ALL ABOOOAAARD!

You are hereby invited to a winter adventure aboard the LEGO® Holiday Express Train! Departing from the LEGO North Pole, this classic frosty-blue steam locomotive and train brings important passengers and precious parcels to any destination you can imagine. The engineer guarantees the train will reach every stop on time, while the conductor is thrilled to assist travelers – and maybe serve a hot beverage.

The winter holidays always feel a little warmer when you're with someone you love. That's why we've made it easy for you to share the building experience. Like the traveling minifigure companions here, you can invite your favorite holiday traveler along for the ride, grab a booklet each and embark on a creative journey together.

– The LEGO® Icons Design Team

¡PASAJEROS AL TREN!

¡Te invitamos cordialmente a vivir una aventura invernal a bordo del tren LEGO® Holiday Express! Con salida desde el Polo Norte LEGO, esta clásica locomotora de vapor con vagones azul hielo transporta importantes pasajeros y valiosos paquetes hasta cualquier destino que puedas imaginar. Nuestro maquinista asegura que el tren llegará puntual a todas las paradas, mientras que el revisor está ansioso por ayudar a los viajeros... y tal vez servirles una bebida caliente.

Las fiestas de invierno siempre se sienten un poco más cálidas cuando las pasas con tus seres queridos. Por eso quisimos que fuera fácil compartir la experiencia de construcción. Tal como las minifiguras se hacen compañía en el tren durante el trayecto, también tú puedes invitar a tu compañero de viaje favorito durante las vacaciones para que te ayude a construir: solo tienen que tomar un folleto cada uno para embarcarse juntos en una aventura creativa.

– El equipo de diseño de LEGO® Icons

EN VOITURE!

Vous êtes invité à vivre une aventure hivernale à bord du train express festif LEGO®! Partant du pôle Nord LEGO, cette locomotive à vapeur bleu givré classique et son train transportent des passagers importants et des colis précieux vers toutes les destinations imaginables. Le conducteur garantit que le train arrivera à l'heure à chaque arrêt, tandis que le chef est ravi d'aider les voyageurs – et peut-être de leur servir une boisson chaude.

Les vacances d'hiver sont toujours un peu plus chaleureuses lorsqu'on les passe avec quelqu'un qu'on aime. C'est pourquoi nous nous sommes assurés que vous puissiez facilement partager l'expérience de construction. Comme les figurines voyageuses ici, vous pouvez inviter votre partenaire de voyage préféré à vous accompagner. Prenez un livret chacun et embarquez-vous dans un voyage créatif ensemble.

– L'équipe de conception LEGO® Icons

HIGHLIGHTS TO SPOT

- The miniature blue train is the first 3D-printed piece included in a LEGO® retail set, while still maintaining the high standards of quality and safety of the LEGO System in Play.
- Have you traveled with us before? Perhaps you've enjoyed fun vacations with the 10254 Winter Holiday Train (in 2016).
- The train is not all that moves on the tracks – watch the smokestack and the polar bear when the train puffs along the trails!

POINTS FORTS À OBSERVER

- Le train bleu miniature est la première pièce imprimée en 3D incluse dans un ensemble LEGO® vendu au détail. Les normes élevées de qualité et de sécurité du Système LEGO en jeu sont toujours maintenues.
- Avez-vous déjà voyagé avec nous? Vous avez peut-être passé des vacances amusantes avec Le train des Fêtes 10254 (en 2016).
- Le train n'est pas la seule chose en mouvement sur les rails – regardez la cheminée et l'ours polaire lorsque le train roule sur les pistes!

ELEMENTOS DESTACADOS

- El tren azul en miniatura es la primera pieza impresa en 3D que forma parte de un set LEGO® comercial y preserva los altos estándares de calidad y seguridad que caracterizan al concepto LEGO System in Play.
- ¿Has viajado antes con nosotros? Tal vez hayas disfrutado de unas divertidas vacaciones en el Tren Navideño (10254), allá por 2016.
- El tren no es lo único que se mueve sobre las vías: ¡fíjate en la chimenea y en el oso polar cuando hagas avanzar el tren por el trazo!
