WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

WELCOME TO ARKHAM ASYLUM™

In 1921, in the wake of the tragic loss of his family, Dr. Amadeus Arkham had the noble vision to turn his ancestral home into a haven for the mentally ill. Over time, due to a series of... unfortunate incidents, the asylum became the only place equipped to contain the most infamous villains of Gotham City™ and a breeding ground for their relentless obsessions. The shadow of Arkham Asylum looms heavily in the city. Though many of its residents only have themselves to blame for their twisted fates, a select few harbor bitter grudges as they scheme endlessly to unleash vengeance upon their greatest adversary: Batman™.

BIENVENUE À L'ASILE D'ARKHAM

En 1921, suite à la perte tragique de sa famille, le Dr Amadeus Arkham a la noble ambition de transformer sa demeure ancestrale en un havre de paix pour les personnes atteintes de troubles mentaux. Au fil du temps, suite à une série d'incidents malheureux, l'asile devient le seul endroit outillé pour contenir les méchants les plus infâmes de Gotham City™, et un terrain propice à leurs obsessions implacables. L'ombre de l'asile d'Arkham plane lourdement sur la ville. Bien que nombre de ses résidents soient entièrement responsables de leurs funestes destins, certains d'entre eux nourrissent d'amères rancunes et complotent sans relâche pour se venger de leur plus grand adversaire : Batman™.

TE DAMOS LA BIENVENIDA A ARKHAM ASYLUM™

En 1921, luego de perder trágicamente a su familia, el Dr. Amadeus Arkham tuvo la noble visión de convertir la mansión de sus antepasados en un refugio para enfermos mentales. Con el tiempo, debido a una serie de... desafortunados incidentes, el manicomio se convirtió en el único lugar equipado para contener a los villanos más viles de Gotham City™ y en un caldo de cultivo para sus implacables obsesiones. La sombra de Arkham Asylum se cierne sobre la ciudad. Aunque muchos de sus residentes solo pueden culparse a sí mismos de sus retorcidos destinos, unos pocos elegidos guardan un profundo resentimiento que los lleva a urdir incansablemente una manera de cobrar venganza de su mayor adversario: Batman™.

FROM THE LEGO® DESIGN TEAM

This modular LEGO® version of the notorious Arkham Asylum is filled to the brim with details and a swarm of Gotham City villains plotting elaborate escapes. We worked closely with the DC team to ensure authenticity throughout the building and stickers. To recreate the crumbling gothic hospital, we added 'damage' and different architectural styles to show years of repairs and new extensions. It is the first LEGO DC Batman™ set that is compatible with other LEGO Modular Buildings, so you can combine it with models you may already have or start a collection. The model is built in three sections: ground floor, middle floor and roof, so you can even invite your favorite partners in crime (or crime fighting) to build along.

UN MOT DE L'ÉQUIPE DE CONCEPTION LEGO®

Cette version LEGO® modulaire du célèbre asile d'Arkham regorge de détails et abrite une nuée de méchants de Gotham City qui préparent des évasions élaborées. Nous avons travaillé en étroite collaboration avec l'équipe de DC pour garantir l'authenticité du bâtiment et des autocollants. En recréant l'hôpital gothique en ruine, nous avons ajouté des « dégâts » et différents styles architecturaux pour montrer les réparations et les nouvelles extensions réalisées au fil des années. C'est le premier ensemble LEGO DC Batman™ compatible avec d'autres bâtiments modulaire LEGO. Vous pouvez donc le combiner avec des modèles que vous possédez peut-être déjà ou commencer une collection. Le modèle est construit en trois sections : le rez-de-chaussée, l'étage intermédiaire et le toit. Ainsi, vous pouvez même inviter vos complices préférés à construire avec vous.

IMPRESIONES DEL EQUIPO DE DISEÑO DE LEGO®

Esta versión modular LEGO® del tristemente célebre Arkham Asylum está repleta de detalles y de un enjambre de villanos de Gotham City ideando elaborados planes para escapar. Trabajamos en estrecha colaboración con el equipo de DC para garantizar la autenticidad de todo el edificio y las calcomanías. Para recrear el ruinoso hospital gótico, le agregamos *daños* y diferentes estilos arquitectónicos como vestigios de años de reparaciones y ampliaciones. Es el primer set LEGO DC Batman™ compatible con otros modelos de la serie LEGO Modular Buildings, por lo que puedes combinarlo con los que ya tengas o iniciar una colección. El modelo se construye en tres secciones: planta baja, planta intermedia y techo, lo que incluso te permite invitar a tus socios favoritos en el crimen (o en el combate de este) a que se unan a la construcción.
