This image shows a complex LEGO assembly, likely a model of a building or a mechanical structure. The base is a large black plate. The structure is built using a variety of bricks, including grey, orange, black, and white. A central grey wall features a black door. To the left of the door, there are two orange pillars. To the right, there are more orange pillars and a black structure. A black arrow points to the left side of the structure, which is highlighted with a blue outline. Green light rays emanate from the left side of the structure.
