CREATIVE ELVES WANTED

(No experience needed)

Who's home for the holidays this year? Everyone put on their cosy socks and get ready to add a little creative magic to your festivities! You see, this LEGO® Family Christmas Tree Decoration is quite special. Inside and out, it's full of surprises, and the more elves, sorry, builders you can gather to help each other build, the merrier.

DISPLAY AND PLAY

From the foot of the tree to the star on top, Santa, Mrs. Claus and their hardworking helpers are busy making sure the festivities run smoothly. Remember, even after you've finished building and your tree is on display, they might need your help to keep the wheels turning. And please, make sure they take breaks to have a little fun, enjoy a freshly baked biscuit or play in the snow.

SAVE THE
BOX FOR
EASY
STORAGE

1 Once your Christmas celebrations are over, each of these four sections are built to come apart. This way, you can store your tree until you need it again.

2

Put the small cardboard container together. The minifigures like to relax inside it, and they'll even keep an eye on all the small parts for you, too.

3

Pack all the sections and the box of minifigures inside the big box like this. Thanks for playing – see you next year!
