WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

Many popcorn carts around the park feature small, animated dolls – unique to each land – cranking a drum of popcorn. The LEGO® version uses a tiny minifigure trophy element to recreate them.

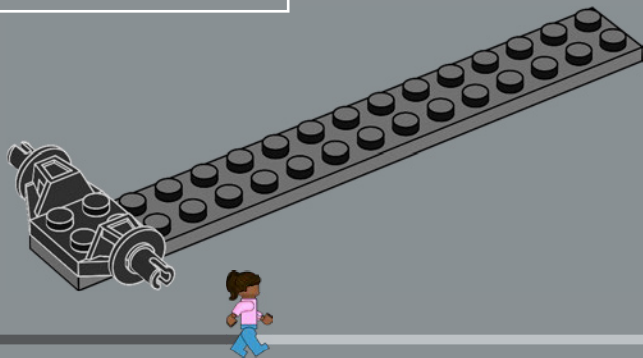

Dans les parcs, plusieurs chariots à maïs soufflé sont décorés de petites poupées animées – propres à chaque section du parc – qui font tourner le tambour de maïs soufflé. La version LEGO® recrée cette animation à l'aide d'un minuscule trophée de figurine.

Muchos carritos de palomitas distribuidos por el parque presentan pequeños muñecos a tono con la temática de la zona haciendo girar grandes recipientes con palomitas. En la versión LEGO®, se recrean mediante pequeños elementos de trofeos para minifiguras.
