LEGO® Builder

Be a LEGO® guest!

From the moment Belle meets the Beast, a cascade of sweet, magical transformations begins to unfold. Beast's spellbound castle and its chatty cast of enchanted decor unveil their secrets, and the unlikely pair finds friendship, beauty and true love. Be a LEGO® guest and join us in this tribute to the timeless Disney film classic from 1991, *Beauty and the Beast*.

Bonjour from the LEGO® Design Team

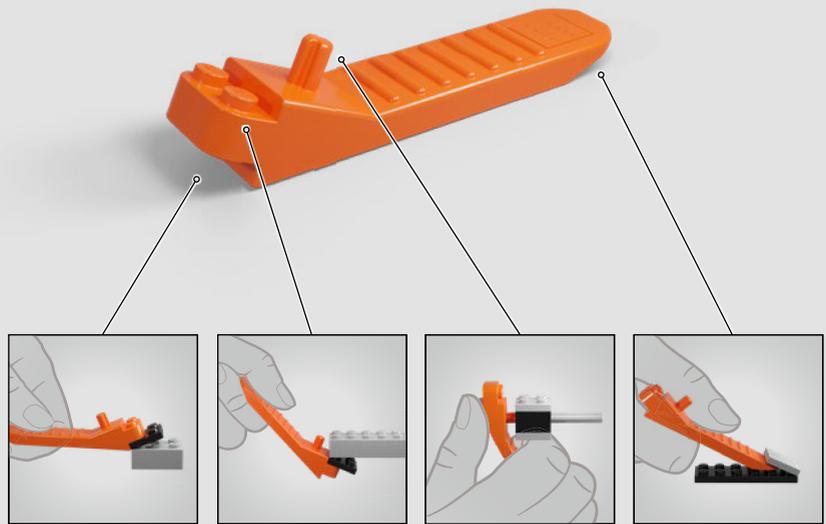

Whether you're looking for minimalist rococo design or the enchanted rose in the forbidden room, we filled your castle to the brim with beloved details and hidden surprises. Elements from the early gloomy scenes are merged with a joy and humour that sneaks in and fills the nooks and crannies of the castle. We really wanted it to reflect the flow in the story.

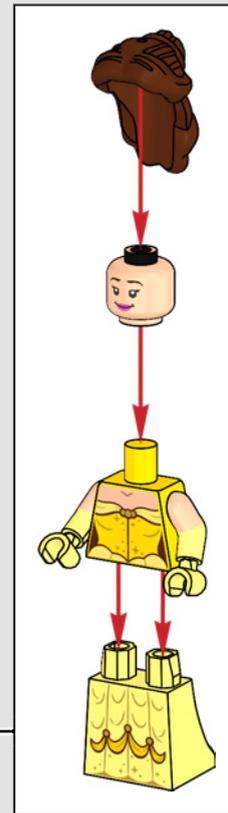

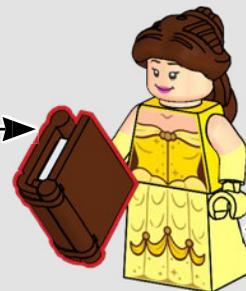

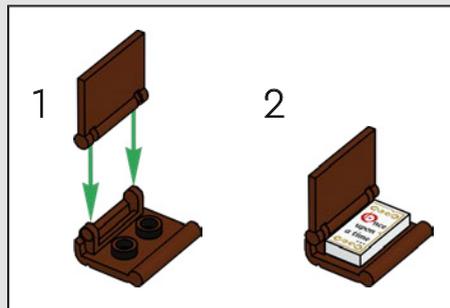

"One of my favourite details is the grand staircase. It can be turned to face the entrance doors or taken out as a display of its own."

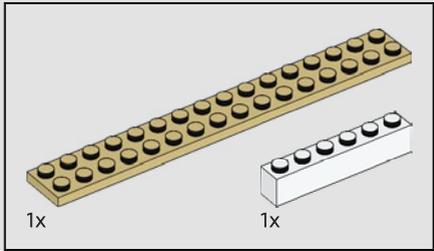

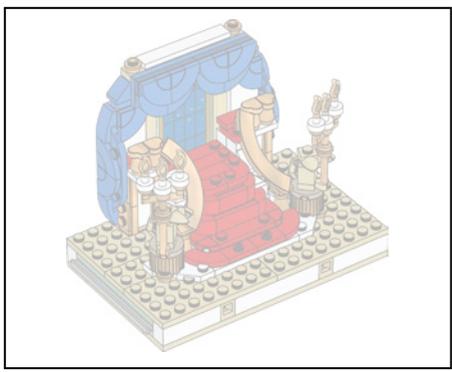

– Ryan Van Woerkom, Senior LEGO® Designer
