IDEASⁱ

MEET TEDDY YOUNG

LEGO® Ideas Grand Prize Winner

Fan designer Teddy (LEGO® Ideas name EnchantingNoodle) from The United Kingdom sent LEGO fans over the moon (and back) with this model in the 2024 *Exploring the Cosmos* challenge:

"LEGO building has always been a part of my life. I joined LEGO Ideas because seeing other people's designs, the challenges and the activities, are great sources of inspiration. For this model,

I was inspired by the retro-futuristic aesthetic of what visions of the 'far future' were like in the past. The lunar surface gave the moon car its name, but in keeping with the retro design, I thought a lamppost would add fun to the display. Winning feels unbelievable, there were so many other great designs! Thanks to all who supported the idea! The fact that other people can now enjoy it too, is really amazing."

LEGO® Ideas fan designer, Teddy Young.

RENCONTREZ TEDDY YOUNG

Gagnant du premier prix LEGO® Ideas

Le concepteur amateur Teddy (pseudonyme LEGO® Ideas : EnchantingNoodle) du Royaume-Uni a décroché la lune pour les amateurs de LEGO en créant ce modèle dans le cadre du défi de 2024 *Exploring the Cosmos* (Explorer le cosmos) :

« La construction LEGO a toujours fait partie de ma vie. J'ai rejoint LEGO Ideas parce que les créations des autres, les défis et les activités sont de grandes sources d'inspiration. Pour ce modèle, je me suis

inspiré de l'esthétique rétro-futuriste des visions du "futur lointain" du passé. La surface lunaire a donné son nom à la voiture lunaire, mais en accord avec le style rétro, j'ai pensé qu'un lampadaire ajouterait une touche amusante au modèle. J'ai du mal à croire que j'ai gagné, car il y avait tellement d'autres modèles extraordinaires! Merci à tous ceux qui ont soutenu l'idée! Le fait que d'autres personnes puissent maintenant en profiter est vraiment incroyable. »

Teddy Young, concepteur amateur LEGO® Ideas.

CONOCE A TEDDY YOUNG

Ganador del Gran Premio de LEGO® Ideas

El fan diseñador Teddy (conocido en LEGO® Ideas como EnchantingNoodle), originario del Reino Unido, fascinó a los fans de LEGO con este modelo en el desafío de 2024 *Exploring the Cosmos*:

"Construir con LEGO siempre ha formado parte de mi vida. Me uní a LEGO Ideas porque ver los diseños de otras personas y participar en los desafíos y las actividades de la plataforma son fuentes de inspiración maravillosas para mí. Para este modelo, me inspiré en la estética

retrofuturista de las visiones de lo que en el pasado se consideraba el futuro lejano. La superficie de la Luna fue lo que dio nombre al Auto Lunar Flotante. Pero, siguiendo con la línea del diseño retro, pensé que un farol aportaría un toque divertido a la exhibición. Estoy muy satisfecho de haber ganado, ¡porque había muchos otros diseños geniales! Quiero agradecer a todos los que apoyaron la idea. El hecho de que otras personas también puedan disfrutarla ahora es asombroso".

Teddy Young, fan diseñador de LEGO® Ideas.

WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

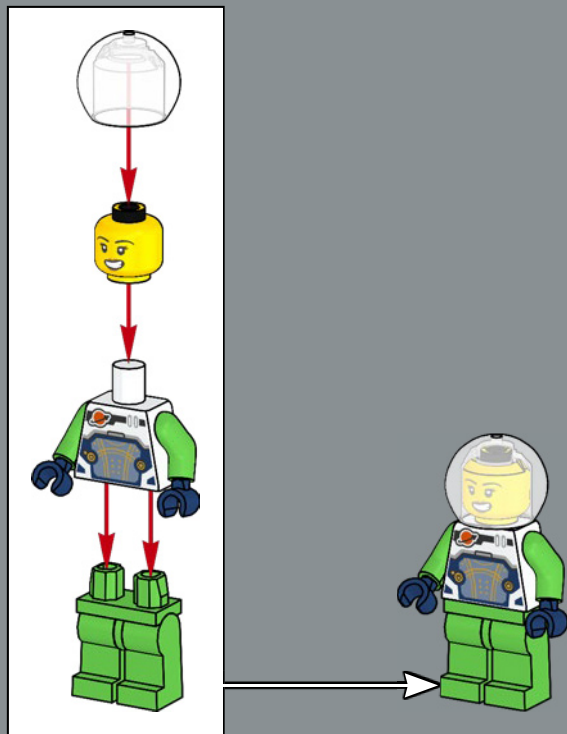

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

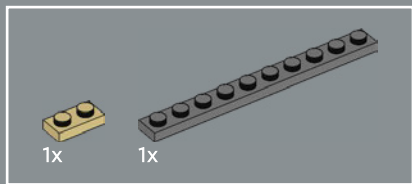

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

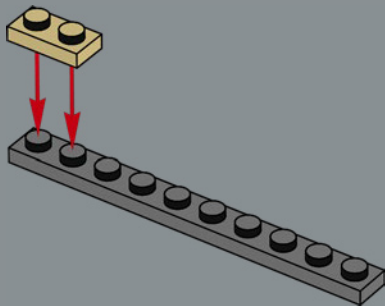

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.
