WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

Meet the Fan Designer

José Miguel Medina (LEGO® Ideas name yop1172) is a data scientist from Mexico City. Besides pursuing a PhD in Computer Science, he is passionate about his artistic hobbies, from creative coding and digital animation to LEGO building.

"I've always loved building toys, and in recent years the LEGO fan community in my country has grown, and I've met some amazing builders. My La Catrina model reflects her joyful and elegant spirit, a symbol that reminds us to celebrate life and appreciate its beauty. It takes inspiration from the traditional La Catrina clay sculptures found in Mexican folk art. As LEGO builders, we express ourselves through bricks, and I feel this project perfectly combines the artistic side of LEGO design with one of my culture's most meaningful traditions. The skull was the hardest part, and making the model as anatomically correct as possible. The natural, flowing look of the skirt is the most striking part. Reaching 10,000 votes was super exciting – honestly, it felt like I was dreaming! Thanks to everyone who voted."

Rencontre avec le concepteur amateur

José Miguel Medina (nom LEGO® Ideas yop1172) est un expert en science des données de Mexico City. Outre la poursuite d'un doctorat en informatique, il est passionné par ses loisirs artistiques, du codage créatif à l'animation numérique en passant par la construction LEGO.

« J'ai toujours aimé construire des jouets, et ces dernières années, la communauté des adeptes de LEGO dans mon pays s'est développée, et j'ai rencontré des constructeurs extraordinaires. Mon modèle La Catrina reflète son esprit joyeux et élégant, un symbole qui nous rappelle de célébrer la vie et d'en apprécier la beauté. Il s'inspire des sculptures La Catrina traditionnelles en argile que l'on trouve dans l'art populaire mexicain. À titre de constructeurs LEGO, nous nous exprimons à travers les briques, et je pense que ce projet combine parfaitement le côté artistique de la conception LEGO avec l'une des traditions les plus significatives de ma culture. Le crâne a constitué la partie la plus complexe, et il était essentiel de rendre le modèle aussi anatomiquement correct que possible. L'aspect naturel et fluide de la jupe est l'élément le plus frappant. Atteindre 10 000 votes était super excitant – honnêtement, j'avais l'impression de rêver! Merci à tous ceux qui ont voté! »

Conoce al fan diseñador

José Miguel Medina (conocido en LEGO® Ideas como yop1172) es un científico de datos originario de la Ciudad de México. Además de cursar un doctorado en Informática, cultiva con pasión una serie de pasatiempos artísticos que incluye desde la programación creativa y la animación digital hasta la construcción con LEGO.

“Siempre me han gustado los juguetes de construcción y, en los últimos años, el crecimiento de la comunidad de fans de LEGO en mi país me ha permitido conocer a algunos constructores increíbles. Mi modelo de La Catrina refleja el espíritu alegre y la elegancia de un personaje que nos recuerda que debemos celebrar la vida y apreciar su belleza. Está inspirado en las esculturas de barro de La Catrina que son todo un ícono del folklore mexicano. Los constructores LEGO nos expresamos a través de los bricks, y creo que este proyecto combina a la perfección el lado artístico del diseño con LEGO y una de las tradiciones más significativas de mi cultura. Lo más difícil fue diseñar el cráneo y lograr que el modelo fuera lo más preciso posible desde el punto de vista anatómico. Y lo más llamativo es el aspecto natural y fluido de la falda. Me llenó de emoción enterarme de que había alcanzado los 10.000 votos: ¡de verdad sentí como si estuviera soñando! Gracias a todos los que votaron”.

A cultural icon

Over the past century, La Catrina has sashayed her way across the world, first as a cheeky social satire figure and today as one of Mexico's most charming cultural ambassadors. Even in her earliest forms, she has always represented a blend of worlds, playfully reflecting Mexico's vibrant culture in all forms. Over time, her wide grin and extravagant hat have blossomed into the humorous spirit of Día de los Muertos, the annual festival where families celebrate memories of their lost loved ones. She is often depicted with monarch butterflies, representing the souls of the departed returning to Earth for the Day of the Dead. The celebration coincides with the monarch butterflies' migration to Mexico, further solidifying their symbolism as the spirits visiting the living. The traditional sugar skulls, also portrayed on her flowing skirt, are reminders that death is not a bitter end but rather a sweet continuation of the natural circle of life. Even beyond her homeland, La Catrina has evolved into a transcultural icon who frequently makes appearances in pop culture, sculptures, parades, art, fashion and movies. No matter who or where you are, La Catrina invites us all to embrace the wonderful quirks of life (and death) with a smile!

Une icône culturelle

Au cours du siècle dernier, La Catrina s'est promenade dans le monde entier, d'abord sous la forme d'une satire sociale insolente, puis aujourd'hui comme l'une des plus charmantes ambassadrices culturelles du Mexique. Même dans ses premières formes, elle a toujours représenté un mélange de mondes, reflétant de manière ludique la culture vibrante du Mexique sous toutes ses formes. Au fil du temps, son large sourire et son chapeau extravagant se sont épanouis dans l'esprit humoristique du Día de los Muertos, la fête annuelle au cours de laquelle les familles célèbrent les souvenirs de leurs proches disparus. Elle est souvent représentée avec des papillons monarques, qui représentent les âmes des défunts revenant sur Terre à l'occasion du jour des Morts. Cette célébration coïncide avec la migration des papillons monarques vers le Mexique, ce qui renforce encore leur symbolisme en tant qu'esprits visitant les vivants. Les crânes de sucre traditionnels, également représentés sur sa jupe fluide, rappellent que la mort n'est pas une fin amère mais plutôt une douce continuation du cercle naturel de la vie. Même au-delà de son pays d'origine, La Catrina est devenue une icône transculturelle qui apparaît fréquemment dans la culture pop, les sculptures, les défilés, l'art, la mode et les films. Qui que nous soyons, où que nous soyons, La Catrina nous invite tous à accueillir avec le sourire les merveilleuses bizarreries de la vie (et de la mort)!

Un ícono cultural

A lo largo del último siglo, La Catrina se ha abierto paso por todo el mundo; primero como una pícaro figura de sátira social y hoy como una de las embajadoras culturales más encantadoras de México. Incluso en sus primeras formas, siempre ha representado una mezcla de mundos que refleja, con un aire juguetón, la vibrante cultura mexicana en todas sus formas. Con el tiempo, su amplia sonrisa y su extravagante sombrero han florecido hasta encarnar el espíritu humorístico del Día de Muertos, la festividad anual en la que las familias celebran el recuerdo de sus seres queridos fallecidos. Es frecuente verla rodeada de mariposas monarca, que representan las almas de los difuntos que regresan a la Tierra para el Día de Muertos. La celebración coincide con la migración de las mariposas monarca a México, lo que consolida aún más su simbolismo como espíritus que visitan a los vivos. Las tradicionales calaveras de azúcar, también representadas en su ondulante

falda, son un recordatorio de que la muerte no es un final amargo, sino más bien una dulce continuación del ciclo natural de la vida. Más allá de su país natal, La Catrina ha evolucionado hasta convertirse en un ícono transcultural con presencia constante en la cultura popular mediante esculturas, desfiles, obras de arte, artículos de moda y películas. Sin importar quién seas ni en dónde estés, ¡La Catrina nos invita a todos a celebrar con una sonrisa las maravillosas peculiaridades de la vida (y de la muerte)!

Originally, La Catrina was known as La Calavera Catrina – “The Dapper Skull.”

À l’origine, La Catrina était connue sous le nom de La Calavera Catrina – « Le crâne élégant ».

Originalmente, La Catrina era conocida como La Calavera Garbancera.

from the LEGO® Ideas Design Team

La Catrina embodies the Mexican cultural perspective that life's transitions are full of beauty and worthy of reflection. The contrast between her elegant attire and striking skeletal appearance gives her a universal appeal, and she's such a compelling and inspirational figure. Fan Designer José's interpretation of her in LEGO® form is a masterpiece that pays tribute to the enduring legacy of La Catrina. His model was already designed with meticulous anatomical accuracy, and we have remained true to human proportions both in La Catrina's skeleton, her dress and every decorative element. Her colorful costume is fashioned from individual bricks with printed decorations and, of course, her monarch butterflies follow her wherever she goes. With full articulation in her neck, arms and hands, she almost seems lifelike, and you can create so many different fun poses and expressions. Whether you want to celebrate Día de los Muertos or the creative joy of everyday life, it's sure to make an engaging conversation piece!

Un mot de l'équipe de conception LEGO® Ideas

La Catrina incarne la perspective culturelle mexicaine selon laquelle les transitions de la vie sont pleines de beauté et méritent réflexion. Le contraste entre sa tenue élégante et son apparence squelettique saisissante lui confère un attrait universel, et c'est une figure tellement fascinante et inspirante. L'interprétation qu'en a fait le concepteur amateur José sous forme de LEGO® est un chef-d'œuvre qui rend hommage à l'héritage durable de La Catrina. Son modèle était déjà conçu avec une précision anatomique méticuleuse, et nous sommes restés fidèles aux proportions humaines tant pour le squelette de La Catrina que pour sa robe et chaque élément de décoration. Son costume coloré est fabriqué à partir de briques individuelles avec des décorations imprimées et, bien sûr, ses papillons monarques la suivent partout où elle va. Grâce à l'articulation complète de son cou, de ses bras et de ses mains, elle semble presque réaliste, et vous pouvez créer de nombreuses poses et expressions amusantes. Que vous souhaitiez célébrer le Día de los Muertos ou la joie créative de la vie quotidienne, elle ne manquera pas de faire l'objet d'une conversation captivante!

Impresiones del equipo de diseño de LEGO® Ideas

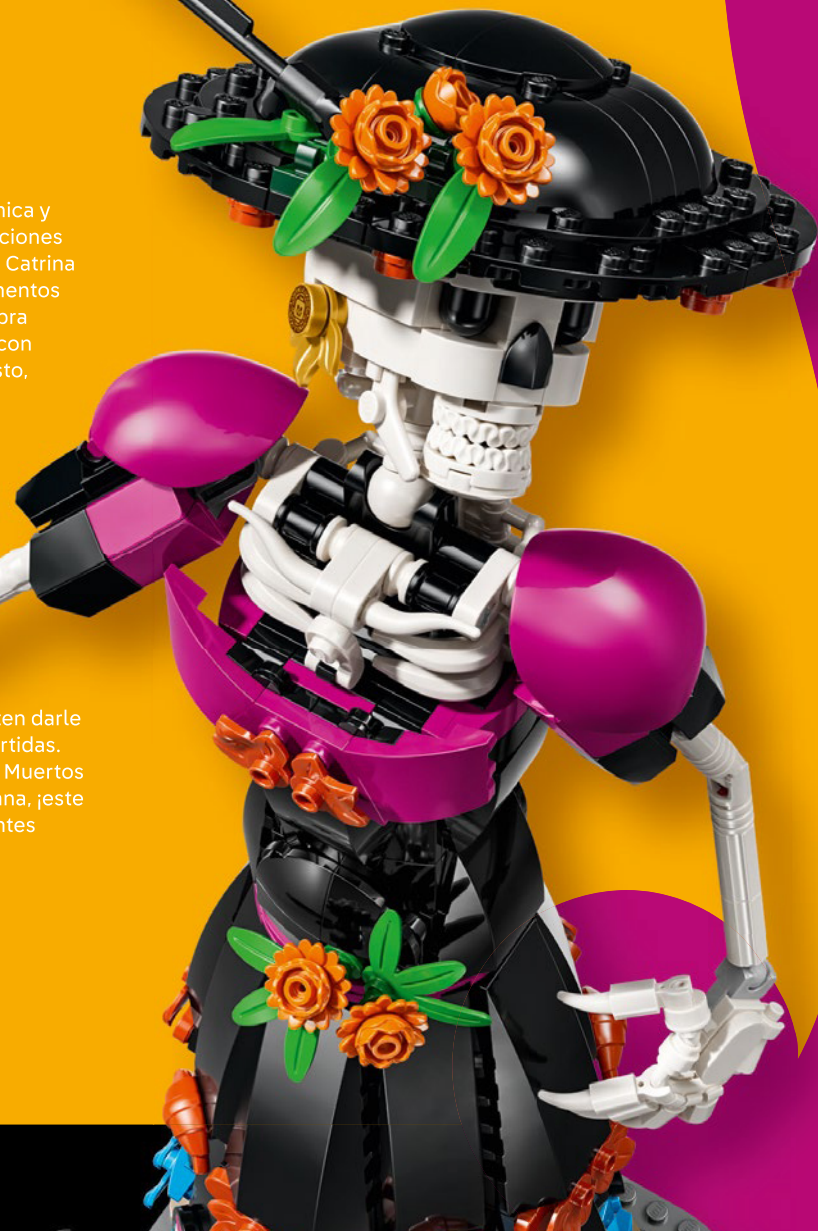

En la tradición mexicana, las transiciones de la vida son algo lleno de belleza y digno de reflexión, y La Catrina encarna a la perfección esa visión. El contraste entre su elegante vestimenta y su impactante apariencia esquelética dota de un atractivo universal a esta figura, tan cautivadora como inspiradora. La interpretación en formato LEGO® del fan diseñador José es una obra maestra que rinde homenaje al legado intemporal de La Catrina. Su modelo ya estaba diseñado

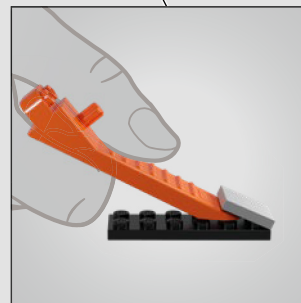

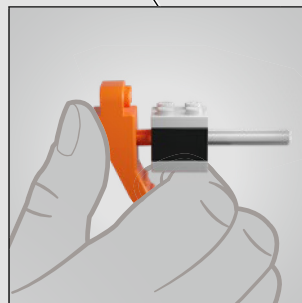

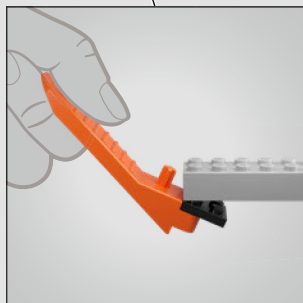

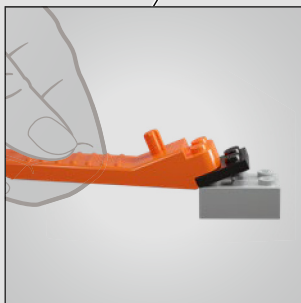

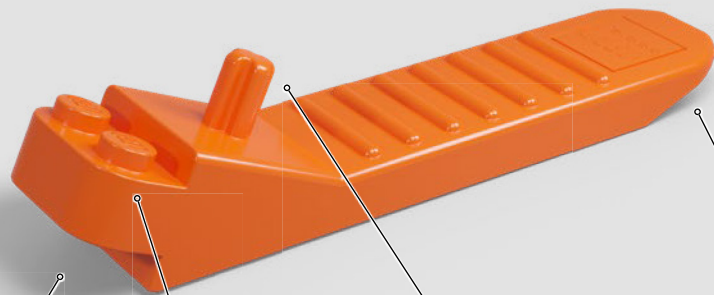

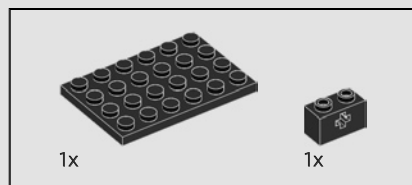

con una meticulosa precisión anatómica y mantuvimos la fidelidad a las proporciones humanas tanto en el esqueleto de La Catrina como en su vestido y los demás elementos decorativos. Su colorido atuendo cobra forma a partir de bricks individuales con decoraciones impresas y, por supuesto, sus mariposas monarca la siguen a donde vaya. El cuello, los brazos y las manos totalmente articulados

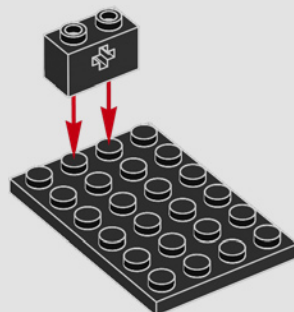

la hacen parecer casi real y te permiten darle numerosas poses y expresiones divertidas. Ya sea que quieras celebrar el Día de Muertos o la alegría creativa de la vida cotidiana, ¡este modelo de seguro inspirará interesantes conversaciones!
