Q LEGO® Builder

## WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

## NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

## QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

# BUILT TO HUNT

Jango Fett's starship embodies the notorious bounty hunter's prowess, agility and resourcefulness. After modifying the rare *Firespray-31*-class patrol craft to suit his line of work, it serves him on epic missions throughout the galaxy and the saga. In *Attack of the Clones* (2002), in the famous space chase through the Geonosis asteroid field, we see the unmatched versatility of this mobile base of operations. The ship's unusual design, with its vertical orientation during flight mode, really sets it apart from other starfighters and cruisers. Now it joins our extensive LEGO® *Star Wars*™ Ultimate Collector Series, combining an exhilarating building experience with a remarkable final creation.

Enjoy your flight,

**Jens Kronvold Frederiksen**  
Creative Lead & Design Director  
LEGO® *Star Wars*™

## CONSTRUIT POUR CHASSER

Le vaisseau de Jango Fett™ reflète les prouesses, l'agilité et l'ingéniosité du célèbre chasseur de primes. Il se sert du rare vaisseau de patrouille de classe *Firespray-31*, qu'il a modifié pour l'adapter à son travail, dans des missions épiques à travers la galaxie et la saga. Lors de la célèbre course-poursuite dans le champ d'astéroïdes de Geonosis, dans *L'Attaque des clones* (2002), nous voyons la polyvalence inégalée de cette base d'opérations mobile. La conception inhabituelle du vaisseau, avec son orientation verticale en mode de vol, le distingue des autres chasseurs et croiseurs. Il rejoint maintenant notre vaste Série de collection suprême LEGO® *Star Wars*™, combinant une expérience de construction exaltante avec une création finale remarquable.

Bon vol!

**Jens Kronvold Frederiksen**  
Responsable de la création et  
directeur de la conception  
LEGO® *Star Wars*™

## CONSTRUIDA PARA CAZAR

La nave espacial de Jango Fett™ encarna la destreza, agilidad e ingenio del conocido cazarrecompensas. Luego de modificar el inusual vehículo patrulla clase *Firespray-31* según los requisitos de su oficio, este le resulta muy útil en sus épicas misiones por toda la galaxia a lo largo de la saga. La famosa persecución espacial a través del campo de asteroides de Geonosis que vimos en *El Ataque de los Clones* (2002) pone de manifiesto la inigualable versatilidad de esta base de operaciones móvil. El peculiar diseño de la nave, que surca el espacio orientada verticalmente, la distingue de otros cazas y cruceros estelares. Y ahora se suma a nuestra extensa colección LEGO® *Star Wars*™ Ultimate Collector Series combinando una estimulante experiencia de construcción con una notable creación final.

¡Esperamos que disfrutes tu vuelo!

**Jens Kronvold Frederiksen**  
Director creativo y coordinador de diseño  
LEGO® *Star Wars*™

## ONE OF A KIND

Fitting of any decent bounty hunter in the galaxy, Jango Fett™ acquires his signature starship while on a chaotic mission. After losing his previous ship during a prison riot on the Oovo 4 asteroid, he steals one of the six *Firespray* patrol ships from the prison's hangar bay, blowing up the remaining five on his way out. Even after Jango is later offered a comfortable life as the well-paid prime clone for Count Dooku's clone army on Kamino, he keeps his starship and continues to pursue his bounty hunter activities. The rest is *Star Wars*™ history.

## UNIQUE EN SON GENRE

Comme tout bon chasseur de primes de la galaxie, Jango Fett™ acquiert son vaisseau emblématique au cours d'une mission chaotique. Après avoir perdu son vaisseau précédent lors d'une émeute dans une prison sur l'astéroïde Oovo 4, il vole l'un des six vaisseaux de patrouille *Firespray* dans le hangar de la prison et fait exploser les cinq autres en partant. Même si Jango se voit plus tard offrir une vie confortable en tant que clone principal bien payé de l'armée de clones du comte Dooku sur Kamino, il garde son vaisseau et poursuit ses activités de chasseur de primes. Et on connaît la suite de l'histoire de *Star Wars*™.

## ÚNICA EN SU TIPO

Como se esperaría de cualquier cazarrecompensas de la galaxia que se respete, Jango Fett™ se apropia de su característica nave espacial en una caótica misión. Luego de perder su nave anterior durante un motín en la prisión del asteroide Oovo 4, roba una de las seis naves patrulla clase *Firespray* del hangar de la prisión, haciendo volar en pedazos las cinco restantes en su huida. Incluso después de que a Jango le ofrecieran una vida cómoda y una generosa remuneración como clon principal del ejército del Conde Dooku en Kamino, él decide conservar su nave y seguir con sus actividades de cazarrecompensas. El resto es historia de *Star Wars*™.

## BUILT TO LAST

Originally manufactured by Kuat Systems Engineering, Jango's starship stands out with its vertical configuration, pivoting 90 degrees during flight. Its weathered blue, green and yellow color scheme makes it deceptively non-threatening – at least at first glance. At 21.5 meters (70.6 ft.) long, it's not overwhelming in size (wingspan is 21.3 m (69 ft. 11 in)), but it's a fast, reliable getaway when dodging the Jedi.

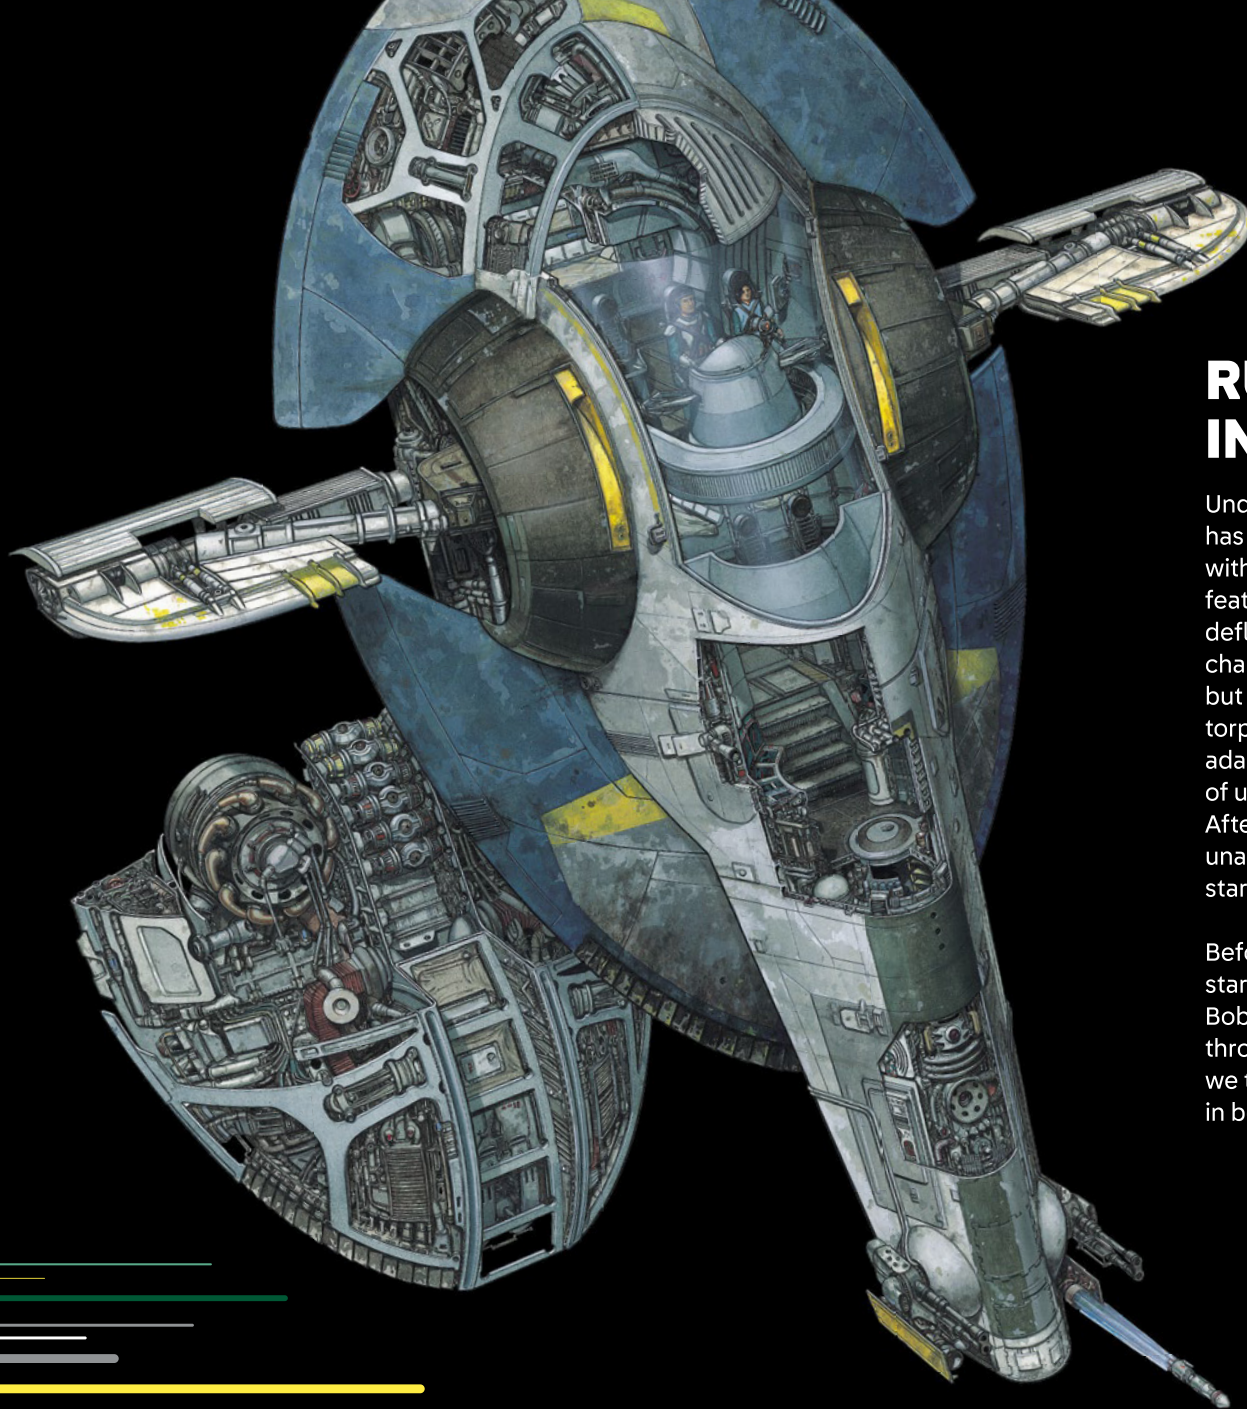

## CONSTRUIT POUR DURER

Fabriqu      l'origine par les Syst  mes d'ing  nierie de Kuat, le vaisseau de Jango se distingue par sa configuration verticale, pivotant    90 degr  s pendant le vol. Ses couleurs bleu, vert et jaune vieilles lui conf  rent une apparence peu mena  ante, du moins au premier regard. Avec ses 21,5 m  tres de long, il n'est pas tr  s imposant (son envergure est de 21,3 m  tres), mais il constitue un moyen rapide et fiable d'  chapper aux Jedi.

## HECHA PARA DURAR

Fabricada originalmente por Kuat Systems Engineering, la nave espacial de Jango destaca por su configuraci  n vertical, que gira 90 grados durante el vuelo. Su desgastado aspecto en colores azul, verde y amarillo disimula muy bien su verdadera peligrosidad, al menos a primera vista. Y con una longitud de 21,5 m, tampoco resulta abrumadora por sus dimensiones (tiene una envergadura de 21,3 m), lo que la hace r  pida y confiable a la hora de eludir las persecuciones de los Jedi.

## RUNNING IN THE FAMILY

Under Jango Fett's control, the starship's interior has been customized to transport prisoners, with limited focus on comfort. The exterior now features advanced stealth tech and powerful deflector shields. Its arsenal includes seismic charges and enhanced twin blaster cannons, but the naval minelayer and concealed torpedoes are perhaps the most ingenious adaptations. Together, they unleash a swarm of unpleasantness on unsuspecting pursuers. After Jango meets his untimely demise, Jango's unaltered clone son, Boba Fett™, inherits the starship to carry on his father's infamous legacy.

Before many of us first saw Jango Fett's iconic starship, we knew it under the ownership of Boba Fett™. Later, we've followed its adventures throughout the expanding saga. For this model, we tapped into its origin story as a rare classic, in both the *Star Wars*™ and LEGO® galaxies.

## UNE HISTOIRE DE FAMILLE

Sous le contrôle de Jango Fett™, le vaisseau est aménagé pour le transport de prisonniers, avec un souci de confort limité. L'extérieur est désormais doté d'une technologie furtive avancée et de puissants boucliers déflecteurs. Son arsenal comprend des charges sismiques et deux canons blasters améliorés, mais le lance-mines naval et les torpilles dissimulées sont sans doute les adaptations les plus ingénieuses. Ensemble, ils déclenchent une nuée de désagréments sur les poursuivants imprudents. Après la mort prématurée de Jango, son fils clone, Boba Fett™, hérite du vaisseau pour perpétuer l'infâme héritage de son père.

Avant que beaucoup d'entre nous ne voient pour la première fois le vaisseau emblématique de Jango Fett™, nous savions qu'il appartenait à Boba Fett™. Par la suite, nous avons suivi ses aventures tout au long de la saga. Pour ce modèle, nous avons puisé dans ses origines en tant que classique rare, à la fois dans la galaxie *Star Wars*™ et dans la galaxie LEGO®.

## PASA DE GENERACIÓN EN GENERACIÓN

Bajo el control de Jango Fett™, el interior de la nave espacial fue adaptado para el transporte de prisioneros, prestando poca atención a la comodidad. El exterior cuenta ahora con tecnología furtiva avanzada y potentes escudos deflectores. Su arsenal incluye cargas sísmicas y cañones bláster dobles mejorados, aunque las adaptaciones más ingeniosas quizá sean el minador naval y los torpedos ocultos. En conjunto, desatan un enjambre de incomodidad sobre los perseguidores desprevenidos. Luego de la prematura muerte de Jango, su hijo clon inalterado Boba Fett™ hereda la nave para continuar con el infame legado de su padre.

Antes de que muchos de nosotros viéramos por primera vez la icónica nave espacial de Jango Fett™, la conocíamos en posesión de Boba Fett™. A partir de entonces, hemos seguido cada aventura que se suma a la saga. Para este modelo, nos nutrimos de su historia como elemento clásico poco conocido tanto en la galaxia de *Star Wars*™ como en la de LEGO®.

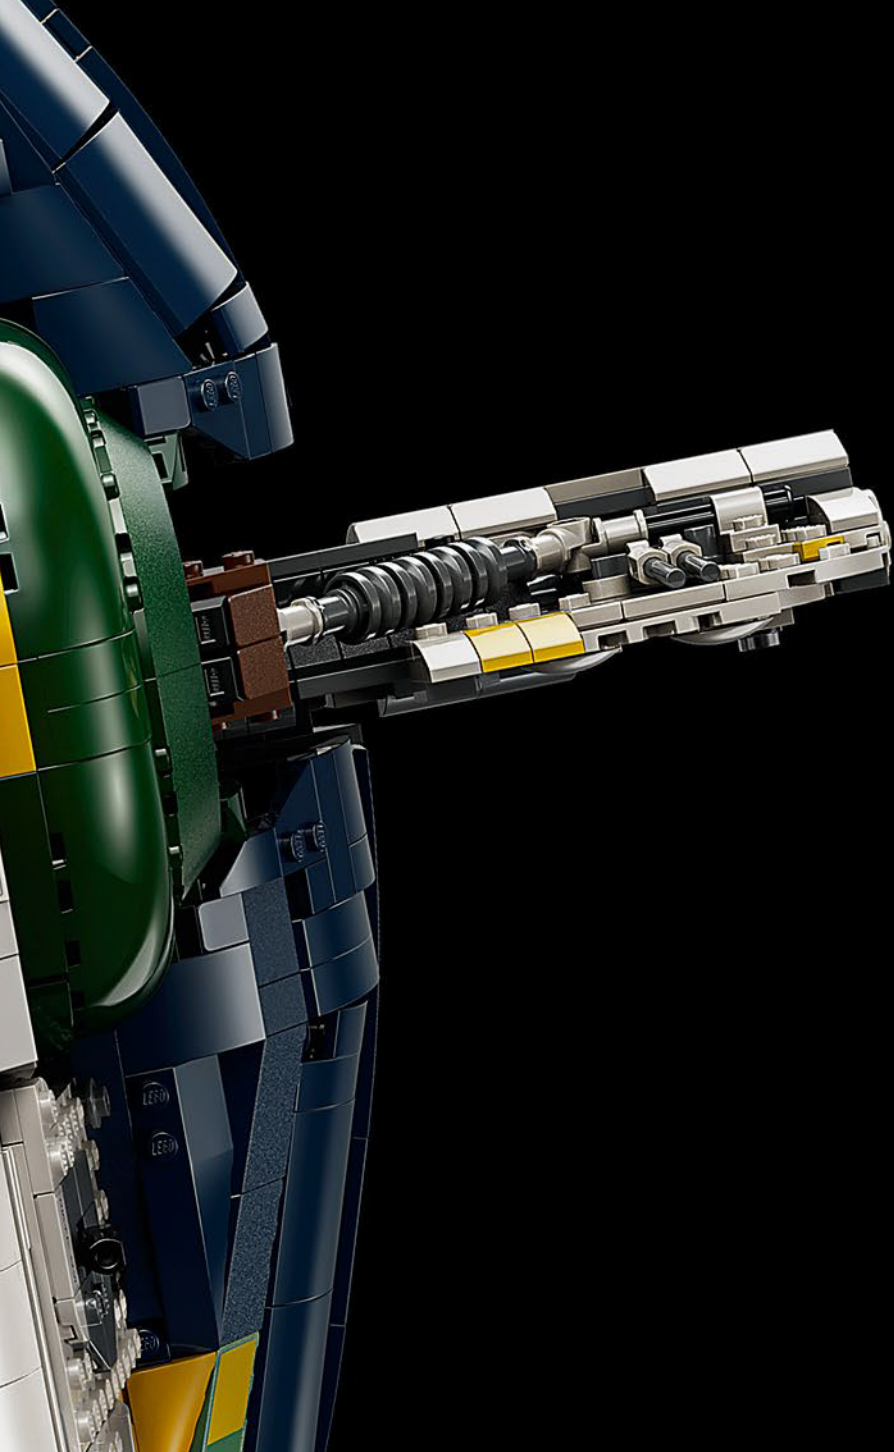

## DETAILS ON DISPLAY

By using new techniques, like triangular builds, and incorporating new curved elements, we achieved exceptionally high shape fidelity when compared to the movie version. The iconic color scheme and authentic hull details complete the exterior design. As part of our Ultimate Collector Series models, it's also full of characteristic functions and interior design details, as well as new LEGO® Jango Fett™ and Young Boba Fett™ minifigures. In *Attack of the Clones*, we see father and son co-pilot the starship during their escape from Obi-Wan Kenobi™. This model is designed so you can remove and reattach the cockpit canopy to place both minifigures inside and recreate this defining moment in the fates of the two Fetts.

***"Hang on, son. We'll move into the asteroid field, and we'll have a couple of surprises for him."***

– Jango Fett™

## DÉTAILS À DÉCOUVRIR

En utilisant de nouvelles techniques, comme les constructions triangulaires, et en incorporant de nouveaux éléments incurvés, nous avons obtenu une fidélité de forme exceptionnellement élevée par rapport à la version cinématographique. Les couleurs emblématiques et les détails authentiques de la coque complètent la conception extérieure. En tant que modèle de la Série de collection suprême, il est également truffé de fonctions caractéristiques et de détails de conception intérieure, et est accompagné des nouvelles figurines LEGO® de Jango Fett™ et du jeune Boba Fett™. Dans *L'Attaque des clones*, nous voyons le père et le fils copiloter le vaisseau pendant qu'ils échappent à Obi-Wan Kenobi™. Ce modèle est conçu pour vous permettre d'enlever et de remettre la verrière de la cabine afin de placer les deux figurines à l'intérieur et de recréer ce moment décisif dans le destin des deux Fett.

***« Accroche-toi. Nous pénétrons dans le champ d'astéroïdes. Tu vas voir, on va lui préparer quelques surprises. »***

– Jango Fett™

## DETALLES A LA VISTA

El uso de técnicas novedosas como la construcción en triángulo y la incorporación de nuevos elementos curvados supuso que pudiéramos alcanzar un nivel de fidelidad excepcionalmente alto en comparación con la versión de la gran pantalla. La icónica combinación de colores y los auténticos detalles del casco completan el diseño exterior. Como parte de la colección Ultimate Collector Series, este modelo también está repleto de funciones y detalles de diseño interior distintivos e incluye nuevas minifiguras LEGO® de Jango Fett™ y el joven Boba Fett™. En *El Ataque de los Clones*, vemos a padre e hijo hacer equipo para pilotear la nave espacial huyendo de Obi-Wan Kenobi™. El diseño del modelo te permite quitar y volver a poner la cubierta de la cabina para colocar a las dos minifiguras en su interior y recrear ese momento decisivo en el destino de los dos Fett.

***“Sujétate, entraremos al campo de asteroides. Le tengo reservadas un par de sorpresas”.***

– Jango Fett™

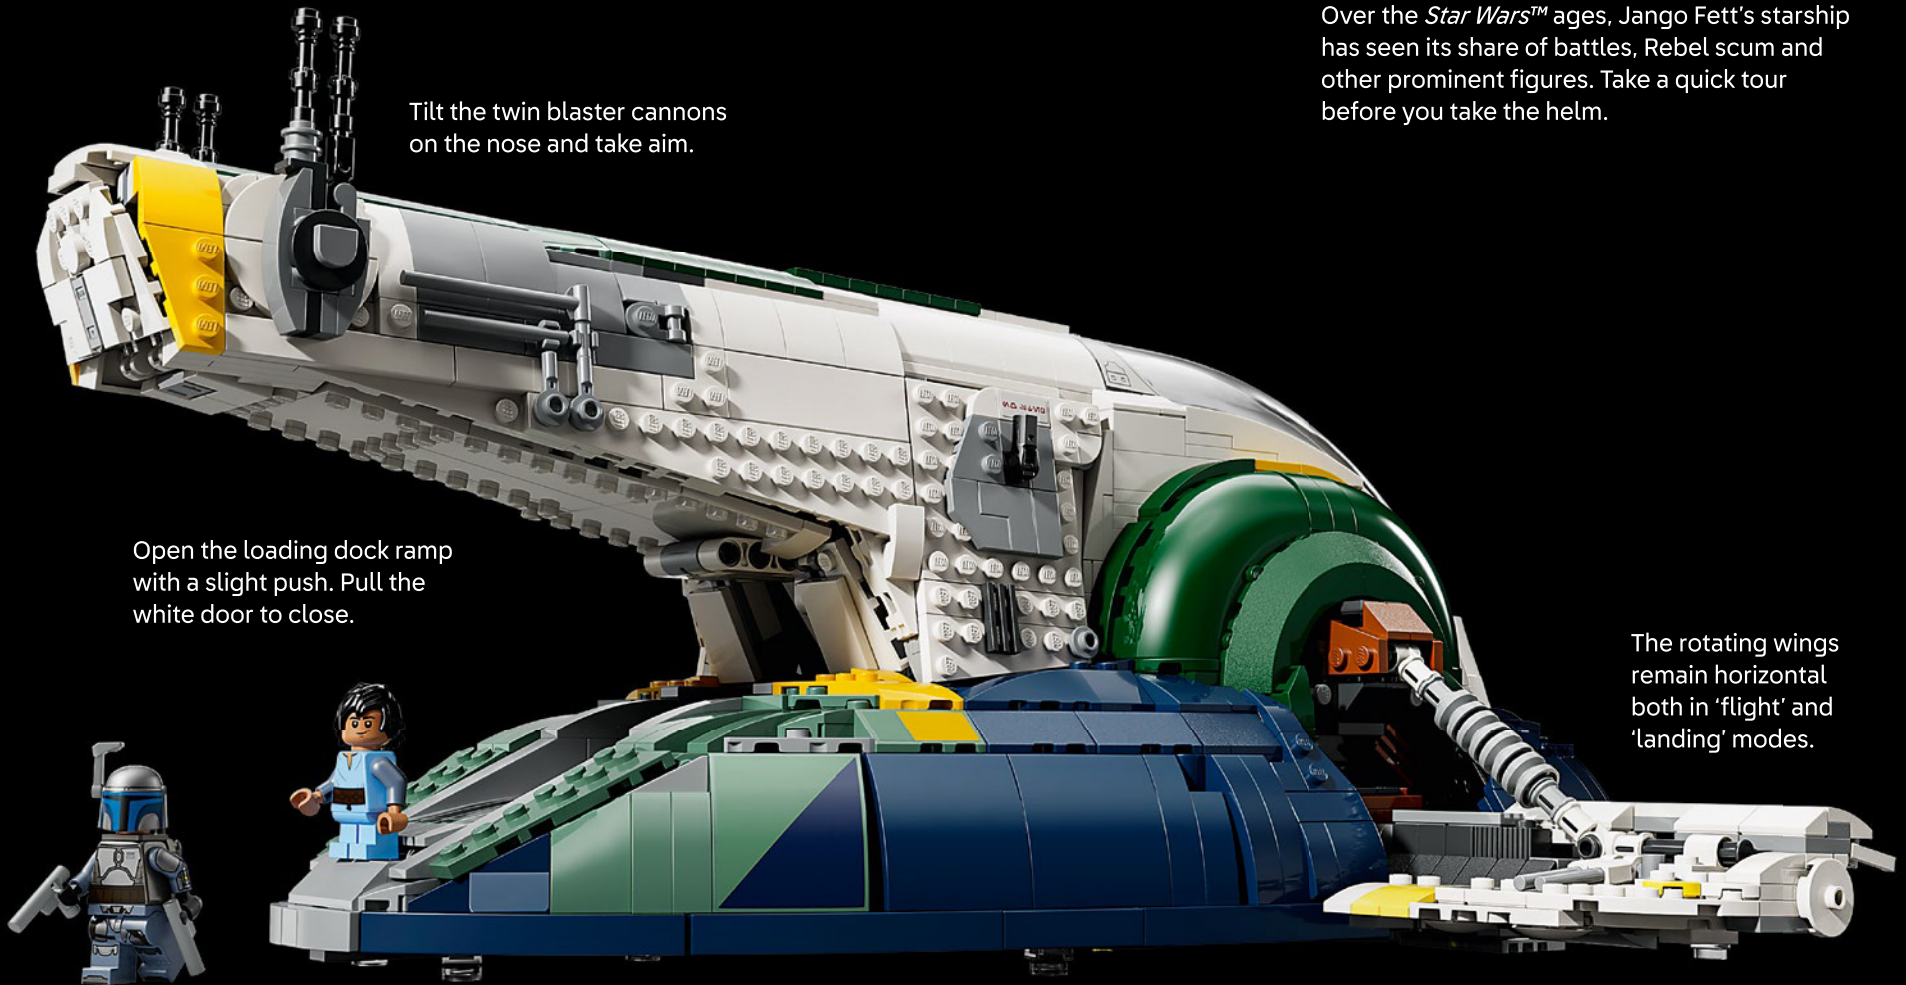

## GET ON BOARD

Over the *Star Wars*™ ages, Jango Fett's starship has seen its share of battles, Rebel scum and other prominent figures. Take a quick tour before you take the helm.

Tilt the twin blaster cannons on the nose and take aim.

Open the loading dock ramp with a slight push. Pull the white door to close.

The rotating wings remain horizontal both in 'flight' and 'landing' modes.

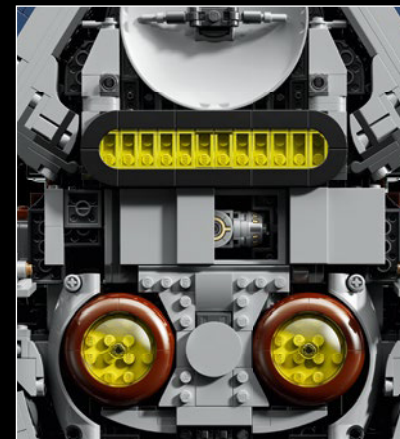

Remove the cockpit's upper deck to see the cockpit entrance and passenger seats.

Hurt in battle? Heal fast with the bacta tank behind Jango's jetpack.

The Oovo 4 sign above the cockpit hints to the origins of Jango's starship.

Move these doors to hide or 'release' the seismic charge.

## MONTEZ À BORD

Au fil des ères de *Star Wars*™, le vaisseau de Jango Fett™ a connu son lot de batailles, de racailles rebelles et d'autres personnages marquants. Prenez le temps d'en découvrir les rouages avant de prendre la barre.

Retirez le pont supérieur de la cabine de pilotage pour voir l'entrée de la cabine et les sièges des passagers.

Les ailes rotatives restent horizontales en mode « vol » et en mode « atterrissage ».

Déplacez ces portes pour cacher ou « libérer » la charge sismique.

Ouvrez la rampe du quai de chargement en la poussant légèrement. Tirez sur la porte blanche pour la fermer.

Inclinez les deux canons blasters sur le nez et visez.

Le panneau « Oovo 4 » au-dessus de la cabine indique les origines du vaisseau de Jango.

Une blessure au combat? Guérissez rapidement grâce au réservoir de bacta situé derrière le réacteur dorsal de Jango.

## SUBE A BORDO

Cada nueva época en la galaxia de *Star Wars*™ ha traído a la nave de Jango Fett™ una nueva ración de combates, escoria rebelde y personajes prominentes. Haz un rápido recorrido antes de tomar el timón.

Retira la cubierta superior de la cabina para contemplar su entrada y los asientos de los pasajeros.

Las alas giratorias permanecen horizontales tanto en modo de *vuelo* como en modo de *aterrizaje*.

Mueve estas puertas para ocultar o *liberar* la carga sísmica.

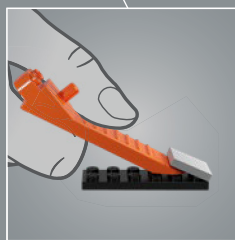

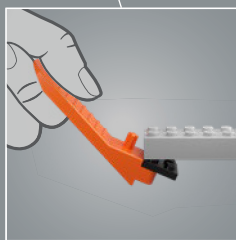

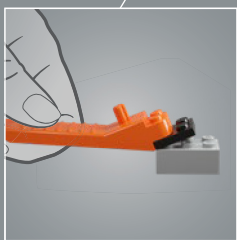

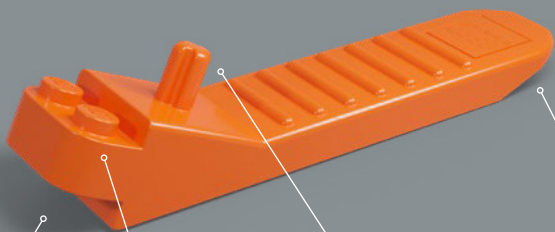

Abre la rampa del muelle de carga con una ligera presión. Jala la puerta blanca para cerrarla.

Inclina los cañones bláster dobles de la nariz y afina tu puntería.

La leyenda "OOVO 4" inscrita en la parte superior de la cabina revela el origen de la nave espacial de Jango.

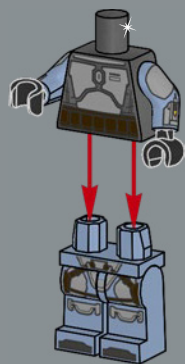

¿Herido en combate? Cúrate rápido con el tanque de bacta que hay detrás de la mochila propulsora de Jango.
