WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

HIBISCUS

Hibiscus flowers of any color always brighten any space, whether indoors or in gardens. Even more so when you find the unique and luxurious lavender-colored variations. If you are gifted a purple hibiscus, it can symbolize a wish for growth and transformation – or simply offer a delicate touch of color to your home. As part of the LEGO® Botanicals collection, this potted, single-stem specimen combines a range of these regal blossoms into one. With varying hues of pink and purple, it even mimics different life stages of the characteristic buds, petals and leaves.

L'HIBISCUS

Les fleurs d'hibiscus, quelle que soit leur couleur, ne manquent jamais d'illuminer un espace, qu'il s'agisse d'un intérieur ou d'un jardin. C'est encore plus vrai pour les variétés uniques et luxueuses de couleur lavande. Si vous recevez un hibiscus violet, il peut symboliser un souhait de croissance et de transformation, ou simplement apporter une délicate touche de couleur à votre maison. Appartenant à la collection LEGO® Botanicals, ce spécimen en pot à tige unique combine toute une gamme de ces fleurs majestueuses en une seule plante. Avec des teintes variées de rose et de violet, il imite même les différents stades de vie des bourgeons, des pétales et des feuilles caractéristiques.

HIBISCO

Independientemente de su color, las flores de hibisco llenan de alegría cualquier espacio, tanto en interiores como en jardines. Más aún cuando encuentras esas exclusivas y lujosas variedades en tonos lavanda. El acto de regalar un hibisco morado puede simbolizar un deseo de crecimiento y transformación, aunque es posible que, si lo recibes, solo quieran darle una pincelada de color a tu hogar. Como parte de la colección LEGO® Botanicals, este ejemplar de tallo único en maceta combina varias de estas majestuosas flores en una sola pieza. Con distintos tonos de rosa y morado, incluso simula las diferentes etapas de vida de los característicos brotes, pétalos y hojas.
