WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

THE CREEL HOUSE LA MAISON DES CREEL LA CASA CREEL

Featuring in seasons 4 and 5 of the Netflix series and the more recent stage production *Stranger Things: The First Shadow*, the ominous Creel House plays a crucial role in the events that shape the present and future of both Hawkins and our heroes. By Season 5, hauntings of its past have grown to cataclysmic proportions, and rifts to the Upside Down have opened. On the verge of the final battle, lines between dimensions are crumbling. Step inside, look around, but whatever you do, don't make yourself at home.

Présente dans les saisons 4 et 5 de la série Netflix et dans la récente production scénique *Stranger Things: The First Shadow* — l'inquiétante maison Creel joue un rôle crucial dans les événements qui façonnent le présent et l'avenir de Hawkins... et de nos héros. Dans la saison 5, les hantises du passé ont atteint un point critique, et des failles vers le monde à l'envers se sont ouvertes. À l'approche de l'ultime combat, les frontières entre les dimensions s'effondrent. Entrez, regardez autour... mais surtout, ne vous installez pas.

Con apariciones en las temporadas 4 y 5 de la serie de Netflix y, más recientemente, en la puesta en escena *Stranger Things: The First Shadow*, la inquietante Casa Creel juega un papel crucial en los eventos que dan forma al presente y al futuro, tanto de Hawkins como de nuestros héroes. En la temporada 5, la maldición de su pasado ha alcanzado proporciones cataclísmicas e incluso ha abierto grietas al otro lado. Al borde de la batalla final, las líneas que dividen las dimensiones empiezan a desdibujarse. Pasa a dar un vistazo, pero haz lo que hagas, ¡evita sentirte como en casa!

FROM THE LEGO® ICONS DESIGN TEAM

"We wanted to celebrate the essence of *Stranger Things*, and the Creel House is where Henry first discovers his powers. This is the first-ever transforming LEGO® house set; the model can shift from the dilapidated 80s version of the house to an imagined 'exploded' version, revealing a look into the Mind Lair we see in Seasons 4 and 5 – all while optimizing interior space and details. The transformation function is not seen in the show, but it allowed us to portray the house in its various states and realities.

"The house also hosts a charming cast of characters and lots of references to the show. You can find traces of Henry's spider obsession and his mind flayer sketch, Robin's brick that broke the rose window, Lucas's boombox, Max's cassette tape and even a newspaper headline with a hint to the stage production."

UN MOT DE L'ÉQUIPE DE CONCEPTION LEGO® ICONS

« Nous voulions célébrer l'essence de *Stranger Things*, et la maison des Creel est l'endroit où Henry découvre ses pouvoirs pour la première fois. Il s'agit du tout premier ensemble de maison LEGO® transformable. Ce modèle peut passer de la version délabrée de la maison des années 80 à une version « éclatée » imaginative, révélant un aperçu du repaire mental que nous voyons dans les saisons 4 et 5, tout en optimisant l'espace intérieur et les détails. Cette fonction de transformation n'existe pas dans la série, mais elle nous a permis de représenter la maison dans ses différents états et réalités.

La maison accueille également un éventail de personnages et de nombreuses références à la série. On peut y trouver des traces de l'obsession d'Henry pour les araignées et son croquis du flagelleur mental, la brique de Robin qui a brisé la fenêtre à rosace, le boombox de Lucas, la cassette de Max et même une manchette de journal évoquant la production scénique. »

IMPRESIONES DEL EQUIPO DE DISEÑO DE LEGO® ICONS

"Queríamos celebrar la esencia de *Stranger Things*, y la Casa Creel es, después de todo, el lugar donde Henry descubre sus poderes por primera vez. Este es el primer set LEGO® de una casa transformable; partiendo de la deteriorada versión de los años 80, el modelo puede convertirse en una interpretación imaginaria *explorada* con optimizaciones en los espacios interiores y los detalles que nos permite descubrir la guarida mental que aparece en las temporadas 4 y 5. Y si bien la función de transformación no aparece en la serie, hace posible retratar la edificación en sus distintos estados y realidades".

"La casa también alberga un encantador elenco de personajes y numerosas referencias a la producción. Puedes encontrar rastros de la obsesión de Henry por las arañas y su dibujo del Azotamentes, el ladrillo con el que Robin rompió el vitral de la rosa, la grabadora de Lucas, el casete de Max e incluso un periódico cuyo titular hace referencia a la puesta en escena".
