Building the Big Skills Toddlers Need

We believe in big starts. Our big bricks are designed for little hands to master. When toddlers' creativity is set free, their opportunities to learn become endless. We call it Learning Through Play. And it inspires every LEGO® DUPLO® set. Based on thorough scientific research, each set helps young minds develop both IQ skills (cognitive, physical, creative) and EQ skills (social, emotional). Let all toddlers Start Off Big.

LEGO DUPLO sets are categorized into benefit territories that match toddlers' ages and developmental stages.

Développer les grandes compétences dont les tout-petits ont besoin

Nous croyons aux grands débuts. Nos grandes briques sont conçues pour être maîtrisées par les petites mains. Lorsque la créativité des tout-petits est libérée, leurs possibilités d'apprentissage deviennent infinies. C'est ce que nous appelons Apprendre par le jeu. Et c'est ce qui inspire chaque ensemble LEGO® DUPLO®. Basé sur des recherches scientifiques approfondies, chaque ensemble aide les jeunes esprits à développer à la fois les compétences QI (cognitives, physiques, créatives) et les compétences QE (sociales, émotionnelles). Permettez aux tout-petits de commencer en grand.

Les ensembles LEGO DUPLO sont classés en catégories d'avantages qui correspondent à l'âge et au stade de développement des tout-petits.

Desarrollamos las grandes habilidades que necesitan los peques

Creemos en los grandes comienzos. Nuestros bricks más grandes están diseñados para que una manita pueda manejarlos con facilidad. Cuando la creatividad de los niños pequeños fluye libremente, las oportunidades de aprender se vuelven infinitas. A eso lo llamamos "aprendizaje a través del juego", y es la fuente que inspira cada set LEGO® DUPLO®. Basados en rigurosos estudios científicos, estos sets contribuyen al desarrollo del coeficiente intelectual (CI, resultante de las habilidades cognitivas, físicas y creativas) y el coeficiente emocional (CE, que depende de las habilidades sociales y emocionales) de las mentes más jóvenes. Ofrecemos un gran comienzo a todos los niños y niñas.

Los sets LEGO DUPLO se clasifican en campos de aprovechamiento acordes con las edades y etapas de desarrollo de los niños en edad preescolar.

**PLAY
TOGETHER**

LEGO® DUPLO® sets in the purple territory are designed to help toddlers practice playing together and solving problems. When included in social play, activities like matching and sorting, making comparisons, counting and recreating can help toddlers practice communication and taking turns. Offering instructions and guidance when you play along with them can create a safe environment to develop their social skills.

**JOUER
ENSEMBLE**

Les ensembles LEGO® DUPLO® de la catégorie violette sont conçus pour aider les tout-petits à se familiariser au jeu collectif et à la résolution de problèmes. Lorsqu'elles sont incluses dans le jeu social, les activités telles que l'appariement et le tri, les comparaisons, le comptage et l'imitation peuvent aider les tout-petits à apprendre à communiquer et à jouer à tour de rôle. En leur offrant des instructions et des conseils lorsque vous jouez avec eux, vous créez un environnement sûr qui leur permet de développer leurs compétences sociales.

**JUEGA EN
COMPAÑÍA**

Los sets LEGO® DUPLO® del campo morado están diseñados para ayudar a los niños pequeños a practicar el juego en compañía y la resolución de problemas. Cuando se incluyen en el juego social actividades como emparejar, clasificar, hacer comparaciones, contar o recrear, los niños pequeños pueden ejercitar la comunicación y la toma de turnos. Ofreciéndoles instrucciones y orientación mientras jugamos con ellos, podemos generar un entorno seguro para el desarrollo de sus habilidades sociales.
