Disney

UNA DIMOSTRAZIONE DI POTERE

L'IMPERATORE VI ASPETTAVA

La Sala del Trono è l'ambiente più grande del modello e ospita il trono, una scalinata, una passerella e un oblò circolare con una vista mozzafiato sulla galassia. Le piattaforme in miniatura su entrambi i lati della stanza permettono di posizionare le minifigure LEGO® Star Wars™ di Luke e Darth Vader per ricreare il loro scontro finale. (Tira la leva a sinistra per far crollare la piattaforma e far cadere Luke sul pavimento.) Dal pavimento, un'asta con un gancio si estende fino al pozzo centrale sottostante: monta Luke (il Ribelle) e Leia e falli ondeggiare sul baratro durante la loro fuga.

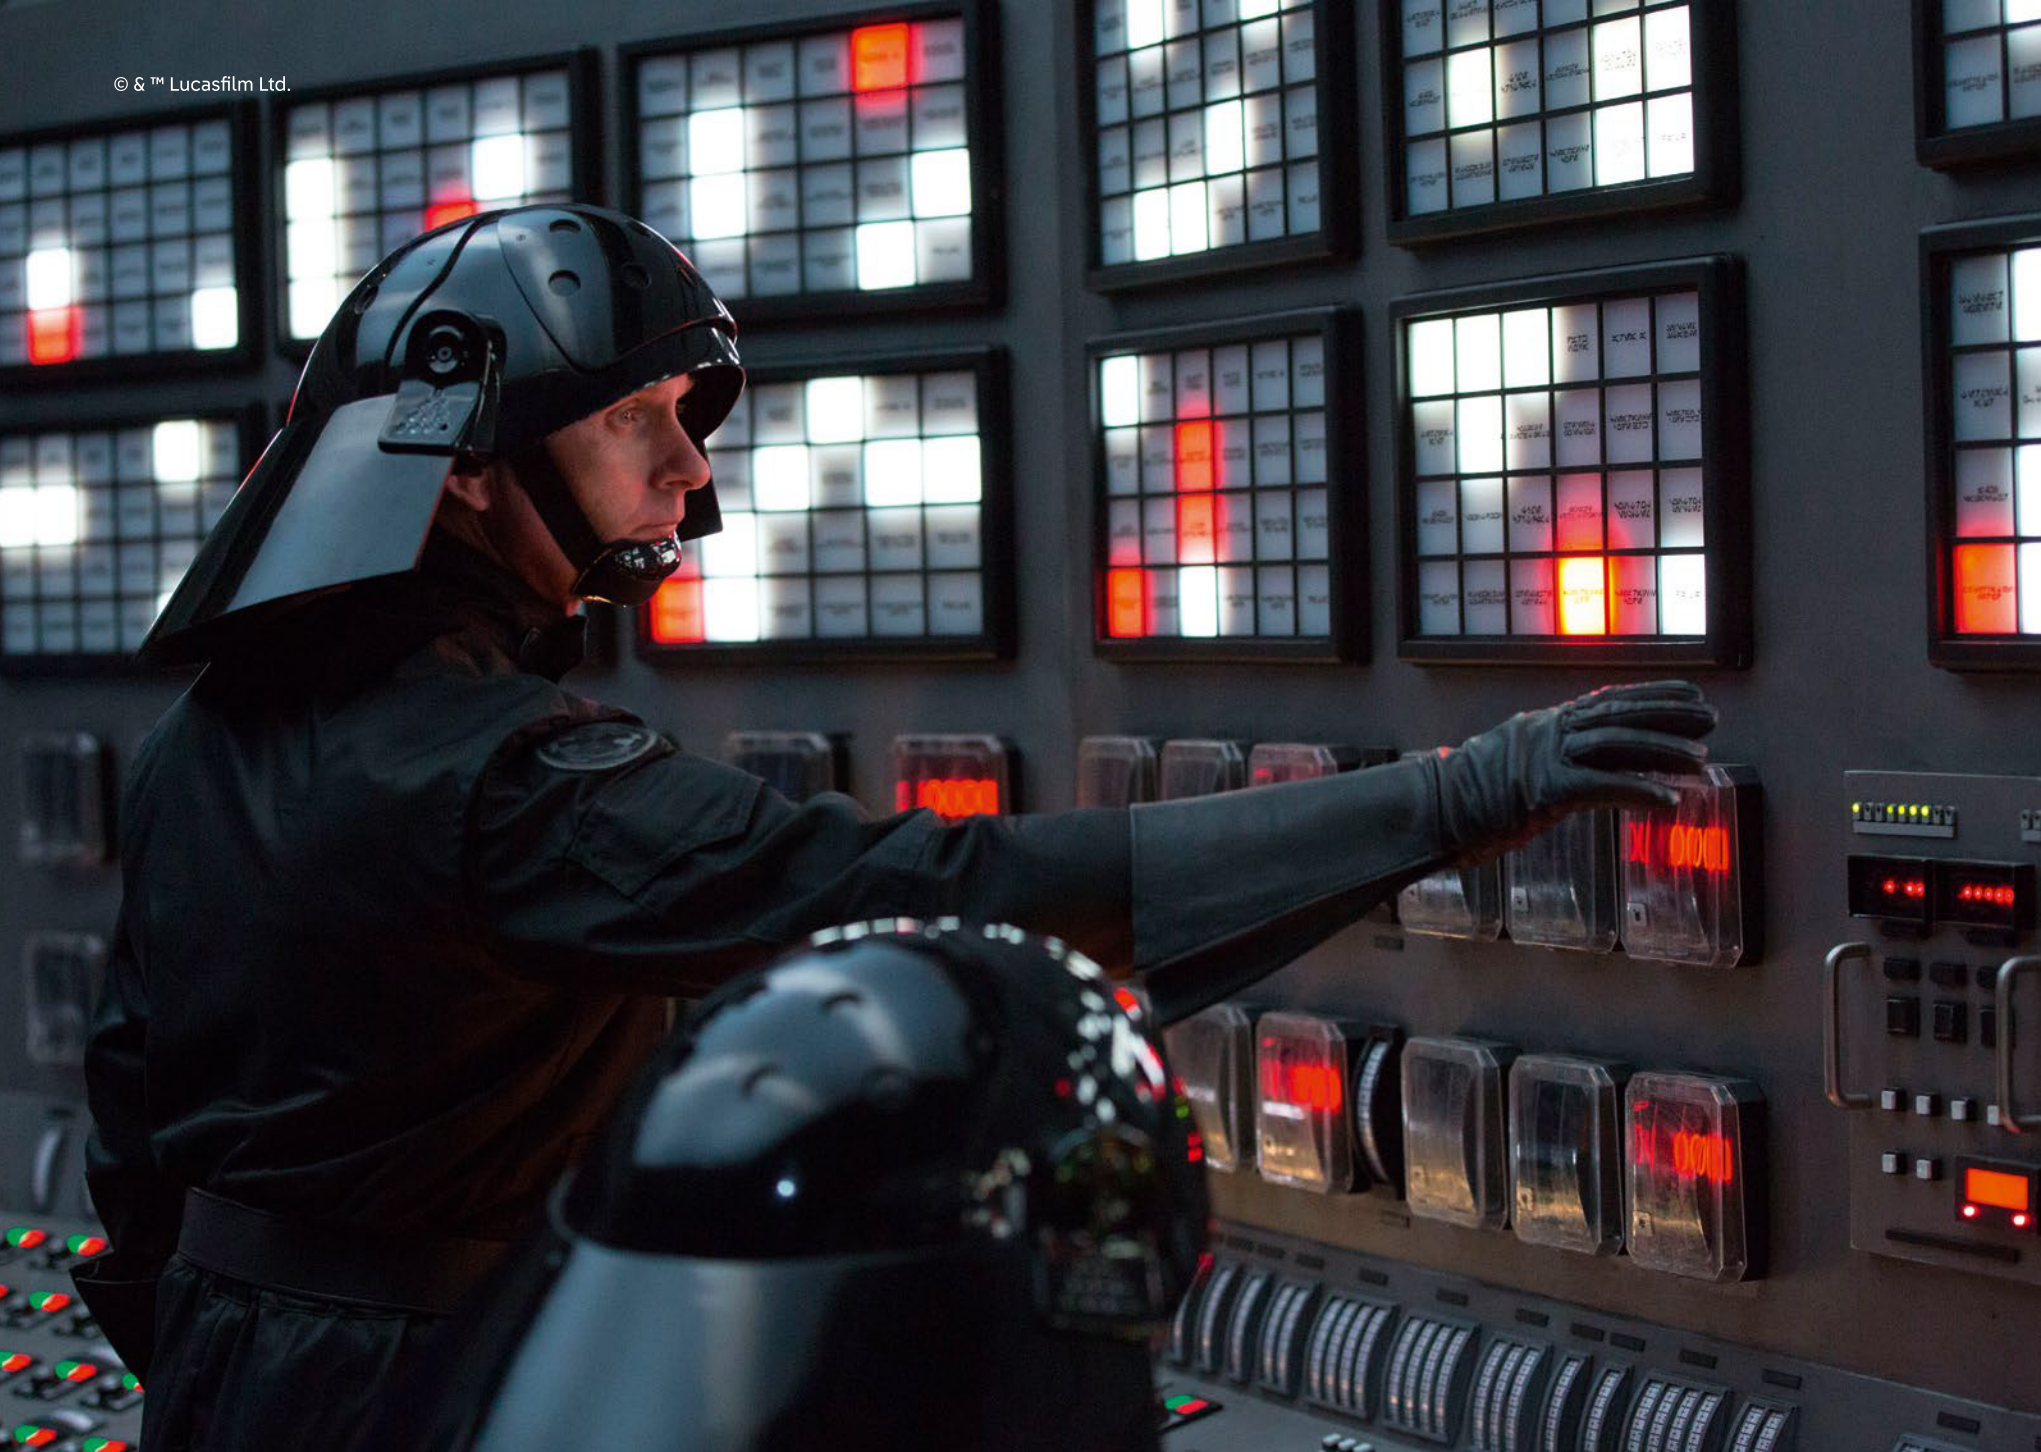

AVVIA L'ACCENSIONE PRIMARIA

Quando la parabola del superlaser è puntata sul bersaglio e pronta per essere azionata, otto raggi ausiliari convergono per generare il raggio principale. Disposti intorno a un campo di controllo invisibile, questi raggi si alternano nella sequenza di sparo per amplificare l'energia necessaria. È fondamentale regolare la loro immensa potenza per evitare pericolosi squilibri energetici.

FAI FUOCO QUANDO SEI PRONTO

La sala di controllo secondaria del superlaser offre una visuale completa della matrice laser ed è dotata di pannelli di controllo e schermi aggiuntivi per monitorare i dati vitali.

ADEMPI AL TUO DESTINO

IMPERATORE PALPATINE

Da quando ha cominciato a utilizzare il lato oscuro per sconfiggere i Jedi e passare da Senatore a Imperatore, Sheev Palpatine (Darth Sidious) governa la galassia con il terrore e la tirannia. Ma nonostante tutti i suoi intrighi, non riesce a convincere Luke Skywalker ad abbracciare il lato oscuro.

LUKE SKYWALKER (Jedi)

Il destino di Luke di diventare un Maestro Jedi si attua nello scontro finale con il lato oscuro, che culmina con la redenzione del padre, Darth Vader, e la sconfitta del malvagio Imperatore Palpatine.

DIGNITARIO IMPERIALE

I consiglieri più fidati dell'Imperatore Palpatine rivestono un ruolo fondamentale al vertice della gerarchia imperiale, soprattutto nei momenti critici. Un nuovo elemento cappello LEGO® è stato progettato per questa versione di minifigure.

GUARDIA REALE IMPERIALE

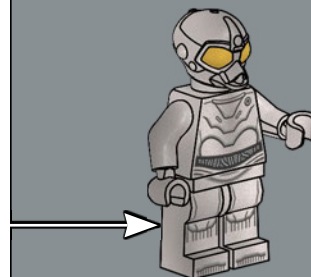

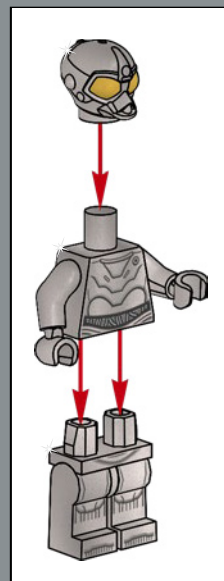

Dotate di sgargianti vesti e armature cremisi, le Guardie Reali Imperiali fungono da principali protettori dell'Imperatore. Le loro origini e capacità di combattimento sono avvolte nel mistero, alimentando curiose speculazioni su queste sentinelle d'élite.

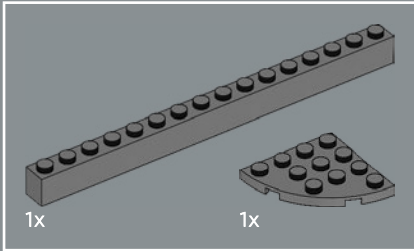

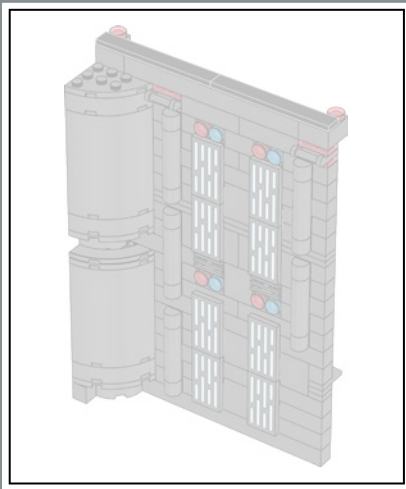

5D6-RA-7

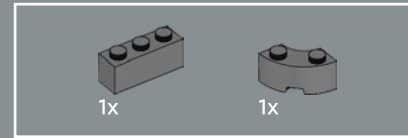

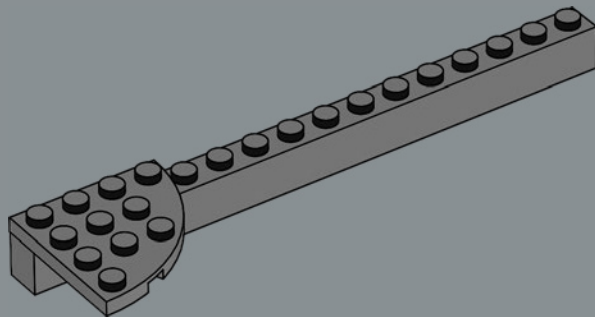

5D6-RA-7, progettato dalla Arakyd Industries, è un droide protocollare e spia per dell'Imperial Security Bureau, il cui compito principale è indagare e segnalare casi di slealtà tra ufficiali.
