IDEAS

LEGO® Ideas fan designer, Teddy Young.

MEET TEDDY YOUNG

LEGO® Ideas Grand Prize Winner

Fan designer Teddy (LEGO® Ideas name EnchantingNoodle) from the United Kingdom sent LEGO fans over the moon (and back) with this model in the 2024 *Exploring the Cosmos* challenge:

"LEGO building has always been a part of my life. I joined LEGO Ideas because seeing other people's designs, the challenges and the activities, are great sources of

inspiration. For this model, I was inspired by the retro-futuristic aesthetic of what visions of the 'far future' were like in the past. The lunar surface gave the moon car its name, but in keeping with the retro design, I thought a lamppost would add fun to the display. Winning feels unbelievable, there were so many other great designs! Thanks to all who supported the idea! The fact that other people can now enjoy it too is really amazing."
