'ONE DAY I'LL BUILD A LAND ROVER'. ONE DAY IS NOW.

A trusted, trail-blazing traveller on off-road explorations, a symbol of rugged strength and a nostalgic collectible. Originally built in post-World War II Britain as a sturdy and reliable farm utility vehicle, the versatile Land Rover has become one of the most recognised and coveted vehicles in the world. For 75 years, Land Rover models have evolved with innovative technology and design. Still, the appeal of the original hands-on construction and mechanics is felt in the details of every new generation; most of all in the Land Rover Defender series.

LEGO® LAND ROVER CLASSIC DEFENDER 90
A buildable tribute to Land Rover classic Defender 90 models released from 1983–2016

A WORD FROM THE DESIGNER

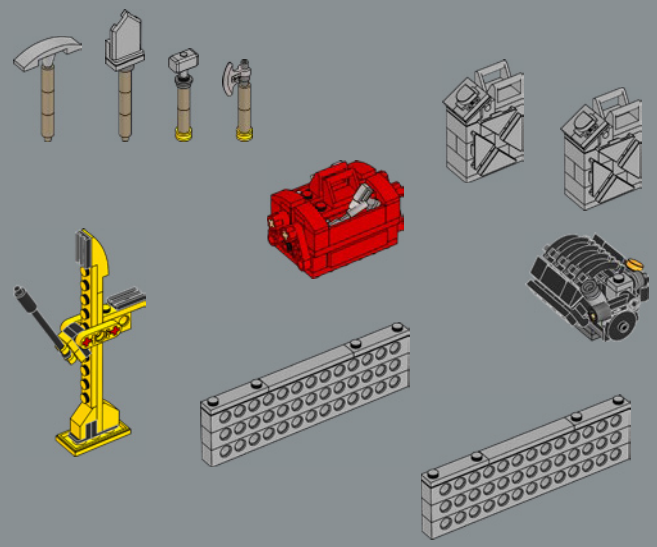

'We're so excited to present this set in collaboration with Land Rover. Each Land Rover Defender has its own story, its own personality and inspires a sense of adventure everyone can relate to. It's the ultimate utility vehicle that will take you anywhere, from deserts and mountains to urban highways and country byways. This model represents an amalgamation of Land Rover classic Defender 90 models released between 1983 to 2016, with authentic accessories and equipment. To capture the versatility of the Defender, the model is designed with multiple options for both exterior and interior features, just like when you order the real-life version. So, buckle up and enjoy the ride. Welcome to the LEGO® Land Rover family!'
