BEATLES

# JOHN PAUL GEORGE RINGO

**EN** There are legendary rock & roll bands – and then there are The Beatles. From Beatlemania's early onset to the fever-breaking counterculture of the late 1960s, The Beatles have always been about more than their music: their experimental films, their ever-changing fashion, and even their hairstyles were part of an aesthetic that would grow into a worldwide cultural movement. The band that elevated pop music into an art form and transformed a generation, continues to reign over the world of music, their influence unmatched. To own a Beatles record, poster or image is to own a piece of history.

**ES** Hay bandas de rocanrol legendarias... y luego están los Beatles. Desde los comienzos de la beatlemania hasta la acelerada incursión de la contracultura de finales de la década de 1960, los Beatles han sido siempre más que su música: sus películas experimentales, su forma de vestir en constante evolución, e incluso sus peinados componían una estética que crecía hasta convertirse en un movimiento cultural de envergadura mundial. La banda que logró elevar la música pop a la categoría de arte y transformó a toda una generación continúa reinando en el mundo de la música y su influencia es inigualable. Tener un disco, un póster o una imagen de los Beatles es ser dueño de un pedazo de historia.

**FR** Il y a les Beatles et puis il y a les autres... Des débuts de la Beatlemania à la contre-culture de la fin des années 60, les Beatles ont toujours été bien plus que des musiciens : leurs films expérimentaux, leurs tenues branchées et même leurs coupes de cheveux faisaient partie d'une esthétique qui deviendra un véritable mouvement culturel mondial. Le groupe qui a permis à la musique pop de devenir un véritable art et transformé toute une génération règne toujours en maître sur l'univers de la musique, son influence demeurant inégalée. Posséder un disque, une affiche ou une photo des Beatles, c'est posséder un morceau d'histoire.

# The Band that Changed the World

**EN** The cultural impact of The Beatles stretches far beyond their status as an iconic rock band. Countless public figures spanning several generations – Hollywood actors, world leaders, fashion designers, tech superstars – continue to credit the Fab Four as their source of inspiration. The world's ongoing love affair with The Beatles has secured their standing as some of the most influential and transformative people of our time.

# Le groupe qui a changé le monde

**FR** L'impact culturel des Beatles va bien au-delà de leur statut de groupe de rock légendaire. D'innombrables personnalités de plusieurs générations, et notamment des acteurs d'Hollywood, des leaders mondiaux, des créateurs de mode et des superstars de la technologie, continuent d'affirmer que les « Fab Four » restent leur source d'inspiration. Les Beatles sont restés dans le cœur des gens et font partie des personnalités les plus influentes et qui ont le plus transformé notre époque.

La banda que  
cambió al mundo

**ES** El impacto cultural de los Beatles llega mucho más allá de su condición de íconos del rock. Incontables figuras públicas pertenecientes a varias generaciones (actores de Hollywood, líderes mundiales, diseñadores de moda, superestrellas de la tecnología, etc.) siguen atribuyendo el mérito de ser su fuente de inspiración al famoso cuarteto. El permanente romance del mundo con los Beatles ha consolidado su posición como algunas de las personas más influyentes y transformadoras de nuestro tiempo.

The BEATLES

## 'The White Album'

**EN** The band's ninth studio album, titled simply *The Beatles*, quickly became known as 'The White Album' because of its plain white cover. Written mostly at a transcendental meditation retreat in India and recorded in London's Abbey Road studios, *The Beatles* has sold over 24 million copies since its release in 1968 – with Rolling Stone magazine naming it the 10th greatest album of all time.

The buildable piece of iconic art you now own is based on the four portraits featured on the inside of the gatefold sleeve of the original vinyl version of the album. These portraits now feature on the cover of *The Beatles' Super Deluxe Edition*, a seven-disc release for the White Album's 50th anniversary in 2018.

## L'Album Blanc

**FR** Le neuvième album en studio du groupe, intitulé simplement *The Beatles*, a été très vite surnommé « l'Album Blanc » en raison de sa pochette blanche unie. Composé en grande partie lors d'un séminaire d'initiation à la méditation transcendante en Inde et enregistré dans les studios Abbey Road à Londres, *The Beatles* s'est vendu à plus de 24 millions d'exemplaires depuis sa sortie en 1968. Le magazine Rolling Stone l'a même classé au 10<sup>e</sup> rang des plus grands albums de tous les temps.

Ce tableau à créer à l'effigie des Beatles contient les quatre portraits inclus dans la pochette à volets de la version vinyle originale de l'album. Ces portraits figurent désormais sur la couverture de l'édition de luxe de *The Beatles*, comprenant 7 disques, sortie à l'occasion du 50<sup>e</sup> anniversaire de l'Album Blanc en 2018.

## El álbum blanco

**ES** El noveno álbum de estudio de la banda, titulado, simplemente, *The Beatles*, comenzó a conocerse rápidamente como "el álbum blanco" por su sencilla portada blanca. Escrito en su mayor parte durante un retiro de meditación trascendental en la India y grabado en los estudios Abbey Road de Londres, se han vendido más de 24 millones de copias desde su lanzamiento en 1968 y la revista Rolling Stone lo considera el 10<sup>o</sup> álbum más importante de todos los tiempos.

La inconfundible obra de arte para construir que tienes en tus manos se basa en los cuatro retratos que aparecen en la cara interior de la portada desplegable de la versión original del álbum en vinilo. Los retratos aparecen ahora en la portada de la edición de superlujo de *The Beatles*: una versión con siete discos lanzada para conmemorar el 50 aniversario del álbum blanco en 2018.
