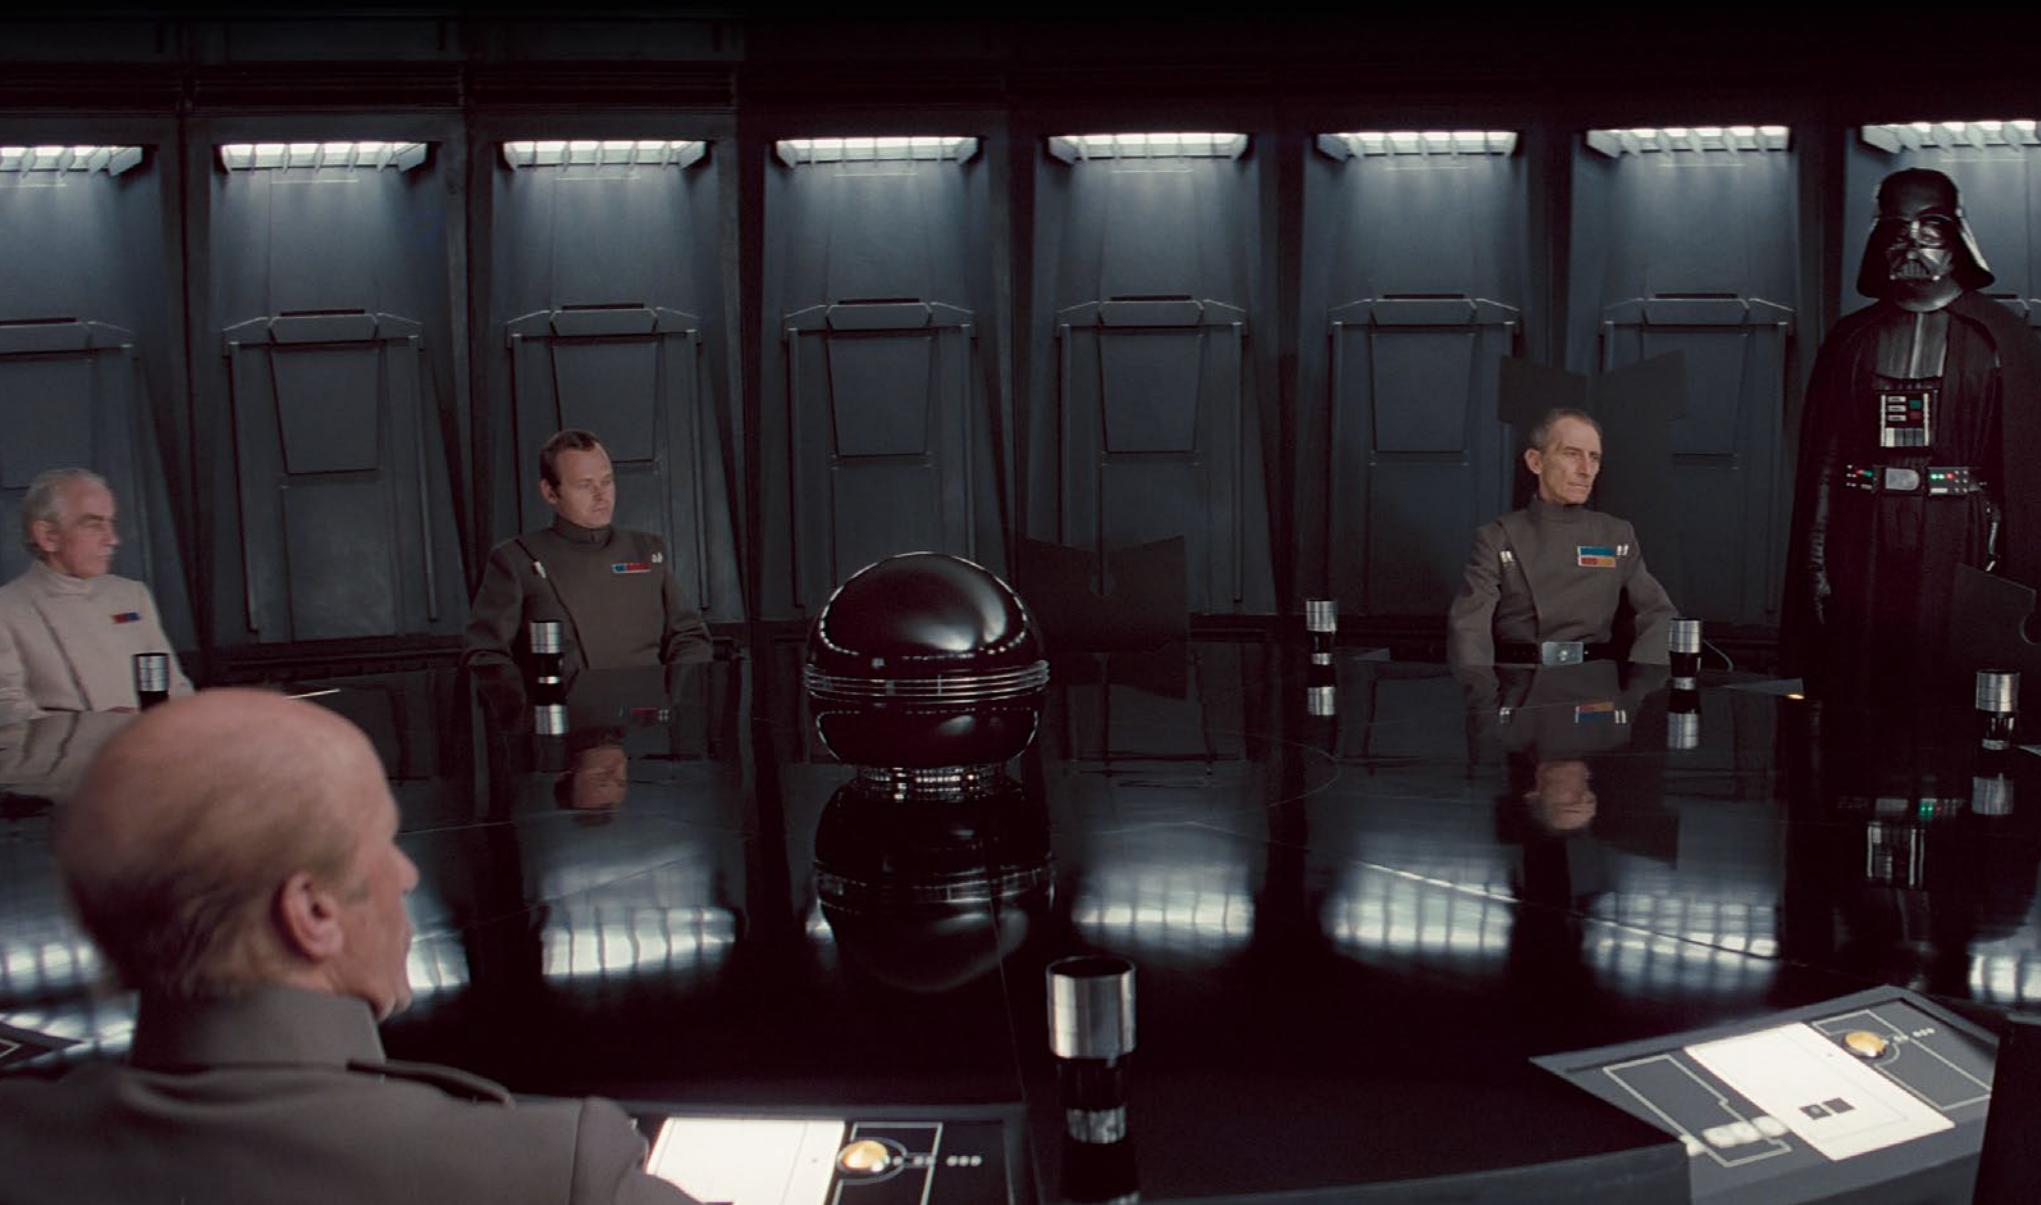

LE GRAND MOFF TARKIN

L'impitoyable Wilhuff Tarkin est arrivé au pouvoir sous la direction du Chancelier Suprême Palpatine. C'est donc tout naturellement qu'il a été chargé de superviser la construction de l'Étoile de la Mort. Il démontre fièrement la puissance du superlaser sur la paisible planète des Rebelles, Alderaan.

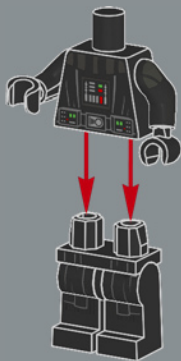

ARTILLEUR DE L'ÉTOILE DE LA MORT

Les équipes d'artilleurs de l'Étoile de la Mort servent à bord des deux stations de combat de l'Étoile de la Mort. Cet artilleur d'élite est spécialement formé pour faire fonctionner le superlaser de l'Étoile de la Mort et est peut-être un peu trop enthousiaste à l'idée de détruire des planètes...
