Building the Big Skills Toddlers Need

We believe in big starts. Our big bricks are designed for little hands to master. When toddlers' creativity is set free, their opportunities to learn become endless. We call it Learning Through Play. And it inspires every LEGO® DUPLO® set. Based on thorough scientific research, each set helps young minds develop both IQ skills (cognitive, physical, creative) and EQ skills (social, emotional). Let all toddlers Start Off Big.

LEGO DUPLO sets are categorised into benefit territories that match toddlers' ages and developmental stages.

EXPRESSING
YOURSELF

LEGO® DUPLO® sets in this territory can help toddlers master a range of skills, including how to care for others and understand feelings, learn to compare, match and sort things, and play out familiar situations. When you play along and offer instructions and guidance, you create a safe, creative space that encourages toddlers to learn.
