Disney

BEHIND THE SCENES

OCCUPIED! (THIS IS NOT THE POD YOU'RE LOOKING FOR)

On the top left floor, LEGO® Death Star personnel can retreat for a bit of much-needed rest and recovery between battles and planet destruction missions. Complete with a karaoke machine and your choice of a hot beverage, this is a nod to an iconic scene in the LEGO® *Star Wars: The Skywalker Saga*™ video game.

DANS LES COULISSES

OCCUPÉ! (CE N'EST PAS LE MODULE QUE VOUS CHERCHEZ)

Au dernier étage, le personnel de l'Étoile de la Mort LEGO® peut se retirer pour un peu de repos et de récupération bien mérités entre les batailles et les missions de destruction de planètes. Équipé d'une machine à karaoké et d'une boisson chaude au choix, c'est un clin d'œil à une scène emblématique du jeu vidéo LEGO® *Star Wars : La saga Skywalker*™.

TRAS BAMBALINAS

¡OCUPADA! (ESTA NO ES LA CÁPSULA QUE BUSCAS)

En el piso superior izquierdo, el personal de la Estrella de la Muerte LEGO® puede retirarse para descansar y recuperarse entre sus múltiples batallas y misiones de destrucción de planetas. Esta cápsula, equipada con una máquina de karaoke y una bebida caliente a elegir, es una alusión directa a una icónica escena del videojuego LEGO® *Star Wars: The Skywalker Saga*™.

HAVE A BLAST

If you remove the right-hand side of the throne room roof, the side panel can flip open to reveal a hidden blaster cannon. The blaster cannon room has a small control panel and room for a LEGO® gunner minifigure.

UN PLAISIR EXPLOSIF

Si vous retirez le côté droit du toit de la salle du trône, le panneau latéral peut s'ouvrir pour révéler un canon blaster caché. La salle du canon blaster dispose d'un petit panneau de commande et d'un espace pour une figurine LEGO® d'un artilleur.

TODA UNA EXPLOSIÓN

Si quitas la parte derecha del techo de la sala del trono, podrás abrir el panel lateral para revelar un cañón bláster oculto. La sala del cañón bláster tiene un pequeño panel de control y espacio para una minifigura LEGO® de un artillero.

FOR VIP TRAVEL

Need to be somewhere? The Imperial Shuttle can fold out its wings to engage flight mode. Or after a tough day transporting the Emperor, fold up the wings, retract the landing gear and park it in the hangar for display. Both the cockpit and body can be opened to place the Imperial Shuttle pilot and a passenger inside.

POUR LES VOYAGES VIP

Besoin d'aller quelque part? La Navette impériale peut déployer ses ailes pour passer en mode vol. Puis, après une dure journée à transporter l'Empereur, repliez les ailes, rentrez le train d'atterrissage et rangez-la dans le hangar pour l'exposer. L'habitacle et la carrosserie peuvent être ouverts pour y placer le pilote de la Navette impériale et un passager.

PARA VIAJAR CON EXCLUSIVIDAD

¿Tienes que ir a algún lugar? El Transbordador Imperial puede desplegar sus alas para activar el modo de vuelo. Y después de un duro día transportando al Emperador, puedes plegarle las alas, retraer el tren de aterrizaje y estacionarlo en el hangar para exhibirlo. Tanto la cabina como el fuselaje se pueden abrirse para colocar en su interior al piloto del Transbordador Imperial y a un pasajero.

BEST-LAID PLANS

Orson Krennic, Director of Advanced Weapons Research for the Imperial military, and Galen Erso, the Architect of the Death Star are shown next to a console containing the Death Star plans. The side build sticker shows the weakness in the exhaust port Galen built into the design. A decorated 1x2 tile shows the plans Galen's daughter, Jyn Erso, steals from the vault on Scariff in *Rogue One*.

LES PLANS LES MIEUX CONÇUS

Le directeur Krennic, chargé de la recherche avancée sur les armes pour l'Armée impériale, et Galen Erso, l'architecte de l'Étoile de la Mort, sont représentés à côté d'une console contenant les plans de l'Étoile de la Mort. L'autocollant de construction latéral montre la faiblesse de l'orifice d'échappement que Galen a intégré dans la conception. Une tuile décorée de 1x2 montre les plans que la fille de Galen, Jyn Erso, vole dans le coffre-fort de Scariff dans *Rogue One*.

EL PLAN PERFECTO

Orson Krennic, director de investigación de armas avanzadas del ejército imperial, y Galen Erso, el arquitecto de la Estrella de la Muerte, aparecen junto a una consola que contiene los planos de la temible estación de combate. La calcomanía de la construcción que tienen al lado muestra el punto débil del puerto de escape que Galen incorporó al diseño. Una cubierta decorada 1x2 muestra los planos que la hija de Galen, Jyn Erso, se roba de la bóveda de datos de Scariff en *Rogue One*.

SPECIAL MENTIONS

MENTIONS SPÉCIALES

MENCIONES ESPECIALES

HOT TUB STORMTROOPER

Behind their seemingly hive-like public personas, LEGO® stormtroopers find creative ways to enjoy themselves and forget about their troubles, as seen in the *LEGO® Star Wars: The Skywalker Saga™* video game.

STORMTROOPER DU BAIN TOURBILLON

Derrière leur apparence publique de fourmilière, les stormtroopers LEGO® trouvent des moyens créatifs de s'amuser et d'oublier leurs problèmes, comme on le voit dans le jeu vidéo *LEGO® Star Wars: La saga Skywalker™*.

STORMTROOPER CON TRAJE DE BAÑO

Detrás de su fachada pública de individuos que actúan como miembros de una colmena, los Stormtroopers LEGO® encuentran formas creativas de divertirse y olvidarse de sus problemas, como se ve en el videojuego *LEGO® Star Wars: The Skywalker Saga™*.

IMPERIAL SHUTTLE PILOT

Imperial pilots are the cream of the Imperial crop, known for their remarkable reflexes and dedication to their duty to eradicate the Empire's enemies.

PILOTE DE NAVETTE IMPÉRIALE

Les pilotes impériaux sont la crème de la crème de l'Empire, connus pour leurs réflexes remarquables et leur dévouement à leur devoir d'éradiquer les ennemis de l'Empire.

PILOTO DEL TRANSBORDADOR IMPERIAL

Los pilotos imperiales son la crema y nata del Imperio, conocidos por sus extraordinarios reflejos y su dedicación al deber de erradicar a los disidentes.

DIRECTOR ORSON KRENNIC

By forcing Galen Erso to complete his work with kyber crystals to enhance energy yields, Director Orson Krennic was able to fulfill his dangerous ambitions to create the ultimate Imperial weapon: the Death Star's superlaser.

DIRECTEUR ORSON KRENNIC

En forçant Galen Erso à terminer son travail sur les cristaux kyber pour améliorer le rendement énergétique, le directeur Orson Krennic a pu réaliser son ambition dangereuse de créer l'arme impériale ultime : le superlaser de l'Étoile de la Mort.

DIRECTOR ORSON KRENNIC

Obligando a Galen Erso a completar su trabajo con los cristales Kyber para mejorar el desempeño energético, el Director Orson Krennic pudo cumplir su peligrosa ambición de crear el arma imperial suprema: el superláser de la Estrella de la Muerte.

GALEN ERSO

The reluctant main architect behind the Death Star never saw his design in operation. Knowing full well the potential threat this engineering masterpiece would pose to the galaxy, he orchestrated a built-in flaw, at great personal risk, that eventually allowed the Rebels to destroy the dreaded behemoth.

GALEN ERSO

L'architecte principal réticent derrière l'Étoile de la Mort n'a jamais vu son projet en action. Conscient de la menace potentielle que ce chef-d'œuvre d'ingénierie représenterait pour la galaxie, il a orchestré une faille intégrée, au prix d'un grand risque personnel, qui a finalement permis aux rebelles de détruire le redoutable monstre.

GALEN ERSO

El renuente arquitecto principal de la Estrella de la Muerte nunca vio su diseño en operación. Plenamente consciente de la amenaza potencial que esta obra maestra de la ingeniería representaría para la galaxia y corriendo un gran riesgo personal, introdujo una falla deliberada que, al final, permitió a los rebeldes destruir la temida monstruosidad.
