Meet the Fan Designer

Robert Becker (LEGO® Ideas name bossofdoss64) lives in Atlanta, Georgia, USA, with his wife and three kids, who happen to be just as excited about his LEGO passion as he is:

"I am a Senior IT Consultant with a passion for problem-solving, a devoted LEGO enthusiast and a true family person. I like blending creativity and fun into every moment. As far back as 1978, I created one of the earliest known Brickfilms (fan-made LEGO stop-motion videos) called A Day in the Life of a Cop. When we had kids, LEGO returned as a family hobby and our collection has now grown to over 1,000 sets! Eventually, I started designing my own LEGO creations and decided to try a Snoopy-and-Woodstock-themed set. I just wanted to come up with something that was really special and unique. Without the encouragement and gentle push from my family, I never would have submitted it to LEGO Ideas. Seeing this set come to life is beyond anything I imagined. Thank you for supporting the idea - I really hope it will put a smile on your face! To me, happiness is this LEGO puppy!"

LEGO® Ideas Fan Designer Robert Becker with his original Snoopy submission

Happiness is...

Born at the Daisy Hill Farm, Snoopy trotted into the PEANUTS universe, and readers' hearts, shortly after its 1950 debut. The beloved philosophical beagle rose to fame as a dreamer, a writer chasing the Great American Novel, a Flying Ace duelling the Red Baron, and 'Joe Cool'. Snoopy's vivid imagination transforms the ordinary into the extraordinary, from dancing at suppertime to napping atop his doghouse. His curious, creative outlook on life is something that truly resonates with the purpose of LEGO® Ideas sets.

With his feathered sidekick, Woodstock, he shares a language only they can understand, but the message is clear: Happiness is... everywhere, in every one of us. After more than 75 years, PEANUTS still reaches 75 countries and has inspired theme parks, generations of artists and pop culture with its humour, wit and wisdom. While new strips are no longer being created, Snoopy's spirit thrives in timeless reprints and adaptations drawn from the vast archives.

"Snoopy's whole personality is a little bittersweet. But he's a very strong character. He can win or lose, be a disaster, a hero, or anything, and yet it all works out. I like the fact that when he's in real trouble, he can retreat into a fantasy."

—Charles M. Schulz

From the LEGO® Ideas Design Team

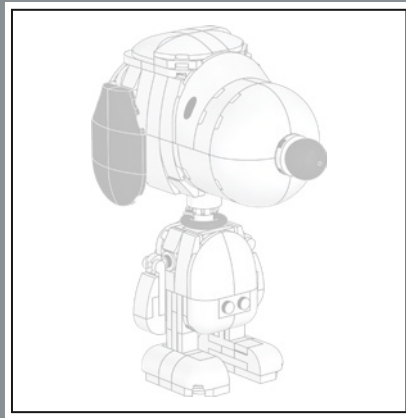

Robert did a great job of portraying a cosy campfire scene with Snoopy and his sidekick Woodstock. Snoopy's doghouse was actually included in one of Robert's other product ideas from LEGO® Ideas challenges. To pay tribute to that, we included it in this set for you to enjoy, and to make it even more iconic.

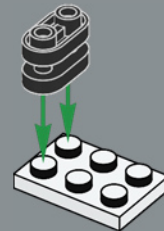

As a comic strip character, Snoopy's body shape varies depending on his pose, and the laws of physics don't always apply! So, we created different body configurations for standing, sitting and lying down. Snoopy's iconic red doghouse, and some of his other favourite things, are included so you can recreate scenes featuring the two friends: Snoopy lying on the roof of his doghouse with Woodstock on his belly, Snoopy typing one of his novels on the roof while Woodstock helps, or the charming campfire scene. The doghouse lifts off to reveal a starry sky background, while the two friends roast marshmallows over the fire.
