WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

Q LEGO® Builder

FORGED OF DARKNESS

Sauron™, the Dark Lord, was known by many names among the free peoples of Middle-earth™. In the Second Age, he commanded vast armies from Mordor against the Last Alliance of Men and Elves. At an estimated height of 10 ft. (3 m) to the top of his head (11 ft. (3.3 m) to the spikes on his helmet), Sauron would have cast a truly imposing figure on the battlefield. Wielding a massive mace, he struck down King Elendil before Isildur cut the One Ring from his hand with the blade of Narsil, destroying his physical form.

FORGÉ DANS L'OBSCURITÉ

Sauron™, le Seigneur des Ténèbres, était connu sous de nombreux noms parmi les peuples libres de la Terre du Milieu™. Au cours du Deuxième Âge, il dirigea de vastes armées depuis le Mordor contre la Dernière Alliance des Hommes et des Elfes. Avec une taille estimée à 3 m jusqu'au sommet de sa tête — et à 3,3 m en comptant les pointes de son casque — Sauron aurait présenté une silhouette véritablement imposante sur le champ de bataille. Brandissant une masse colossale, il abattit le roi Elendil avant qu'Isildur ne tranche l'Anneau unique de sa main avec la lame de Narsil, détruisant ainsi sa forme physique.

FORJADO EN LA OSCURIDAD

A Sauron™, el Señor Oscuro, se le conocía por muchos nombres entre los pueblos libres de la Tierra Media. En la Segunda Edad, comandó inmensos ejércitos desde Mordor contra la Última Alianza de Hombres y Elfos. Con una altura estimada de 3 m hasta el extremo superior de la cabeza (3,3 m hasta lo más alto de los picos del casco), Sauron sin duda proyectaba una figura imponente en el campo de batalla. Empuñando una enorme maza, derribó al rey Elendil antes de que Isildur usara la hoja de Narsil para arrancarle de un tajo el Anillo Único que llevaba en la mano, destruyendo así su forma física.

FROM THE LEGO® ICONS DESIGN TEAM

For the first time in this LEGO® form, we have created a scale model of Sauron's magnificent helmet. With generous help from our partners at Warner Bros. Discovery Global Consumer Products, we based our design on the prop helmet from *The Lord of the Rings: The Fellowship of the Ring™* movie (2001). Its authentic proportions, infused with creative LEGO building techniques, let you experience all its intricate details and dramatic presence in a formidable display.

UN MOT DE L'ÉQUIPE DE CONCEPTION LEGO® ICONS

Pour la toute première fois dans cette version LEGO®, nous avons créé une réplique à l'échelle du magnifique casque de Sauron. Grâce au soutien généreux de nos partenaires de Warner Bros. Discovery Global Consumer Products, nous avons conçu notre modèle à partir du casque utilisé comme accessoire dans le film *Le Seigneur des anneaux : La Communauté de l'anneau™* (2001). Ses proportions fidèles, enrichies de techniques de construction LEGO créatives, vous permettent d'en apprécier tous les détails complexes et la prestance dramatique dans une pièce d'exposition saisissante.

IMPRESIONES DEL EQUIPO DE DISEÑO DE LEGO® ICONS

El modelo representa la primera recreación en este formato LEGO® del magnífico casco de Sauron a escala. Con la generosa ayuda de nuestros colaboradores de Warner Bros. Discovery Global Consumer Products, pudimos basar nuestro diseño en el casco de utilería que se usó en la película *El señor de los anillos: La comunidad del anillo* (2001). El gran realismo de sus proporciones, realizadas mediante el uso de creativas técnicas de construcción con LEGO, te ofrece la oportunidad de experimentar la complejidad de los detalles y su imponente presencia, logrando una formidable pieza de exhibición.
