LEGO® STAR WARS™ 1999-2019

20 YEARS AGO...

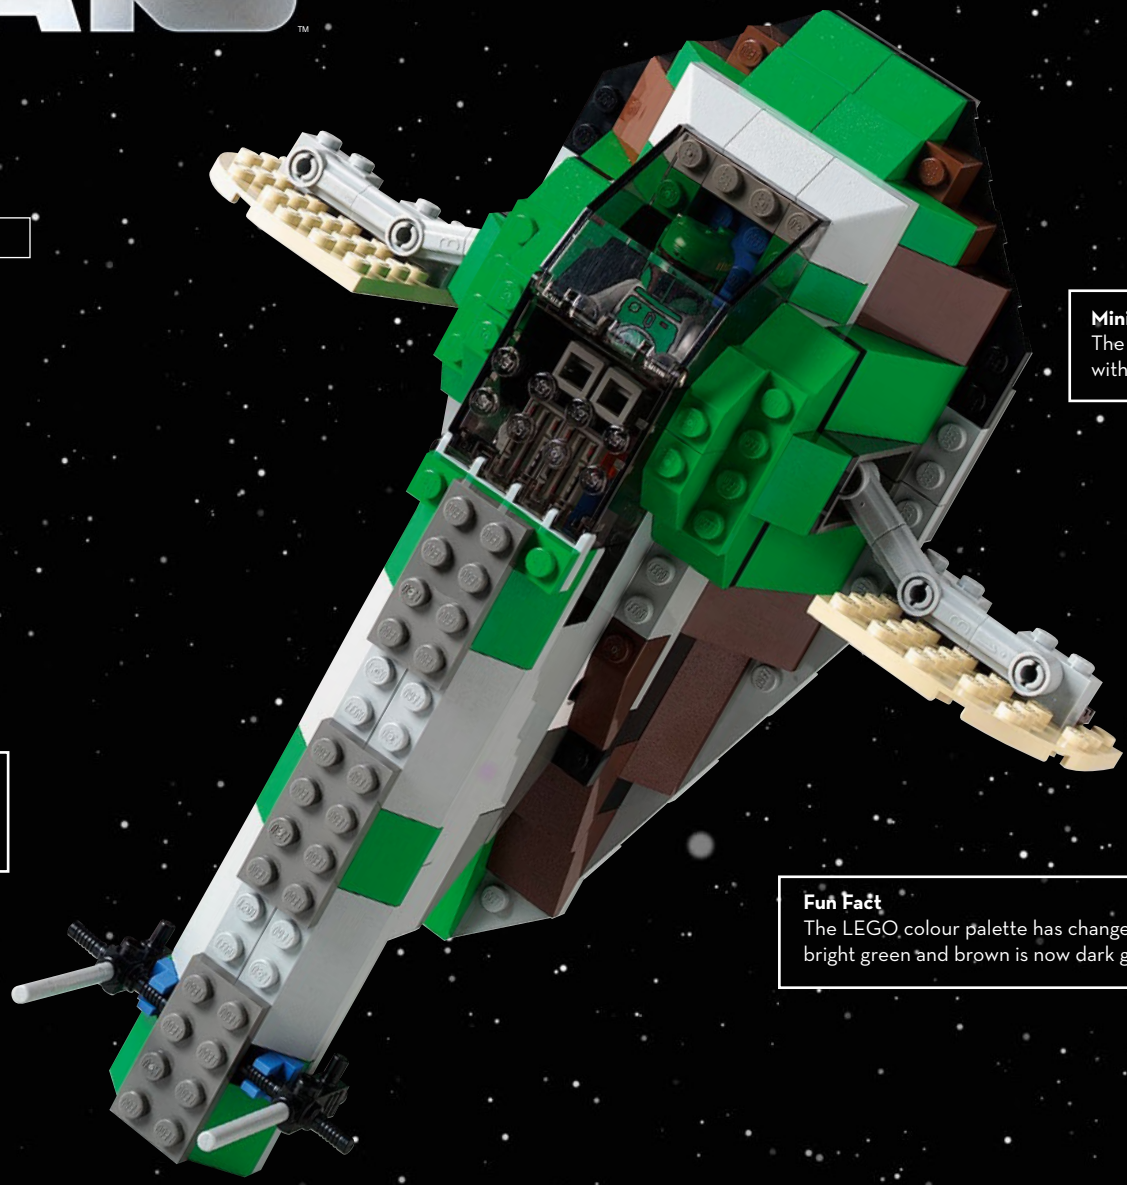

A long time ago in a design studio far, far away we began reimagining the iconic vehicles, characters and scenes from the *Star Wars* universe as exciting new models and minifigures. To celebrate the 20th anniversary of the LEGO® *Star Wars* franchise, we have selected of your favourites from the last 20 years and brought them up to date with this new collector's edition.
To make it extra special, we have included in each set an exact replica of an original LEGO *Star Wars* minifigure and a display stand.
