Ginkgo biloba

GINKGO

Giving or receiving a ginkgo bonsai tree traditionally symbolises endurance and resilience. Tracing back millions of years, this ancient beauty can grow up to 40 m (130 ft.) high in nature, with the smaller versions reaching 60-90 cm (23-35 in.) high. A stoic reminder of nature's delicate forces, it looks particularly stunning in the autumn when its foliage casts a radiant, golden light on its surroundings.
