WELCOME TO ARKHAM ASYLUM™

In 1921, in the wake of the tragic loss of his family, Dr. Amadeus Arkham had a noble vision: to turn his ancestral home into a haven for the mentally ill. Over time, due to a series of... unfortunate incidents, the asylum became the only place equipped to contain the most infamous villains of Gotham City™ and a breeding ground for their relentless obsessions. The shadow of Arkham Asylum looms heavily over the city. Though many of its patients only have themselves to blame for their twisted fates, a select few harbour bitter grudges as they scheme endlessly to unleash vengeance upon their greatest adversary: Batman™.

FROM THE LEGO® DESIGN TEAM

This modular LEGO® version of the notorious Arkham Asylum is filled to the brim with details and a swarm of Gotham City villains plotting elaborate escapes. We worked closely with the DC team to ensure authenticity throughout the building and stickers. To recreate the crumbling gothic hospital, we added 'damage' and different architectural styles to show years of repairs and new extensions. It is the first LEGO DC Batman™ set that is compatible with other LEGO Modular Buildings, so you can combine it with models you may already have or start a collection. The model is built in three sections: ground floor, middle floor and roof, so you can even invite your favourite partners in crime (or crime fighting) to build along with you.

BATMAN™ ROBIN™ THE DUO &

The Dark Knight and his faithful protégé serve as guardians of justice in Gotham City. Where young Damian Wayne is eager to act, Bruce Wayne often considers intel and strategic implications before executing a plan. Fuelled by their shared drive and determination, their fingers are always on the pulse of the city's underbelly. Using their sharp wit, clever alliances and cool gadgets, they bring order where chaos strikes.
