Building the Big Skills Toddlers Need

We believe in big starts. Our big bricks are designed for little hands to master. When toddlers' creativity is set free, their opportunities to learn become endless. We call it Learning Through Play. And it inspires every LEGO® DUPLO® set. Based on thorough scientific research, each set helps young minds develop both IQ skills (cognitive, physical, creative) and EQ skills (social, emotional). Let all toddlers Start Off Big.

LEGO DUPLO sets are categorized into benefit territories that match toddlers' ages and developmental stages.

Développer les grandes compétences dont les tout-petits ont besoin

Nous croyons aux grands départs. Nos grandes briques sont conçues pour être manipulées par les petites mains. Lorsque la créativité des tout-petits est libérée, les possibilités d'apprentissage deviennent infinies. C'est ce que nous appelons apprendre par le jeu. Et c'est ce qui inspire chaque ensemble LEGO® DUPLO®. Basé sur des recherches scientifiques approfondies, chaque ensemble aide les jeunes esprits à développer à la fois les compétences QI (cognitives, physiques, créatives) et les compétences QE (sociales, émotionnelles). Permettez à tous les enfants en bas âge de commencer en beauté.

Les ensembles LEGO DUPLO sont classés en catégories d'avantages qui correspondent à l'âge et au stade de développement des tout-petits.

Desarrollamos las grandes habilidades que necesitan los peques

Creemos en los grandes comienzos. Nuestros bricks más grandes están diseñados para que una manita pueda manejarlos con facilidad. Cuando la creatividad de los peques fluye libremente, las oportunidades de aprender se vuelven infinitas. A eso lo llamamos "aprendizaje mediante el juego". Y es la fuente que inspira cada set LEGO® DUPLO®. Basados en rigurosos estudios científicos, estos sets contribuyen al desarrollo del cociente intelectual (CI, resultante de las habilidades cognitivas, físicas y creativas) y el cociente emocional (CE, que depende de las habilidades sociales y emocionales) de las mentes más jóvenes. Todos los niños y niñas merecen un gran comienzo.

Los sets LEGO DUPLO se clasifican en campos de aprovechamiento acordes con las edades y etapas de desarrollo de los niños y niñas.
