WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

Meet the Fan Designer

Robert Becker (LEGO® Ideas name bossosdos64) lives in Atlanta, Georgia, USA with his wife and three kids, who happen to be just as excited about his LEGO passion as he is:

"I am a Senior IT Consultant with a passion for problem-solving, a devoted LEGO enthusiast and a true family person. I like blending creativity and fun into every moment. As far back as 1978, I created one of the earliest known Brickfilms (fan-made LEGO stop-motion videos) called A Day in the Life of a Cop. When we had kids, LEGO returned as a family hobby and our collection has now grown to over 1,000 sets! Eventually, I started designing my own LEGO creations and decided to try a Snoopy and Woodstock-themed set. I just wanted to come up with something that was really special and unique. Without the encouragement and gentle push from my family, I never would have submitted it to LEGO Ideas. Seeing this set come to life is beyond anything I imagined. Thank you for supporting the idea – I really hope it will put a smile on your face! To me, happiness is this LEGO puppy!"

LEGO® Ideas Fan Designer Robert Becker with his original Snoopy submission

Concepteur amateur de LEGO® Ideas, Robert Becker, avec sa soumission originale mettant en vedette Snoopy

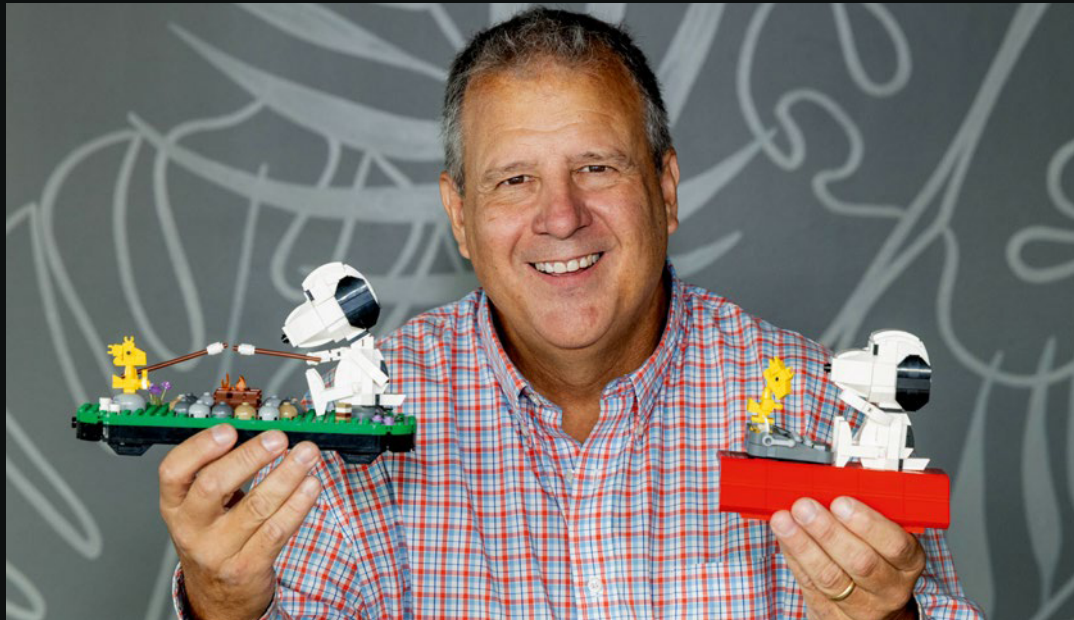

Robert Becker, fan diseñador de LEGO® Ideas, con su propuesta original de Snoopy

Rencontre avec le concepteur amateur

Robert Becker (nom LEGO® Ideas : bossosdos64) vit à Atlanta, en Géorgie (États-Unis), avec sa femme et ses trois enfants, qui partagent sa passion pour les LEGO :

« Je suis expert-conseil principal en informatique, passionné par la résolution de problèmes, grand amateur de LEGO et profondément attaché à ma famille. J'aime mêler créativité et plaisir à chaque instant. Dès 1978, j'ai réalisé l'un des tout premiers Brickfilms — ces courts métrages d'animation image par image faits avec des briques LEGO — intitulé A Day in the Life of a Cop (une journée dans la vie d'un policier). Quand nous avons eu des enfants, LEGO est redevenu un passe-temps familial, et notre collection compte maintenant plus

de 1 000 ensembles! J'ai fini par me lancer dans la conception de mes propres créations LEGO et j'ai eu envie d'essayer un ensemble inspiré de Snoopy et Woodstock. Je voulais simplement imaginer quelque chose de vraiment spécial et unique. Sans les encouragements et le petit coup de pouce bienveillant de ma famille, je n'aurais jamais soumis mon idée à LEGO Ideas. Voir cet ensemble prendre vie dépasse tout ce que j'aurais pu imaginer. Merci d'avoir soutenu cette idée – j'espère vraiment qu'elle vous fera sourire! Pour moi, le bonheur, c'est ce chiot LEGO! »

Conoce al fan diseñador

Robert Becker (conocido en LEGO® Ideas como bossosfdos64) vive en Atlanta, Georgia (EE. UU.) con su mujer y sus tres hijos, quienes comparten su pasión por LEGO:

"Trabajo como consultor sénior de TI y me apasiona resolver problemas. Soy un entusiasta devoto de LEGO y verdaderamente disfruto la vida familiar. Me gusta infundir cada momento de creatividad y diversión. Ya en 1978, creé uno de los primeros BrickFilms (vídeos de animación por pasos con LEGO hechos por fans) que se conocen, titulado A Day in the Life of a Cop (Un día en la vida de un policía). Cuando

llegaron nuestros hijos, LEGO volvió para convertirse en un pasatiempo familiar, ¡y nuestra colección ahora se compone de más de 1000 sets! Con el tiempo, empecé a diseñar mis propias creaciones LEGO y decidí probar con un set inspirado en Snoopy y Woodstock. Lo único que quería realmente era crear algo único y especial. Sin el apoyo y un gentil empujón por parte de mi familia, nunca lo habría enviado a LEGO Ideas. Ver cómo cobró vida este set supera todo lo que había imaginado. Gracias por apoyar la idea. De verdad, espero que ponga una sonrisa en los rostros de todos. ¡Mi definición de felicidad es este cachorro en versión LEGO!."

He was a huge
with a fierce and wild
expression, and eyes

Happiness is...

Born at the Daisy Hill Farm, Snoopy trotted into the PEANUTS universe, and readers' hearts, shortly after its 1950 debut. The beloved philosophical beagle rose to fame as a dreamer, a writer chasing the Great American Novel, a Flying Ace dueling the Red Baron, and 'Joe Cool'. Snoopy's vivid imagination transforms the ordinary into the extraordinary, from dancing at suppertime to napping atop his doghouse. His curious, creative outlook on life is something that truly resonates with the purpose of LEGO® Ideas sets.

With his feathered sidekick, Woodstock, he shares a language only they can understand, but the message is clear: Happiness is... everywhere, in every one of us. After more than 75 years, PEANUTS still reaches 75 countries and has inspired theme parks, generations of artists and pop culture with its humor, wit and wisdom. While new strips are no longer created, Snoopy's spirit thrives in timeless reprints and adaptations drawn from the vast archives.

” *Snoopy's whole personality is a little bittersweet. But he's a very strong character. He can win or lose, be a disaster, a hero, or anything, and yet it all works out. I like the fact that when he's in real trouble, he can retreat into a fantasy.*

—Charles M. Schulz

Le bonheur, c'est...

Né à la ferme Daisy Hill, Snoopy a fait son entrée dans l'univers de PEANUTS, et dans le cœur des lecteurs, peu après ses débuts en 1950. Ce beagle philosophe très apprécié est devenu célèbre en tant que rêveur, écrivain à la recherche du grand roman américain, champion de l'aviation affrontant le Baron Rouge et « Joe Cool ». L'imagination débordante de Snoopy transforme l'ordinaire en extraordinaire, qu'il s'agisse de danser à l'heure du dîner ou de faire la sieste sur le toit de sa niche. Sa vision curieuse et créative de la vie correspond parfaitement à l'esprit des ensembles LEGO® Ideas.

Avec son acolyte à plumes, Woodstock, il partage un langage que seuls eux peuvent comprendre, mais le message est clair : le bonheur, c'est... partout, en chacun de nous. Après plus de 75 ans, PEANUTS touche toujours 75 pays et a inspiré des parcs à thème, des générations d'artistes et la culture pop avec son humour, son esprit et sa sagesse. Même si de nouvelles bandes dessinées ne sont plus créées, l'esprit de Snoopy perdure dans des rééditions et des adaptations intemporelles tirées des vastes archives.

« La personnalité de Snoopy est un peu douce-amère. Mais c'est un personnage très fort. Il peut gagner ou perdre, être un désastre, un héros, ou n'importe quoi, et pourtant tout finit par s'arranger. J'aime le fait que lorsqu'il est vraiment en difficulté, il peut se réfugier dans un monde imaginaire. »

—Charles M. Schulz

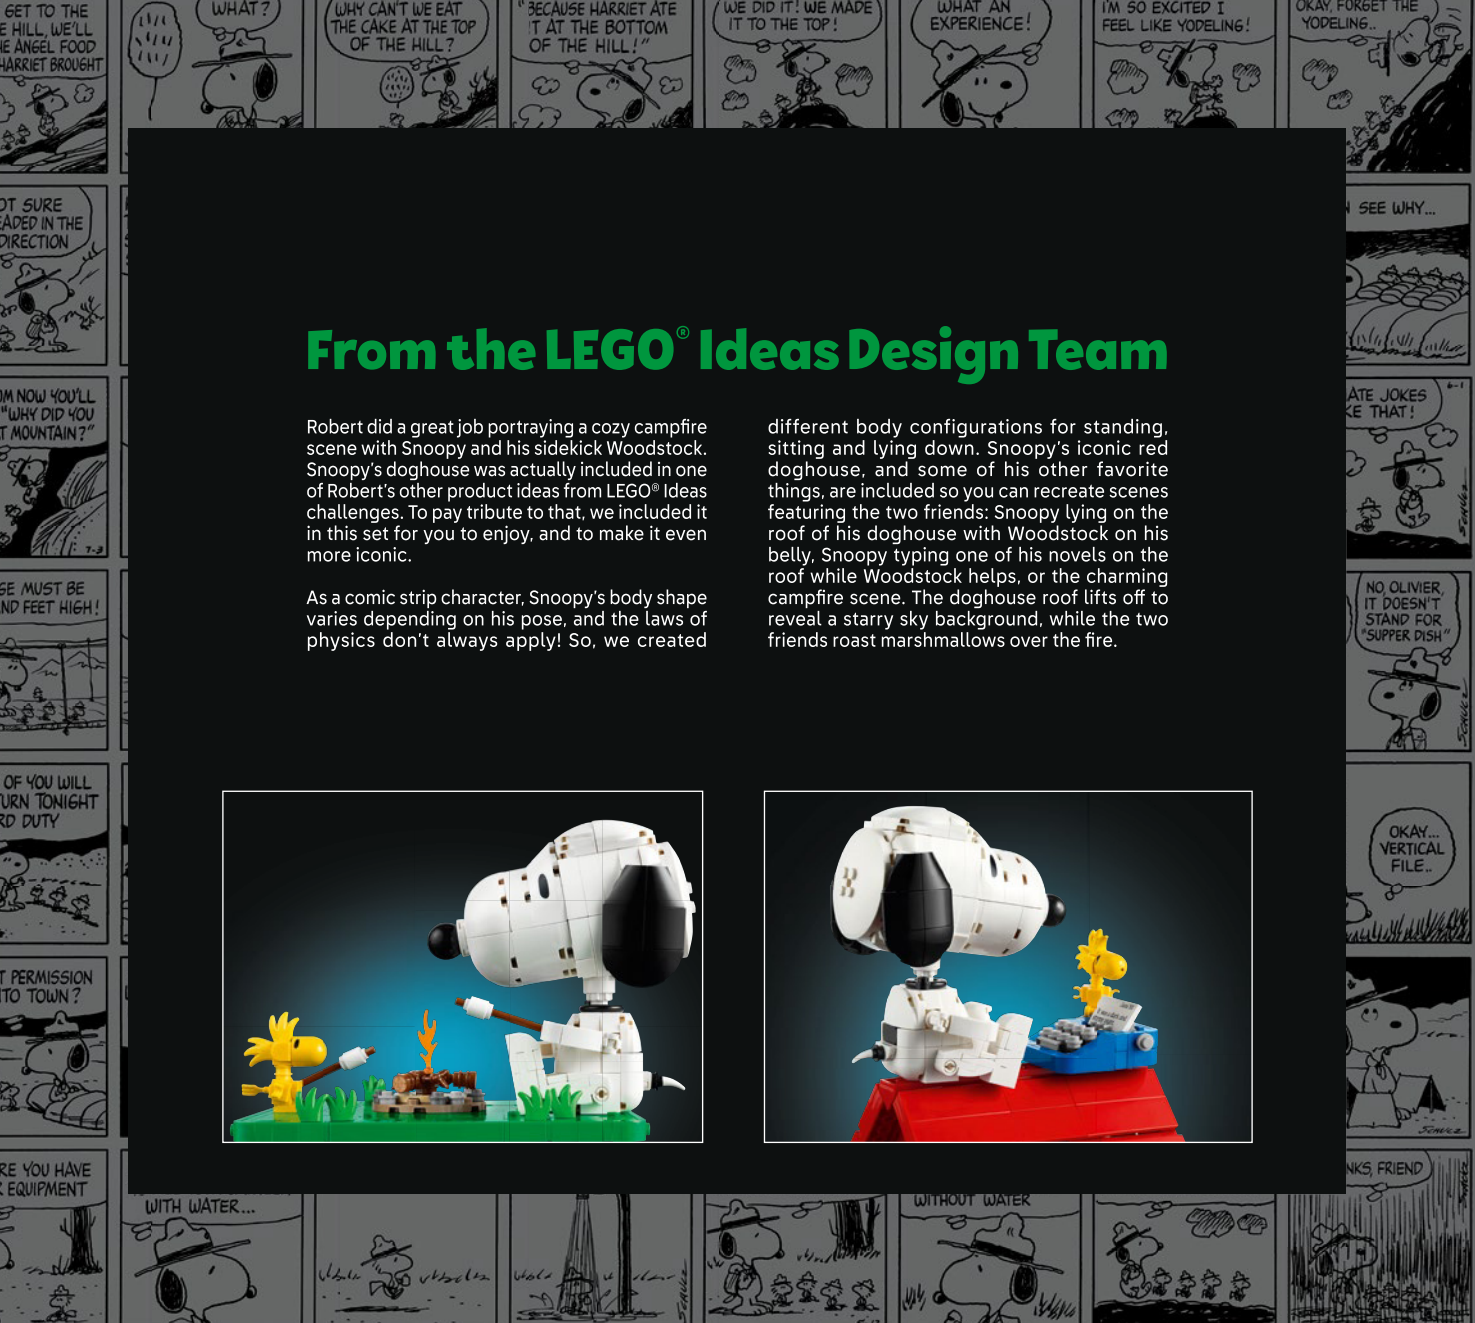

La felicidad es...

Nacido en la granja Daisy Hill, Snoopy llegó trotando al universo PEANUTS y a los corazones de los lectores poco después de su debut en 1950. El querido y filosófico beagle saltó a la fama en sus facetas de soñador, escritor en busca de la gran novela estadounidense, as del aire que se batía en duelo con el Barón Rojo y, por supuesto, Joe Cool. La vívida imaginación de Snoopy transformaba lo ordinario en extraordinario, desde bailar a la hora de cenar hasta dormir la siesta encima de su casita. Su curiosa y creativa forma de ver la vida es algo que verdaderamente resuena con el propósito de los sets LEGO® Ideas. Con Woodstock, su compañero emplumado, comparte un lenguaje que solo ellos pueden entender, si bien su mensaje es bastante claro: la felicidad está... en todas partes, en cada uno de nosotros. Después de más de 75 años, PEANUTS sigue llegando a 75 países y ha inspirado tanto parques temáticos como a generaciones de artistas, y su humor, ingenio y sabiduría han calado hondo en la cultura popular. Aunque ya no se crean nuevas tiras cómicas, el espíritu de Snoopy sigue vivo en reediciones y adaptaciones intemporales extraídas de los vastos archivos.

« La personalidad de Snoopy podría ser un poco agrídulce. Pero es un personaje muy fuerte. Puede ganar o puede perder, ser un desastre, ser un héroe o lo que sea, y las cosas le salen bien. Me gusta que, cuando está en serios problemas, sea capaz de escapar a una fantasía ».

—Charles M. Schulz

From the LEGO® Ideas Design Team

Robert did a great job portraying a cozy campfire scene with Snoopy and his sidekick Woodstock. Snoopy's doghouse was actually included in one of Robert's other product ideas from LEGO® Ideas challenges. To pay tribute to that, we included it in this set for you to enjoy, and to make it even more iconic.

As a comic strip character, Snoopy's body shape varies depending on his pose, and the laws of physics don't always apply! So, we created

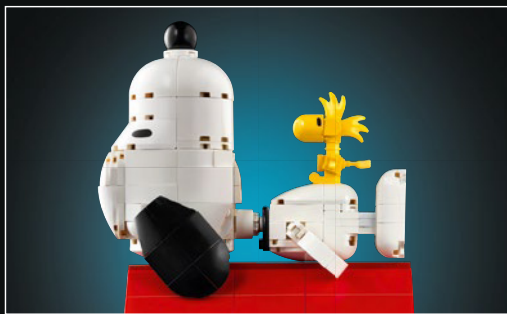

different body configurations for standing, sitting and lying down. Snoopy's iconic red doghouse, and some of his other favorite things, are included so you can recreate scenes featuring the two friends: Snoopy lying on the roof of his doghouse with Woodstock on his belly, Snoopy typing one of his novels on the roof while Woodstock helps, or the charming campfire scene. The doghouse roof lifts off to reveal a starry sky background, while the two friends roast marshmallows over the fire.

Un mot de l'équipe de conception LEGO® Ideas

Robert a fait un excellent travail en représentant une scène chaleureuse autour d'un feu de camp avec Snoopy et son acolyte Woodstock. La niche de Snoopy figurait en fait dans l'une des autres idées de produit de Robert issues des défis LEGO® Ideas. Pour lui rendre hommage, nous l'avons intégrée à cet ensemble afin que vous puissiez en profiter — et la rendre encore plus emblématique.

En tant que personnage de bande dessinée, la silhouette de Snoopy varie en fonction de sa pose, et les lois de la physique ne s'appliquent pas toujours! Nous avons donc créé différentes configurations de corps pour qu'il puisse se tenir debout, s'asseoir ou s'allonger. Sa célèbre niche rouge, ainsi que plusieurs de ses accessoires préférés, sont inclus pour vous permettre de recréer des scènes mythiques des deux amis : Snoopy allongé sur le toit de sa maison avec Woodstock sur le ventre, Snoopy écrivant l'un de ses romans pendant que Woodstock l'assiste, ou encore la charmante scène du feu de camp. Pour révéler un ciel étoilé, la niche s'ouvre et laisse apparaître l'endroit où les deux amis peuvent faire griller leurs guimauves sur le feu.

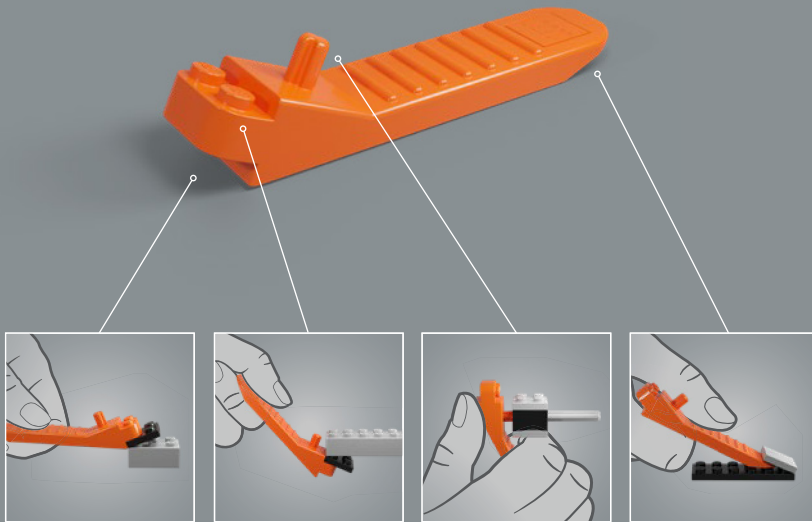

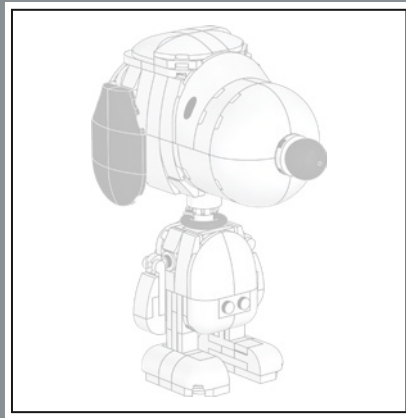

Impresiones del equipo de diseño de LEGO® Ideas

Robert hizo un grandioso trabajo retratando la acogedora escena que muestra a Snoopy y Woodstock al lado de una fogata. De hecho, la casita de Snoopy formó parte de otra propuesta que Robert envió a los desafíos LEGO® Ideas. Como un homenaje a eso, la incluimos en este set con la intención de hacerlo aún más icónico y, por supuesto, de que lo disfrutes.

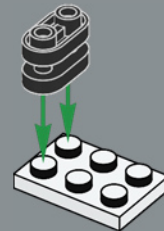

Al ser un personaje de cómic, la forma del cuerpo de Snoopy varía según la postura que adopte, ¡y no siempre obedece las leyes de la física! Por lo tanto, creamos diferentes configuraciones corporales para mostrarlo de pie, sentado y recostado. El modelo incluye la inconfundible casita roja de Snoopy y algunas de sus otras cosas favoritas para que puedas recrear escenas protagonizadas por los dos amigos: Snoopy recostado en el techo de su casa con Woodstock sobre su panza, Snoopy escribiendo una de sus novelas en el techo mientras Woodstock le ayuda o la encantadora escena la fogata. La casita abre para que los amigos puedan asar malvaviscos sobre el fuego bajo un cielo estrellado.
