WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

AHOY, ALL PIRATES! OHÉ, LES PIRATES! ¡AL ABORDAJE, PIRATAS!

The moment Captain Jack Sparrow steps off his sinking ship onto the docks of Port Royal, we know we're in for a pirate adventure out of the ordinary. Disney's *Pirates of the Caribbean™*: *The Curse of the Black Pearl* (2003) revived a classic genre with all the ingredients of a fantastic pirate tale. It has a hidden, cursed treasure, fleets of daunting ships, mythical sea creatures and epic battles between the 'proper' establishment and wanted outlaws. More than two decades later, the story continues to captivate us with unexpected twists at every turn.

Dès que le capitaine Jack Sparrow descend de son navire en perdition sur les quais de Port Royal, nous savons que nous allons vivre une aventure de pirates hors du commun. *Pirates des Caraïbes : La malédiction de la perle noire* (2003) de Disney a relancé un genre classique avec tous les ingrédients d'un conte de pirates fantastique. On y retrouve un trésor caché et maudit, des flottes de navires redoutables, des créatures marines mythiques et des batailles épiques entre l'ordre établi et les hors-la-loi recherchés. Plus de vingt ans plus tard, cette histoire continue de nous captiver avec des rebondissements inattendus à chaque tournant.

El momento en el que el Capitán Jack Sparrow da un paso al muelle de Port Royal desde la única parte aún a flote de su embarcación nos confirma que estamos a punto de presenciar una aventura de piratas que rompe todos los esquemas. La cinta Disney *Piratas del Caribe: La maldición del Perla Negra* (2003) revivió un género clásico con todos los ingredientes que necesita un relato de piratas para ser sensacional: un tesoro oculto y maldito, flotas de barcos temibles, míticas criaturas marinas y épicas batallas entre la clase dirigente y los forajidos más buscados, por mencionar solo algunos. Más de dos décadas después, la historia sigue cautivándonos con giros inesperados a cada paso.

VERY FAST, NIGH UNCATCHABLE TRÈS RAPIDE, PRESQUE INEXPUGNABLE MUY VELOZ, CASI INALCANZABLE

To reunite with his legendary pirate ship and claim the coveted treasure, the charming and charismatic Captain Jack Sparrow embarks on a whirlwind pursuit across the Caribbean Sea – and beyond. Along the way, he teams up with an endearingly hapless band of bandits, fighting off enemies of mortal and unnatural nature, with a little help from unlikely heroes and newfound allies.

Pour retrouver son légendaire navire pirate et mettre la main sur un trésor convoité, le charmant et charismatique capitaine Jack Sparrow se lance dans une course effrénée à travers la mer des Caraïbes – et au-delà. En chemin, il s'allie à une bande de bandits aussi maladroits qu'attachants, affrontant des ennemis mortels et surnaturels avec l'aide de héros improbables et de nouveaux alliés.

Para reunirse con su legendario barco pirata y reclamar para sí el codiciado tesoro, el encantador y carismático Capitán Jack Sparrow se embarca en una frenética búsqueda por el mar Caribe... y más allá. Por el camino, hace equipo con una entrañable banda de desventurados malhechores para enfrentarse a enemigos de naturaleza mortal y sobrenatural, con un poco de ayuda de héroes inesperados y nuevos aliados.

"This is the day you will always remember as the day you almost caught Captain Jack Sparrow."
– Captain Jack Sparrow

« Vous vous rappellerez toujours cette journée comme celle où vous avez failli capturer le capitaine Jack Sparrow. »
– Capitaine Jack Sparrow

"Recordarán esto como el día que, por poco, arrestan al Capitán Jack Sparrow".
– Capitán Jack Sparrow

LET GO, AND HAUL TO RUN FREE PRÉPAREZ-VOUS À METTRE LES VOILES LEVA EL ANCLA Y SUBE LAS VELAS

Adventure and boundless treasure await all who sign on to sail under the command of rivaling captains Barbossa and Jack Sparrow. As a vessel of unmatched speed, the most infamous pirate ship in the Caribbean roams the seas, cursed and shrouded in legend. She sails from the elusive Isla de Muerta to exotic ports, coves and horizons beyond the edges of maps, where mythical monsters dwell. With wind filling her tattered black sails, she and her motley crew of miscreants weather countless battles, mutinies and raids on their voyages.

L'aventure et les trésors inestimables attendent tous ceux qui osent naviguer sous les ordres des capitaines rivaux Barbossa et Jack Sparrow. Vaisseau à la vitesse inégalée, le bateau pirate le plus célèbre des Caraïbes sillonne les mers, maudit et nimbé de légendes. Il vogue depuis l'intraversable Isla de Muerta jusqu'à des ports et criques exotiques, explorant des horizons au-delà des cartes connues, où rôdent des monstres mythiques. Le navire aux voiles noires en lambeaux et son équipage hétéroclite de mécréants bravent d'innombrables batailles, mutineries et pillages au cours de leurs voyages.

Aventuras y tesoros sin límites es lo que les espera a todos los que se enrolen para navegar bajo el mando de los capitanes rivales Barbossa y Jack Sparrow. Un navío de velocidad inigualable, el barco pirata más conocido del Caribe surca los mares azotado por una maldición y envuelto en leyendas. Navega desde la esquiva isla de la Muerte hasta puertos exóticos, ensenadas y horizontes más allá de los bordes de los mapas, donde residen bestias mitológicas. Con el viento llenando sus andrajosas velas negras, el barco y su variopinta tripulación de malhechores superan innumerables batallas, motines y asaltos en sus viajes.

FROM THE LEGO® ICONS DESIGN TEAM

Using images of props, scale models and sound stages from the movie production, we recreated a 'roughly' minifigure-scale model of Captain Jack Sparrow's legendary ship, in a classic LEGO® pirate ship-building experience. Displayed on a slim stand, it celebrates the streamlined shapes of an 18th-century tall ship hull, along with detailed masts, fabric sails and rigging, and an intricately detailed interior. We even implemented a function to deploy the cannons (all 16 of them!) by turning knobs on the port and starboard sides of the stern. Let's get you ready to board! (NB: Life jackets not included.)

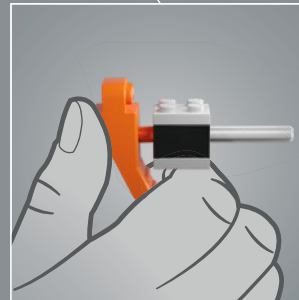

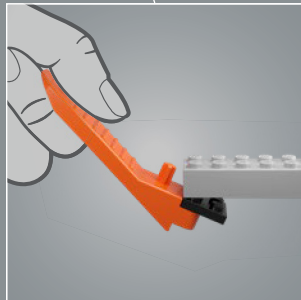

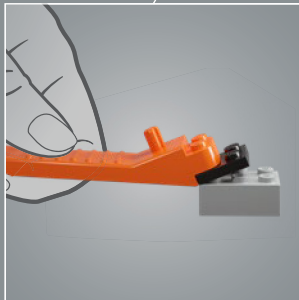

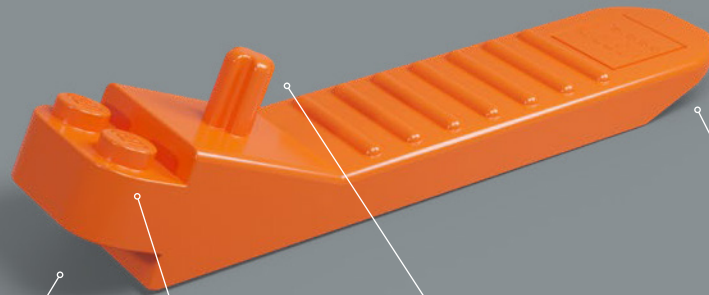

UN MOT DE L'ÉQUIPE DE CONCEPTION LEGO® ICONS

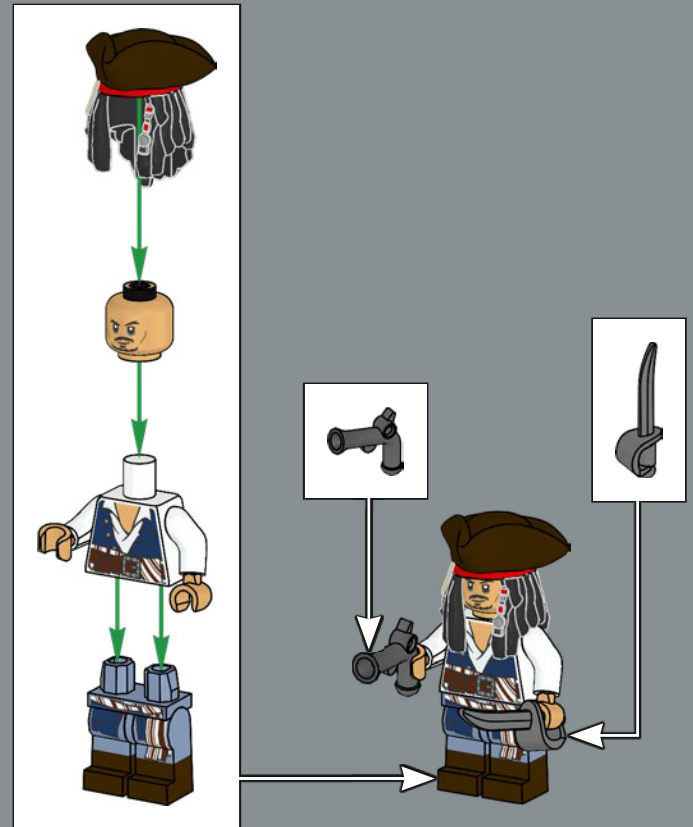

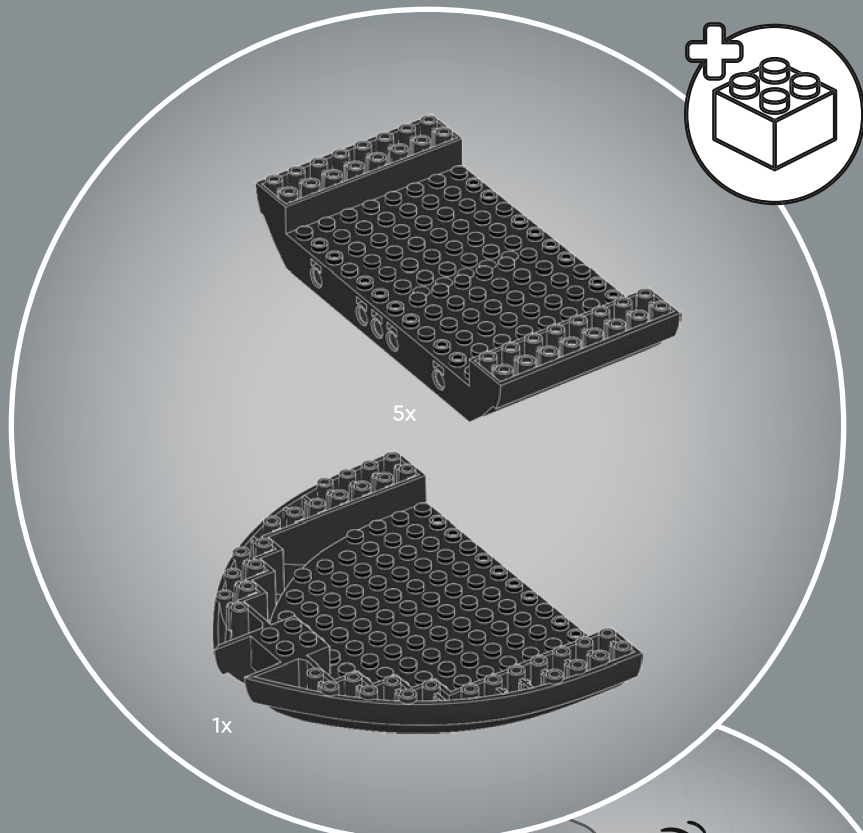

À l'aide d'images d'accessoires, de maquettes et de plateaux de tournage du film, nous avons recréé une version à l'échelle de figurines LEGO® du légendaire navire du capitaine Jack Sparrow, dans une expérience classique de construction de bateau pirate LEGO®. Exposé sur un support mince, ce modèle met en valeur les formes élégantes d'une coque de grand voilier du XVIII^e siècle, avec des mâts détaillés, des voiles en tissu, un gréement complexe et un intérieur richement décoré. Nous avons même ajouté une fonctionnalité permettant de déployer les canons (tous les 16!) en tournant les boutons situés à bâbord et à tribord de la poupe. Préparez-vous à embarquer! (NB : Les gilets de sauvetage ne sont pas inclus.)

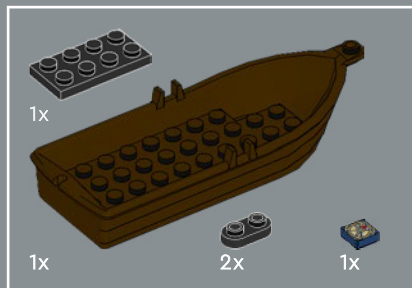

IMPRESIONES DEL EQUIPO DE DISEÑO DE LEGO® ICONS

Usando imágenes de elementos de utilería, modelos y escenarios de la producción de la película, recreamos más o menos a escala de minifigura el legendario barco del Capitán Jack Sparrow, y el resultado es una clásica experiencia de construcción de barcos piratas LEGO®. Con elaborados mástiles, velas de tela y aparejos, así como un espacio interior lleno de detalles, el modelo celebra la gloria y las fluidas líneas de los galeones del siglo XVIII exhibido sobre su estilizada base. Incluso implementamos una función para desplegar los cañones (¡los 16!) girando las ruedas ubicadas a babor y estribor de la popa. ¡Prepárate para el abordaje! (Nota: No incluye chalecos salvavidas).
