WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

LEGO® Builder

“You missed me?”

○ Around two years after Tony Stark unveiled his secret identity, he returns to the spotlight in signature style. His MARK IV suit steals the show at the Stark Expo. Iron Man is back! Never prone to modesty, Stark draws the attention of enemies old and new and becomes increasingly concerned about protecting his innovations – and his legacy.

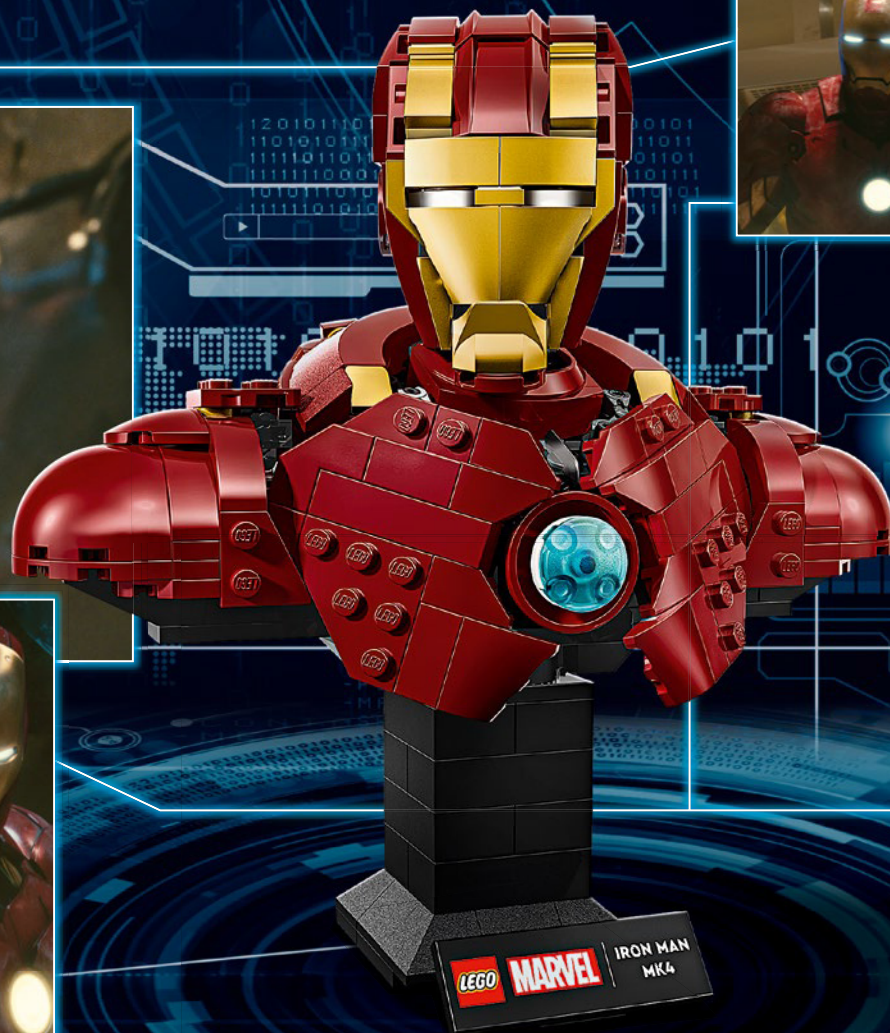

« Je vous ai manqué? »

△ Environ deux ans après que Tony Stark a dévoilé son identité secrète, il revient sous les projecteurs avec son élégance habituelle. Son armure MARK IV vole la vedette à la Stark Expo. Iron Man est de retour! Jamais enclin à la modestie, Stark attire l'attention d'ennemis anciens et nouveaux et devient de plus en plus soucieux de protéger ses innovations – et son héritage.

“¿Me extrañaron mucho?”

□ Unos dos años después de que Tony Stark revelara su identidad secreta, regresa al centro de atención al puro estilo que lo caracteriza. Su armadura MARK IV se roba todas las miradas en la Expo Stark. ¡Iron Man está de vuelta! Fiel a su costumbre de no ser modesto, Stark atrae la atención de enemigos, tanto viejos como nuevos, y empieza a preocuparse cada vez más por proteger sus innovaciones... y su legado.

“It’s not about me.”

Featured at the beginning of Marvel Studios’ *Iron Man 2* (2010), Stark’s latest crime-fighting armor showcases his evolution in the striking red and gold titanium-alloy design. While this LEGO® version does not support JARVIS integration, it features an array of details that capture the advanced combat design and flight capabilities of Iron Man’s legendary MARK IV suit.

« Il ne s’agit pas de moi. »

△ Présentée au début d’*Iron Man 2* (2010) de Marvel Studios, la dernière armure de lutte contre le crime de Stark montre son évolution grâce à une conception en alliage de titane rouge et or. Bien que cette version LEGO® ne prenne pas en charge l’intégration de JARVIS, elle comporte un grand nombre de détails qui illustrent la conception de combat avancée et les capacités de vol de la légendaire armure MARK IV d’Iron Man.

"No hablo de mí"

□ Apareciendo al inicio de la película de Marvel Studios *Iron Man 2* (2010), la más reciente armadura de Stark muestra su evolución con un impresionante diseño de aleación de titanio en rojo y dorado. Aunque esta versión LEGO® no cuenta con la integración de JARVIS, sí incluye una variedad de detalles que capturan el avanzado diseño para el combate y las capacidades de vuelo de la legendaria armadura MARK IV de Iron Man.

○ The retractable faceplate in the MARK IV is more advanced than in previous suits.

△ Le masque rétractable de la MARK IV est plus avancé que celui des armures précédentes.

□ La placa facial retráctil de la MARK IV es más avanzada que en las versiones anteriores.

○ Stark, with his suit and helmet, can withstand brute force attacks from both friends and foes.

△ Stark, son armure et son casque peuvent généralement résister à des attaques musclées tant de la part de ses amis que de ses ennemis.

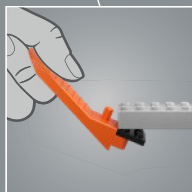

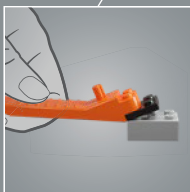

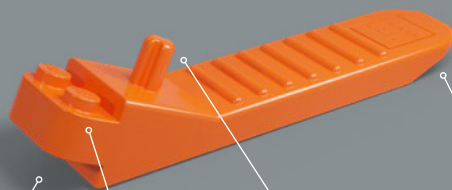

□ Stark, junto con su traje y casco, habitualmente puede resistir ataques de fuerza bruta, ya sea de amigos o enemigos.

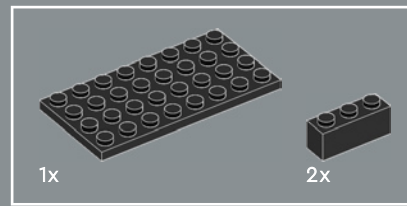

○ Like most of Tony Stark's inventions, much of the technology behind the MARK IV mask is a well-guarded secret.

△ Comme la plupart des inventions de Tony Stark, une grande partie de la technologie du masque MARK IV est un secret bien gardé.

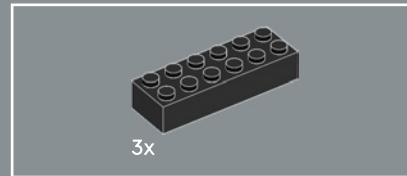

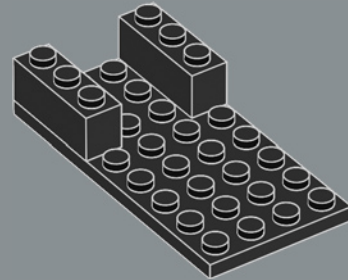

□ Como la mayoría de las invenciones de Tony Stark, gran parte de la tecnología detrás de la máscara de la MARK IV es un secreto bien guardado.
