Building the Big Skills Toddlers Need

We believe in big starts. Our big bricks are designed for little hands to master. When toddlers' creativity is set free, their opportunities to learn become endless. We call it Learning Through Play. And it inspires every LEGO® DUPLO® set. Based on thorough scientific research, each set helps young minds develop both IQ skills (cognitive, physical, creative) and EQ skills (social, emotional). Let all toddlers Start Off Big.

LEGO DUPLO sets are categorised into benefit territories that match toddlers' ages and developmental stages.

**PLAY
TOGETHER**

LEGO® DUPLO® sets in the purple territory are all about unleashing the fun of teamwork and tackling challenges together! Perfect for little ones aged 3 and over, these sets inspire exciting activities like matching, sorting and counting, which are key for boosting those all-important social skills and learning the joy of taking turns. As toddlers dive into social play, they get to share their ideas, negotiate roles and discover the magic of cooperation. With a sprinkle of gentle guidance from grown-ups, playtime becomes a delightful adventure where toddlers can thrive, build their confidence and truly understand the power of working together as a team!
