MATT GROENING

71006
The Simpsons™ House

71016
The Kwik-E-Mart

HEY! HEY!

The 71006 LEGO® *The Simpsons*™ House was released in 2014 and, in 2015, the iconic Springfield home was followed by 71016 The Kwik-E-Mart. Both sets captured scenes and accessories true to the show, with vibrant interiors and Easter eggs. These sets offered fans a chance to build and relive classic moments from Springfield's most famous locales. The Krusty Burger restaurant is the latest iconic location from the series to be released in LEGO brick form.

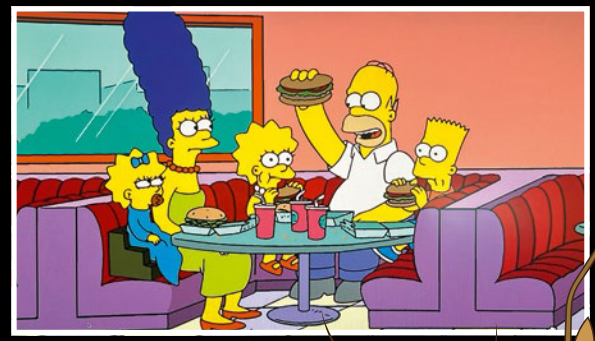
MADE FROM 100% WHEAT-FED BARLEY

Krusty the Clown has a knack for seeing opportunities where others see potential for disaster. In the episode *Coming to Homerica*, Krusty learns from his agent that the hamburgers sold at Krusty's restaurant chain are the unhealthiest fast food items in the world. Krusty develops a vegetable burger for the menu, and before long, people throughout Springfield are lining up for a taste of the healthy meal. Unfortunately, this leads to an outbreak of food poisoning.

KRUSTY BURGER

KRUSTY BURGER

MOTHER NATURE
BURGER



FROM THE LEGO® ICONS DESIGN TEAM

Our LEGO® design team pulled references from many of *The Simpsons* episodes to create this Krusty Burger set. We combined some of the restaurant's best-known features, and the result is a strikingly detailed LEGO version of this greasy burger joint, filled with a myriad of popular moments from the show.

CREATIVITY ON THE MENU

Krusty's quirky visage appears everywhere throughout the model, most prominently in the buildable entrance sign. For the first time, Officer Lou, Squeaky Voiced Teen and Bart's nemesis, Sideshow Bob, appear as LEGO® minifigures, just as fan favourites Homer, Bart, Lisa and Krusty are making a long-awaited comeback. Homer can order his twelve Mother Nature Burgers from the drive-through in his clown-camouflaged car. All while Squeaky Voiced Teen struggles to keep up with the deep fryer, the grill and keeping the bathroom clean.
