Building the Big Skills Toddlers Need

We believe in big starts. Our big bricks are designed for little hands to master. When toddlers' creativity is set free, their opportunities to learn become endless. We call it Learning Through Play. And it inspires every LEGO® DUPLO® set. Based on thorough scientific research, each set helps young minds develop both IQ skills (cognitive, physical, creative) and EQ skills (social, emotional). Let all toddlers Start Off Big.

LEGO DUPLO sets are categorised into benefit territories that match toddlers' ages and developmental stages.

INDEPENDENCE

LEGO® DUPLO® sets in the orange territory are all about empowering toddlers to dive into their own adventures and take charge of their playtime! Perfect for little ones aged 3 and over, these sets are made to ignite curiosity and inspire toddlers to create their own solutions. Toddlers are invited to lead the play while exploring (IQ), giving them the chance to practise their communication skills, learn to compromise and build their confidence. With grown-ups stepping in to lend a hand only when needed, this approach helps foster independence (EQ).
