WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

Q LEGO® Builder

Creating harmony and balance

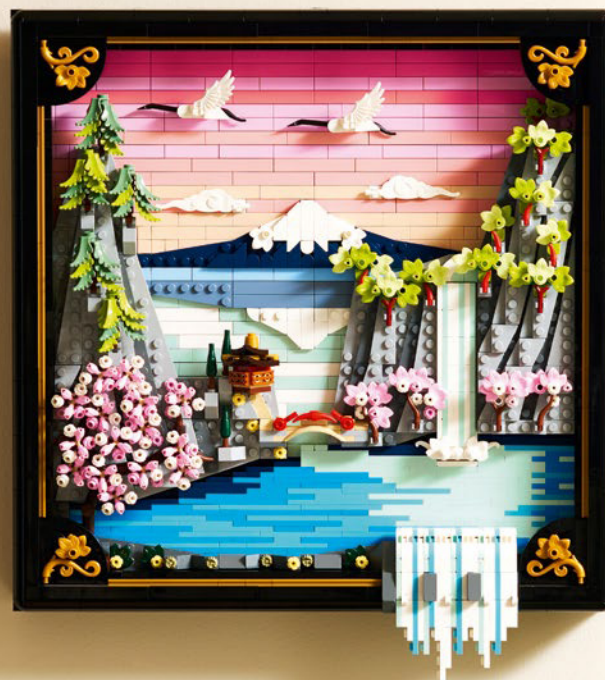

The timeless beauty of traditional Japanese landscape art is universally resonant. Fictional vistas blend with real-life elements that are rich in symbolism, often conveying fortune, abundance and serenity. As you recreate Mount Fuji, cherry blossoms and a flowing waterfall, we hope that same sense of calm flows into your creative build.

Créer l'harmonie et l'équilibre

La beauté intemporelle de l'art paysager japonais traditionnel trouve un écho universel. Des panoramas fictifs se mêlent à des éléments de la vie réelle qui sont riches en symbolisme et qui évoquent souvent la fortune, l'abondance et la sérénité. Nous espérons qu'en recréant le mont Fuji, des cerisiers en fleurs et une cascade, vous retrouverez ce même sentiment de sérénité dans votre modèle créatif.

Armonía y equilibrio

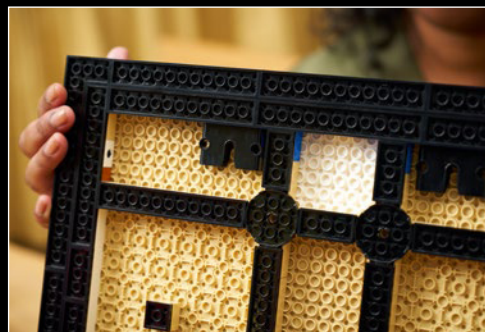

La belleza intemporal del arte paisajista japonés tradicional resuena de manera universal. Paisajes ficticios se mezclan con elementos reales llenos de simbolismo cuya función es, con frecuencia, transmitir fortuna, abundancia y serenidad. Al recrear el monte Fuji, los cerezos en flor y una cascada, esperamos que esa misma sensación de calma fluya a través de tu construcción creativa.

Creative framework

The shadowbox frame is new in LEGO® Art. As you build, layers full of details will enhance the forced perspective and add extra depth to your artwork. Whether standing or hanging, this display will make a striking addition to your home decor.

Un cadre créatif

La boîte-cadre est une nouveauté dans LEGO® Art. Au fur et à mesure de la construction, des couches pleines de détails amélioreront la perspective forcée et ajouteront de la profondeur à votre œuvre d'art. Qu'elle soit debout ou suspendue, cette pièce sera un ajout frappant à votre décoration intérieure.

Marco creativo

El marco con profundidad es una novedad en LEGO® Art. Mientras construyes, capas llenas de detalles mejorarán la perspectiva forzada y añadirán dimensionalidad a tu obra. Ya sea de pie o colgada, esta estética pieza constituirá un elemento impactante en la decoración de tu hogar.

Imperfection, transience and the fleeting nature of life

This spring landscape captures classic themes in Japanese art – seasonal change, symbolic flora and fauna, and the harmony between nature and human life. Inspired by *ukiyo-e* artists, we used known shapes and elements in unusual combinations to create new expressions. All carefully composed within a black lacquer-style frame with classic gold motifs.

At its heart stands a snow-capped **Mt. Fuji**, Japan's tallest and most sacred mountain, flanked by **Japanese umbrella pines** and fiery **Sango-kaku maples** that bring a sense of peace and longevity.

Set against a glowing sunset, two graceful **cranes** soar between cliff faces, representing happiness and long life.

In the foreground, blooming **Sakura cherry** trees – symbols of renewal, beauty and the fleeting nature of life – surround a tranquil lake.

A delicate **chashitsu**, a ceremonial tea house, rests above the water, reached via an arched bridge.

Cascading **waterfalls** often represent purity – here, it flows from the cliffs and spills beyond the frame.

Now it's your time to relax, explore and just be in your creative element. Enjoy!

– The LEGO® Art Design Team

L'imperfection, la fugacité et la nature éphémère de la vie

Ce paysage printanier reprend des thèmes classiques de l'art japonais – les changements saisonniers, la faune et la flore symboliques et l'harmonie entre la nature et la vie humaine. Inspirés par les artistes *ukiyo-e*, nous avons utilisé des formes et des éléments connus dans des combinaisons inhabituelles pour créer de nouvelles expressions. Le tout est soigneusement composé dans un cadre de style laqué noir avec des motifs dorés classiques.

En son cœur se dresse, sous un manteau de neige, le **mont Fuji**, la montagne la plus haute et la plus sacrée du Japon, flanqué de **pins parasols japonais** et d'**érables Sango-kaku** éclatants qui apportent un sentiment de paix et de longévité.

Sur fond de coucher de soleil radieux, deux **grues** gracieuses s'élèvent entre les parois des falaises, représentant le bonheur et la pérennité.

Au premier plan, des **cerisiers du Japon** en fleurs – symboles du renouveau, de la beauté et de la nature éphémère de la vie – entourent un lac tranquille.

Une délicate **chashitsu**, une maison de thé cérémonielle, se trouve au-dessus de l'eau, accessible par un pont arqué.

Les **chutes d'eau** en cascade représentent souvent la pureté – ici, elle s'écoule des falaises et se répand au-delà du cadre.

À présent, détendez-vous, explorez et découvrez votre élément créatif. Amusez-vous!

– L'équipe de conception LEGO® Art

Imperfección, transitoriedad y la naturaleza efímera de la vida

Este paisaje primaveral captura temas clásicos del arte japonés: el cambio estacional, el simbolismo de la flora y la fauna, y la armonía entre la naturaleza y la vida humana. Inspirándonos en la obra de los autores de *ukiyo-e*, usamos formas y elementos conocidos de maneras inusuales para crear nuevas expresiones. Todo cuidadosamente distribuido adentro de un marco que imita la laca negra con motivos dorados clásicos.

En su centro, con la cima nevada, se alza el **monte Fuji**, la montaña más alta y sagrada de Japón, flanqueado por **pinos sombrilla japoneses** y ardientes **arces 'Sango-kaku'** que aportan una sensación de paz y longevidad.

Contra un atardecer resplandeciente, dos gráciles **grullas** surcan los acantilados, una escena que representa la longevidad y la felicidad.

En primer plano, los **cerezos sakura**, símbolos de renovación, belleza y la naturaleza efímera de la vida, rodean un lago tranquilo.

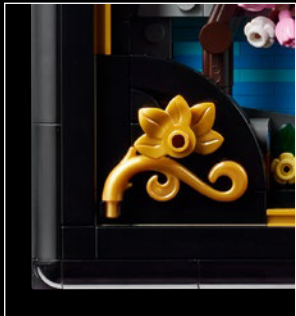

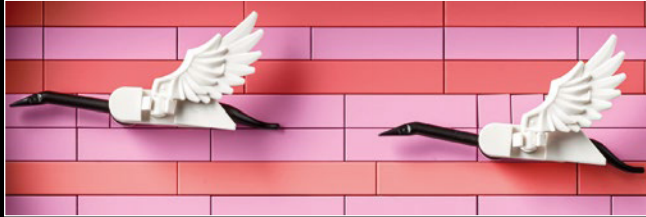

Una delicada **chashitsu** (una casa de té ceremonial) a la que se accede por un puente en arco descansa sobre el agua.

Las **cascadas**, que a menudo representan pureza, fluyen aquí desde los acantilados y se extienden más allá del marco.

Ahora es tu momento de relajarte, explorar y simplemente ser en tu elemento creativo. ¡Disfruta!
