PARA MÍ ES DE MUCHO VALOR

Es raro que un personaje del cine tan taciturno cause un impacto tan dramático (y duradero) como Boba Fett. La fría e inexpresiva actitud del temido cazarrecompensas enfatiza su reputación de misterio y amenaza en la trilogía original y, a medida que vamos conociéndolo mejor, cada nuevo giro que da vuelve a sorprendernos. No es de extrañar que siempre figure en la lista de personajes LEGO® *Star Wars*™ favoritos de los fans (nuestro equipo de diseño incluido). El vestuario de Boba Fett presenta ligeras diferencias prácticamente con cada nueva aparición. En parte, se debe al desgaste que cabe esperar en alguien de su profesión, si bien es verdad que también modifica constantemente su equipo y su traje. Eso nos planteó un desafío y nos dio cierta libertad a la hora de explorar qué versión serviría de inspiración para este modelo.

MUERTO NO ME SIRVE

La vida de Boba Fett está destinada a ser una aventura llena de sobresaltos desde el principio. Al ser un clon inalterado de Jango Fett, su famoso padre, hereda tanto un legado como un conflicto que nunca pidió, especialmente después de presenciar la caída de Jango en Geonosis. Impulsado por su instinto de supervivencia natural y una determinación férrea, perfecciona su oficio bajo la tutela de experimentados cazarecompensas como Aurra Sing y Bossk. Y todo sin olvidar ni un segundo que tiene que arreglar cuentas con los Jedi (y, de paso, con cualquiera por quien se ofrezca una recompensa interesante). Su maltrecha armadura Mandaloriana, su infame nave estelar clase *Firespray* y sus capturas de alto perfil consolidaron su reputación mucho antes de que entregara a Han Solo a Jabba el Hutt. Pero su encuentro casi mortal con el Sarlacc alteró su trayectoria. Despojado de armadura, contactos y estatus, Boba Fett se abre camino desde el abismo con una renovada meta en la vida. Con nuevos aliados inesperados a sus espaldas, empieza a forjar un legado propio en Tatooine.

SIN RENCOR, SOLO SON CONSTRUCCIONES

Crear una versión LEGO® de este personaje fue un proyecto realmente apasionante para nuestro equipo de diseño. Inspirado en algunos de los personajes de *Star Wars*™ recreados con ladrillos previamente, como C-3PO™ (75398), este modelo es similar en escala y se basa principalmente en el aspecto de Boba Fett en *El Retorno del Jedi*. Gran parte de su personalidad se filtra a través de su vestimenta, naturalmente, aunque su lenguaje corporal también resulta muy revelador. La fidelidad de su apariencia y sus articulaciones móviles (en la cabeza, los brazos y las manos) te permiten exponerlo en diferentes poses y con expresiones dinámicas.

Hemos incluido, además, un par de referencias a los orígenes de Boba y otras apariciones. Dentro de su casco hay una pila de placas redondas blancas 1x1 que representan el prototipo de su armadura original de supercomando, sustituida finalmente por la combinación de colores más matizada que lo hace destacar. Una pila de placas azules y verdes recuerda específicamente su primera aparición en pantalla como personaje animado en el emblemático especial de Navidad de 1978 titulado *The Star Wars Holiday Special*.

¡Que disfrutes construyendo!
