WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

Q LEGO® Builder

THE WONDERS (AND SECRETS) OF HOGSMEADE™

Founded more than 1,000 years ago, Hogsmeade™ is a truly picturesque all-wizarding village located near Hogwarts™ Castle. Here, students arrive via the Hogwarts Express™ at the start of the school year. From their third year onward, they are allowed to visit the village, shop for essentials like Remembralls or Dungbombs and enjoy a glass of warm, foamy Butterbeer™.

LES MERVEILLES (ET LES SECRETS) DE PRÉ-AU-LARD

Fondé il y a plus de 1000 ans, Pré-au-Lard est un village vraiment pittoresque situé près du château de Poudlard. C'est là que les élèves arrivent à bord du Poudlard Express au début de l'année scolaire. À partir de leur troisième année, ils sont autorisés à visiter le village, à faire des achats de produits essentiels comme les Rapeltouts ou les Bombabouses et à déguster un verre de Bièraubeurre chaude et mousseuse.

LAS MARAVILLAS (Y LOS SECRETOS) DE HOGSMEADE™

Fundada hace más de 1000 años, Hogsmeade™ es una aldea tan mágica como pintoresca ubicada a poca distancia del Castillo de Hogwarts™. Aquí llegan los estudiantes en el Expreso de Hogwarts al inicio de cada año escolar. A partir de su tercer año, se les permite visitar la aldea, comprar artículos esenciales como recordadores o bombas fétidas y disfrutar de un vaso de caliente y espumosa cerveza de mantequilla.

BUILDABLE LEGO® COLLECTIBLES

Hogsmeade™ has appeared in only two other LEGO® sets so far: 76388 Hogsmeade Village Visit (2021, Honeydukes™ and The Three Broomsticks™) and 76418 Advent Calendar (2023, accessories and memorabilia). With many more details and stories to tell, this set represents the magical village in a captivating Collector's Edition version.

DES OBJETS DE COLLECTION LEGO® À CONSTRUIRE

Pré-au-Lard n'est apparu que dans deux autres ensembles LEGO® jusqu'à présent : 76388 La visite du village de Pré-au-Lard (2021, Honeydukes™ et Les Trois Balais) et 76418 Le calendrier de l'Avent (2023, accessoires et souvenirs). Riche de nombreux autres détails et histoires à raconter, cet ensemble représente le village magique dans une version Édition de collection captivante.

COLECCIONABLES LEGO® PARA CONSTRUIR

Hogsmeade™ ha aparecido en solo otros dos sets LEGO® hasta ahora: Visita a la Aldea de Hogsmeade (76388), lanzado en 2021, que incluía la tienda de golosinas Honeydukes™ y la taberna Las Tres Escobas, y Calendario de Adviento (76418), lanzado en 2023, acompañado de accesorios y recuerdos. Con muchos más detalles e historias que contar, este set representa la mágica aldea en una cautivadora edición para coleccionistas.

REVELIO!

Built in three sections, this set is full of fun (and a few scary) magical details, wonky windows, snow-dusted rooftops and crooked chimneys. Connected by cobblestone pathways, it's fully compatible with other LEGO® Harry Potter™ Modular Buildings. All doors open, so you can follow the LEGO minifigure characters, or maybe the floating lollipop, and explore the famous shops and inns.

REVELIO!

Construit en trois sections, cet ensemble est rempli de détails magiques amusants (et un peu effrayants), de fenêtres tordues, de toits couverts de neige et de cheminées crochues. Relié par des chemins pavés, il est entièrement compatible avec les autres bâtiments modulaires LEGO® Harry Potter™. Toutes les portes s'ouvrent pour permettre de suivre les personnages en figurine LEGO (ou peut-être le suçon flottant) et d'explorer les célèbres boutiques et auberges.

¡REVELIO!

Construido en tres secciones, este set está lleno de detalles mágicos y divertidos (si bien también hay algunos aterradores), ventanas disparejas, techos cubiertos de nieve y chimeneas retorcidas. Conectado por caminos adoquinados, es totalmente compatible con otros edificios modulares LEGO® Harry Potter™. Todas las puertas se abren para que puedas seguir a los personajes en formato de minifigura LEGO, o tal vez a la paleta flotante, y explorar las famosas tiendas y posadas.

NO PERMISSION SLIP NEEDED

An exciting challenge for us was recreating the frosty appearance of the snow-covered buildings while ensuring the interiors felt warm and cozy. (Except for The Hog's Head™, which is always cold and dark!) Translating the skewed angles and complex architecture of Hogsmeade™ into LEGO® bricks inspired innovative new building techniques, and the final scene looks truly magical!

- The LEGO® Harry Potter™ Design Team

PAS BESOIN D'AUTORISATION

Un défi passionnant pour nous a été de recréer l'aspect givré des bâtiments couverts de neige tout en veillant à ce que les intérieurs soient chaleureux et douillet. (Sauf pour La Tête de Sanglier, qui est toujours froide et sombre!) Traduire les angles obliques et l'architecture complexe de Pré-au-Lard en briques LEGO® a inspiré de nouvelles techniques de construction innovantes, et la scène finale a l'air vraiment magique!

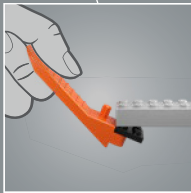

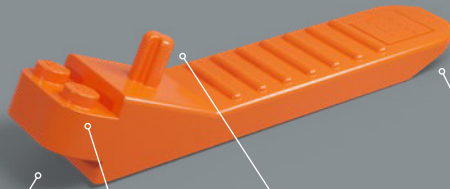

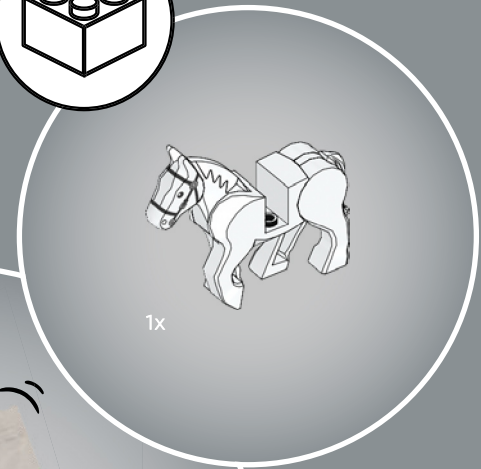

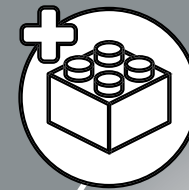

- L'équipe de conception de LEGO® Harry Potter™

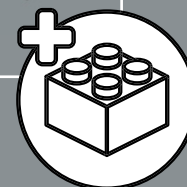

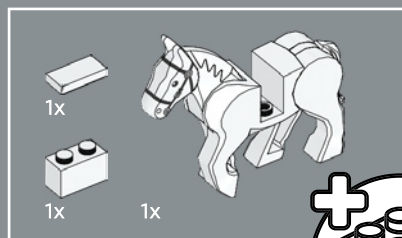

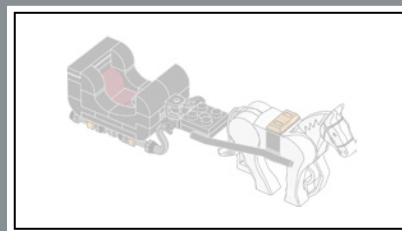

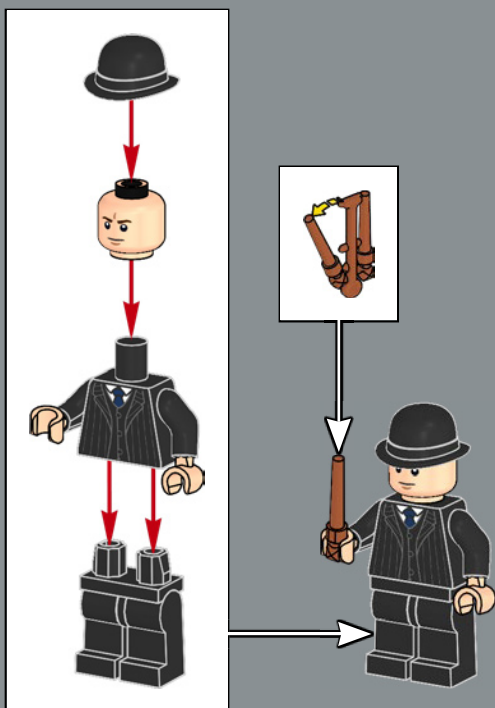

NO SE NECESITA PERMISO

Para nosotros, uno de los desafíos más apasionantes fue recrear el helado aspecto de los edificios cubiertos de nieve, asegurándonos al mismo tiempo de que los interiores fueran cálidos y acogedores. (Excepto por el del pub Cabeza de Puerco, ¡que siempre está frío y oscuro!). Traducir los ángulos sesgados y la compleja arquitectura de Hogsmeade™ al lenguaje de los bricks LEGO® inspiró nuevas e innovadoras técnicas de construcción, ¡y la escena final parece verdaderamente mágica!

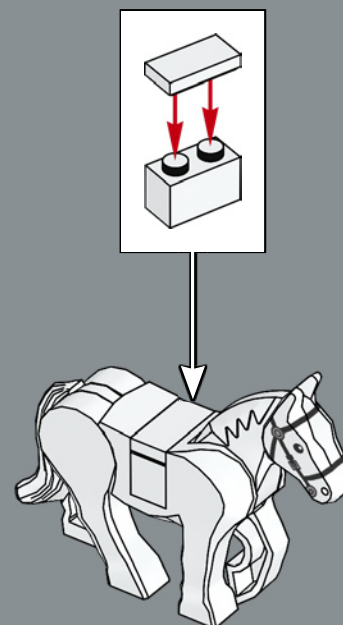

- El equipo de diseño de LEGO® Harry Potter™
