LEVEL 3 – THE HIGH-RISE

The upper level of NINJAGO® City is home to some of the more exclusive restaurants and living spaces. It is perhaps best known for the city's finest sushi restaurant, offering rooftop dining for those who can afford the prices.

Lloyd and his mom share an apartment here, which features a hidden compartment for his ninja garb. The view from the apartment is quite spectacular, which explains why people are willing to pay high rents to live at the top of the city. Construction of new apartment buildings and shops is going on all the time.

Other features of the top level are the broadcast antenna used by radio and TV stations around the city and fascinating animal sculptures that decorate many rooftops. This is also as far as one can travel on the city's elevator.

MINIFIGURES

LLOYD GARMADON

Lloyd is famous for being one of the only people able to get photos of the Green Ninja. He also has one of the biggest collections of Green Ninja merchandise in the city.

GREEN NINJA SUIT

When danger threatens NINJAGO® City, Lloyd Garmadon sneaks off to his attic and puts on this outfit to become – the Green Ninja! Designed for stealth and comfort, the sight of it also strikes fear into the hearts of villains.

MISAKO

Misako is Lloyd's mother, and she loves him dearly and does everything she can to be a good mom. That does not mean she has not kept a few secrets from him, however ...

JAY

When Jay's parents are busy in the junkyard, he sneaks out and fights crime as a heroic ninja. But with mysterious fish-related crimes happening all over the city, will even his skills be enough to save the day?

OFFICER NOONAN

Officer Noonan is devoted to protecting and serving the people of NINJAGO® City. Staff cuts mean she is often working on her own, which can make keeping a rein on crime – especially fish-related crime – pretty difficult.

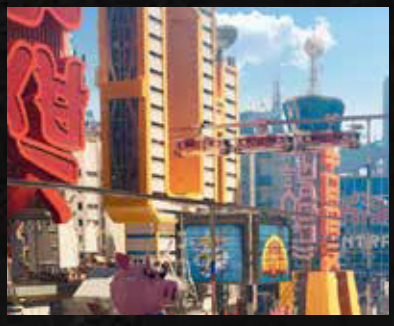

SHARK ARMY GUNNER

A serious troublemaker in NINJAGO® City, this crook has been going around forcing local businesses to give him fish. Just what he is doing with all this fish, no one knows, but you can bet Jay and Lloyd will find out.

NIVEAU 3 - LES HAUTEURS

Le niveau supérieur de la ville de NINJAGO® accueille certains des restaurants et espaces de vie les plus chics. Il est peut-être surtout connu pour abriter le meilleur restaurant de sushis de la ville, qui propose un repas sur le toit à tous ceux qui peuvent se le permettre.

Lloyd et sa maman y partagent un appartement, qui comprend un compartiment caché pour ses vêtements de ninja. La vue depuis l'appartement est assez spectaculaire ; c'est pour cela que les habitants sont disposés à payer des loyers élevés pour vivre au sommet de la ville. La construction de nouveaux immeubles d'appartements et magasins se poursuit sans relâche.

Les autres caractéristiques du niveau supérieur sont l'antenne utilisée par les stations de radio et de télévision de la ville, et des sculptures d'animaux fascinantes qui décorent de nombreux toits. C'est aussi le point le plus élevé auquel on puisse accéder avec l'ascenseur de la ville.

FIGURINES

LLOYD GARMADON

Lloyd est connu pour être l'une des seules personnes capables de photographier le Ninja vert. Il possède aussi l'une des plus grandes collections de la ville sur le Ninja vert.

COSTUME DE NINJA VERT

Lorsque le danger menace la ville de NINJAGO®, Lloyd Garmadon se faufile dans son grenier et enfile cette tenue pour devenir... le Ninja vert ! Le costume offre furtivité et confort, et sa simple vision suffit à insuffler la peur dans le cœur des malfaiteurs.

MISAKO

Misako est la mère de Lloyd. Elle l'aime de tout son cœur et fait tout son possible pour être une bonne mère. Cela dit, ce n'est pas pour autant qu'elle ne dissimule pas quelques secrets...

JAY

Lorsque les parents de Jay sont occupés au parc à ferraille, notre héros ninja se sauve et combat le crime. Mais face aux mystérieux crimes axés sur le poisson, qui se produisent partout dans la ville, ses talents suffiront-ils pour sauver la situation ?

OFFICIER NOONAN

L'officier Noonan veut protéger et servir les habitants de la ville de NINJAGO. Suite aux réductions de personnel, elle travaille souvent seule et a d'autant plus de mal à contrôler les crimes, surtout ceux liés au poisson.

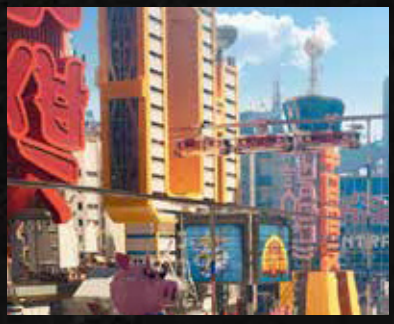

ARTILLEUR DE L'ARMÉE DE REQUINS

Véritable élément perturbateur dans la ville de NINJAGO, ce malfaiteur oblige les entreprises locales à lui donner du poisson. Personne ne sait vraiment ce qu'il fait de tout ce poisson, mais on peut parier que Jay et Lloyd vont le découvrir.

NIVEL 3: EL RASCACIELOS

El nivel superior de la ciudad de NINJAGO® alberga algunos de los restaurantes y viviendas más exclusivos. Puede que lo más famoso de la zona sea el mejor restaurante de sushi de la ciudad, que ofrece cenas al aire libre para quienes puedan permitirse sus precios.

Lloyd y su mamá comparten aquí un departamento, que cuenta con un compartimento para sus trajes ninja. Las vistas desde el departamento son espectaculares, lo cual explica por qué la gente está dispuesta a pagar rentas tan caras por vivir en la parte superior de la ciudad. La construcción de nuevos edificios de departamentos y tiendas no se detiene.

Otras cosas destacables del nivel superior son la antena de radiodifusión que usan las emisoras de radio y televisión de la ciudad, y las fascinantes esculturas de animales que decoran muchas azoteas. Este es también el punto más alto hasta el que llega el elevador de la ciudad.

MINIFIGURAS

LLOYD GARMADON

Lloyd es famoso por ser la única persona capaz de obtener fotos del Ninja Verde. También tiene una de las colecciones más grandes de recuerdos del Ninja Verde en la ciudad.

TRAJE DEL NINJA VERDE

Cuando el peligro amenaza la ciudad de NINJAGO®, Lloyd Garmadon se pierde en su desván y se pone este traje, convirtiéndose así en... ¡el Ninja Verde! Diseñado para pasar desapercibido y proporcionar el máximo confort, el sólo hecho de verlo causa pavor entre los villanos.

MISAKO

Misako es la madre de Lloyd. Lo quiere mucho y hace todo lo que puede por ser una buena mamá. Aunque eso no significa que no pueda guardarse para ella un par de secretos...

JAY

Cuando los papás de Jay están ocupados en el deshuesadero, él se desaparece y lucha contra el crimen como un heroico ninja. Pero, con tantos crímenes misteriosos siempre relacionados con el pescado por toda la ciudad, ¿serán suficientes sus habilidades?

OFICIAL NOONAN

La oficial Noonan vive para proteger y servir al pueblo de la ciudad de NINJAGO. Debido a los recortes de personal, a menudo tiene que trabajar sola, lo cual hace bastante complicado mantener el crimen a raya (especialmente si está relacionado con el pescado).

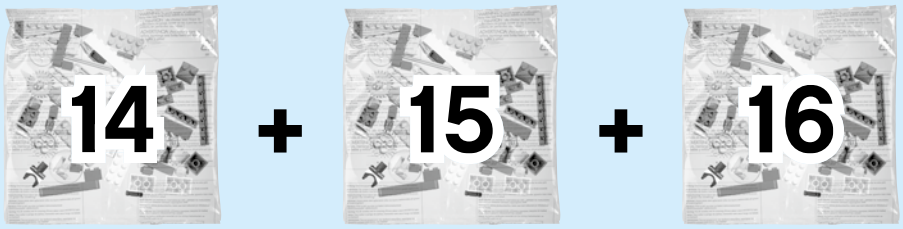

ARTILLERO DEL EJÉRCITO TIBURÓN

Un grave problema para la ciudad de NINJAGO, este malhechor se dedica a obligar a los negocios locales a darle pescado. Lo que está haciendo con tantos peces, nadie lo sabe, ¡pero puedes apostar a que Jay y Lloyd lo averiguarán!
