ARRENDITI AL LATO SCURO

IL MALE NON SI FERMA MAI

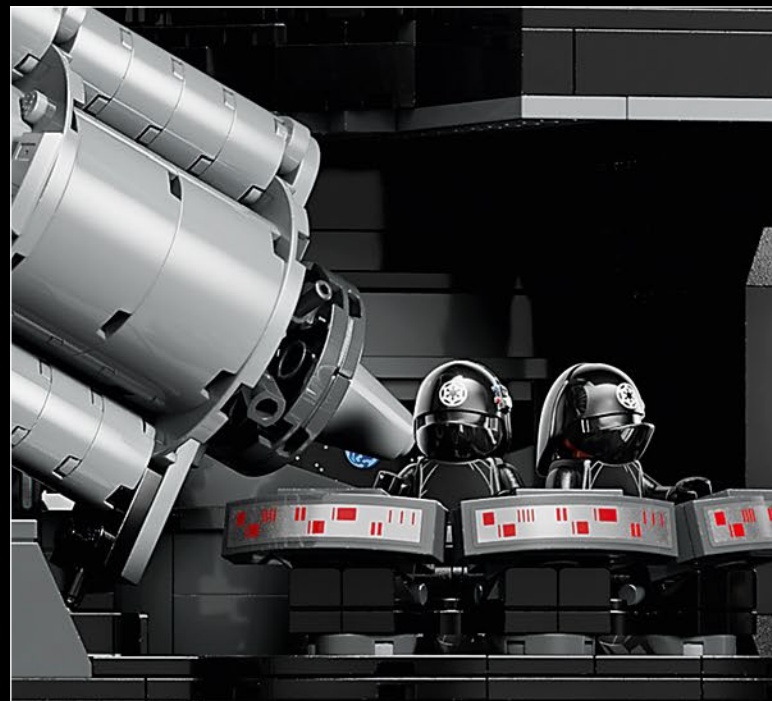

Darth Vader usa la sua camera di meditazione per riordinare i suoi pensieri e consultarsi con il suo maestro quando deve prendere decisioni cruciali. È possibile rimuovere la camera e posizionare la minifigure di Darth Vader LEGO® al suo interno e/o esporla separatamente. Sullo schermo della parete posteriore, si percepisce sempre la presenza terrificante dell'Imperatore, ma è possibile selezionare uno sfondo nero neutro se non si desidera che incomba minaccioso sul set. Forse riconosci alcuni dei poster sulla parete laterale?

TROVO INSOPPORTABILE LA TUA MANCANZA DI FEDE

La sala delle conferenze del Gran Moff Tarkin, dove l'Ammiraglio Motti riceve una severa lezione da Darth Vader, è completamente attrezzata per riunioni strategiche. Il tavolo può essere rimosso per posizionare le minifigure imperiali LEGO® sulle sedie sul retro. Dalla porta scorrevole, è possibile accedere a un passaggio segreto che conduce al corridoio e alla sala di controllo del superlaser dall'altro lato del condotto del raggio traente: basta allungare il ponte dal corridoio azionando l'ingranaggio sul pavimento.

PRONTO, PRENDI LA MIRA...

Nelle due Morti Nere, il superlaser viene generalmente gestito dalla sala di controllo principale nel Settore Theta. Qui, Grand Moff Tarkin sovrintende a tutte le manovre della gigantesca stazione di battaglia e i mitragliatori possono attivare la parabola laser. Questa stanza può essere rimossa dal modello per accedere al pavimento sottostante o posizionare le minifigure. Attraverso il finestrino posteriore, si può scorgere Alderaan (prima che venga distrutto). Se si gira la piccola ruota dentata sul lato sinistro del modello, la visuale si sposta verso la devastante distruzione del pianeta.

TUTORI DELL'ORDINE DELL'IMPERO

DARTH VADER

Per decenni, il promettente Jedi ha applicato la volontà del malefico Imperatore, utilizzando i suoi terrificanti poteri del Lato Oscuro per annientare ogni minimo segno di resistenza dell'Alleanza Ribelle. Ma non era totalmente cattivo...

AMMIRAGLIO MOTTI

Dopo aver ricoperto il ruolo di comandante supremo delle forze militari imperiali, l'ambizioso Ammiraglio Motti diventa un fedele collaboratore di Gran Moff Tarkin. Ricopre il ruolo di comandante delle operazioni navali sulla Prima Morte Nera - detta da lui stesso "il potere ultimo dell'universo".

GENERALE TAGGE

Il Generale Cassio Tagge, responsabile delle operazioni militari di Vader a bordo della prima Morte Nera, sembra essere l'unico ad essere preoccupato per la minaccia posta dall'Alleanza Ribelle. (Prendendo atto di ciò, l'Imperatore lo promuove in seguito a Grande Generale responsabile dell'esercito imperiale.)

COLONELLO WULLF YULAREN

Dopo aver servito come ammiraglio della Repubblica durante le Guerre dei Cloni, la lealtà di Yularen verso Darth Vader non è mai venuta meno. Spesso rigido nelle sue condanne e azioni, ammira il coraggio di Vader e si fida quasi ciecamente del suo istinto.

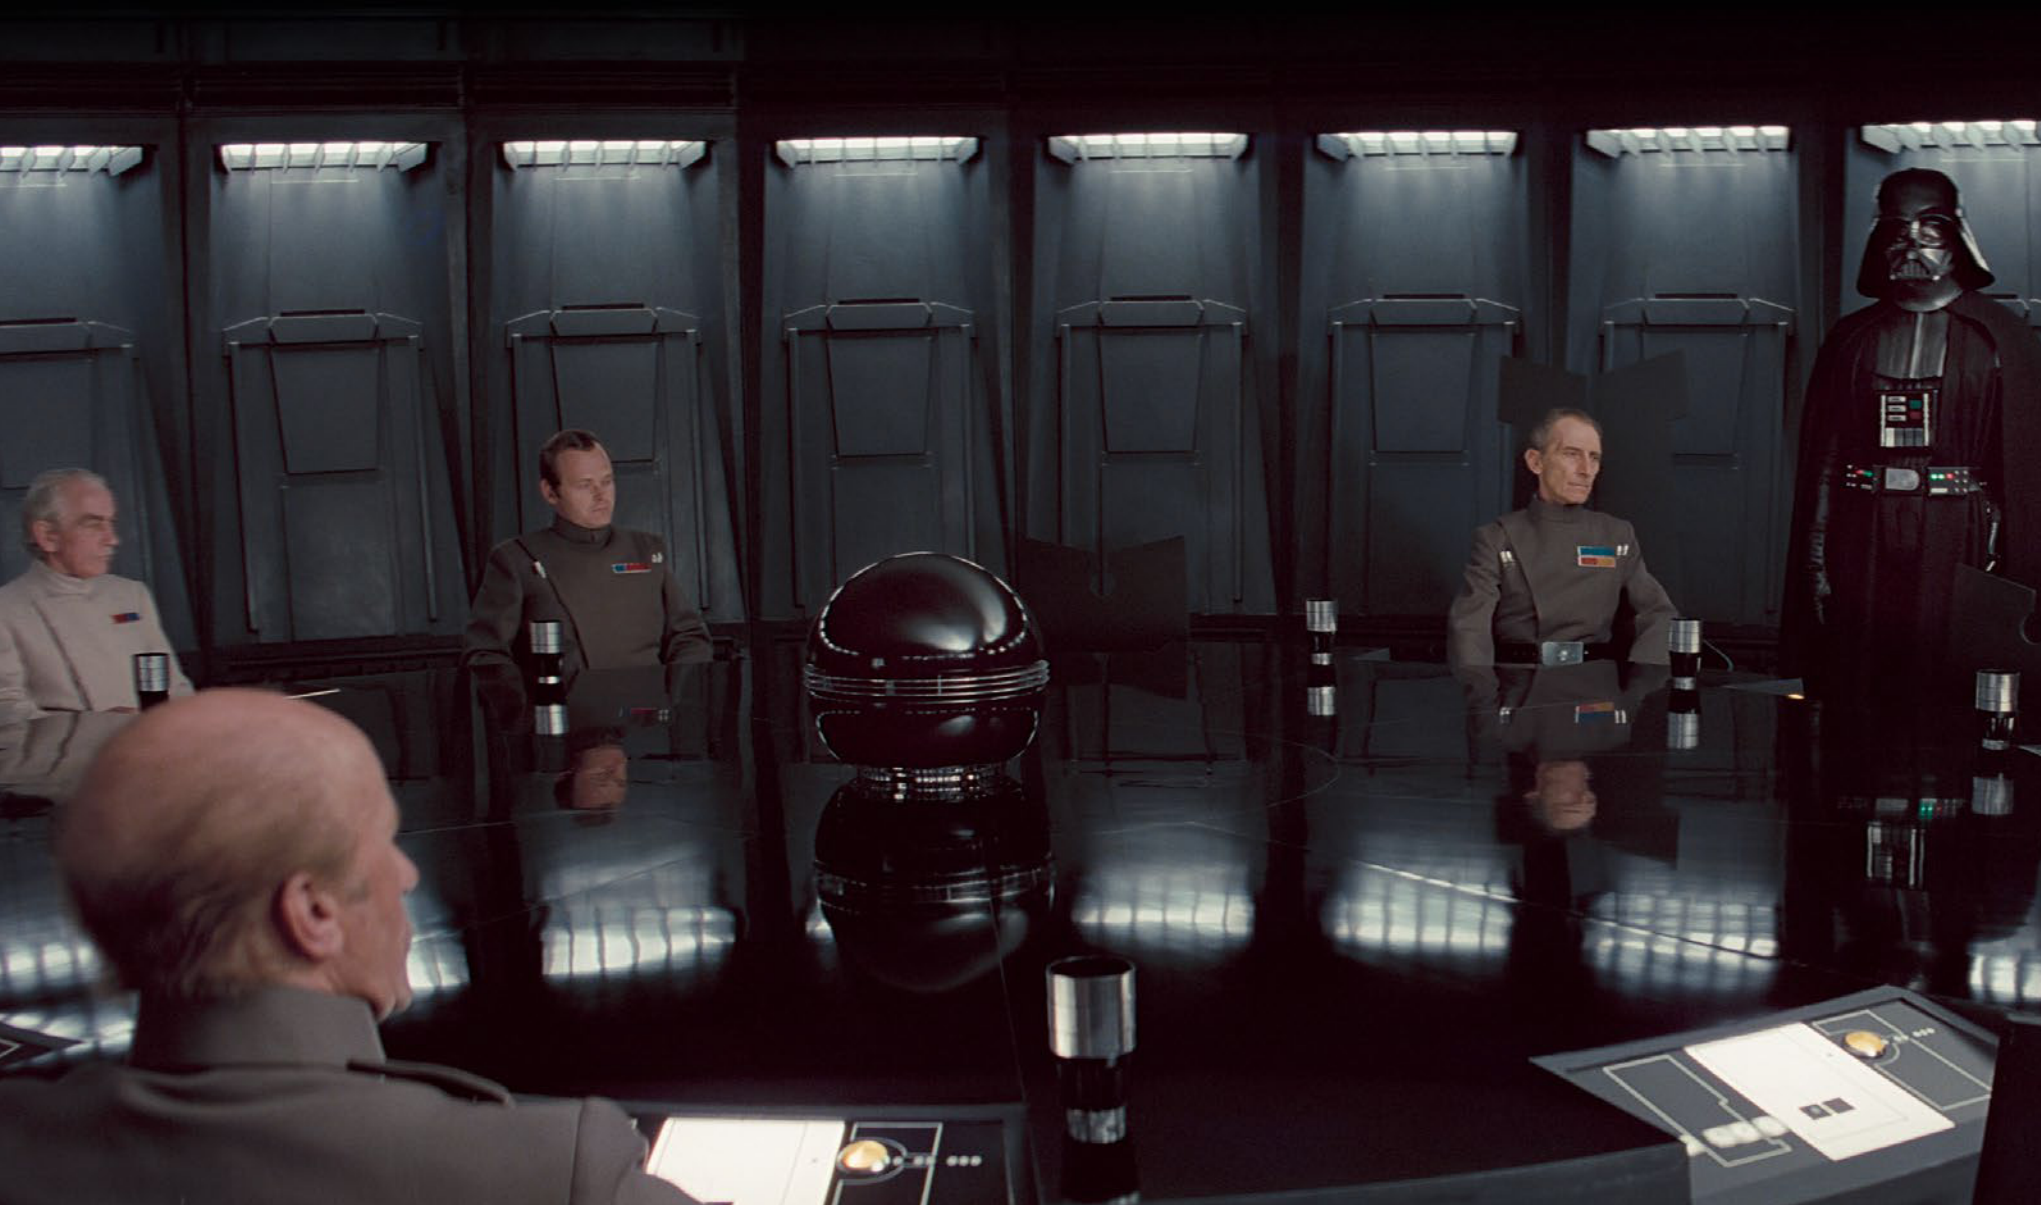

GRAND MOFF TARKIN

Lo spietato Wilhuff Tarkin sale al potere sotto il Supremo Cancelliere Palpatine, quindi non meraviglia che gli venga poi affidato il compito di supervisionare la costruzione della Morte Nera. Dimostra con orgoglio i poteri del superlaser sul pacifico pianeta Alderaan, tradizionalmente alleato dei Ribelli.

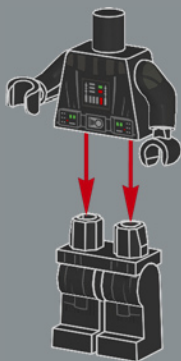

ARTIGLIERE DELLA MORTE NERA

Equipaggi di artiglieri della Morte Nera prestano servizio a bordo di entrambe le stazioni di battaglia della Morte Nera. Questo artiglieriere d'élite è stato appositamente addestrato all'uso del superlaser della Morte Nera ed è forse un po' troppo entusiasta del suo ruolo di distruttore di pianeti...
