## WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

## NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

## QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

# HE'S WORTH A LOT TO ME

It's rare that a movie character of so few words makes an impact as dramatic (and lasting) as Boba Fett. The dreaded bounty hunter's steely, expressionless demeanor emphasizes his reputation of mystery and menace in the Original Trilogy, and as we get to know more about him, he keeps surprising us at every new turn. It's no wonder he always makes the list of favorite characters among LEGO® *Star Wars*™ fans (including our design team). Boba Fett's costume has slight differences virtually every time it's seen. Of course, some of that is the wear and tear you might expect from someone in his line of work, but he's also constantly modifying his gear and outfit. This gave us both a challenge and some freedom as we explored which version would serve as inspiration for this model.

# IL COMPTE BEAUCOUP POUR MOI.

Il est rare qu'un personnage de film qui parle si peu ait un impact aussi dramatique (et durable) que Boba Fett. Le redoutable chasseur de primes, avec son attitude froide et impassible, renforce sa réputation d'être mystérieux et menaçant dans la trilogie originale. Et plus on en apprend sur lui, plus il continue de nous surprendre à chaque détour. Il n'est donc pas étonnant qu'il figure toujours parmi les personnages préférés des adeptes de LEGO® *Star Wars*™ (y compris notre équipe de conception). Le costume de Boba Fett présente de légères différences presque chaque fois qu'on le voit. Bien sûr, une partie de ces variations s'explique par l'usure normale associée à son métier, mais il modifie aussi constamment son équipement et sa tenue. Cela nous a donné à la fois un défi et une certaine liberté pour déterminer quelle version servirait d'inspiration à ce modèle.

# ES MUY VALIOSO PARA MÍ

Es raro que un personaje del cine tan taciturno cause un impacto tan dramático (y duradero) como Boba Fett. La fría e inexpresiva actitud del temido cazarrecompensas enfatiza su misteriosa y temible reputación en la trilogía original y, a medida que vamos conociéndolo mejor, cada nuevo giro que da vuelve a sorprendernos. No es de extrañar que siempre figure en la lista de personajes LEGO® *Star Wars*™ favoritos de los fans (lo que incluye a nuestro equipo de diseño). El atuendo de Boba Fett presenta ligeras diferencias prácticamente con cada nueva aparición. En parte, eso se debe al desgaste que sería de esperar que sufra alguien que ejerce su profesión, si bien es cierto que también modifica constantemente su equipo y su traje. Esto nos planteó un desafío y nos dio cierta libertad a la hora de explorar qué versión serviría de inspiración para este modelo.

# HE'S NO GOOD TO US DEAD

Boba Fett's life is destined to be a rocky adventure from the start. As the unaltered clone of his notorious father, Jango Fett, he inherits both a legacy and a conflict he never asked for, especially after witnessing Jango's fall on Geonosis. Fueled by raw survival instincts and gritted-teeth resolve, he sharpens his craft under seasoned bounty hunters like Aurra Sing and Bossk. All while nurturing a score to settle with the Jedi – and anyone else whose bounty warrants his attention. His battered Mandalorian armor, infamous *Firespray*-class starship and high-profile captures cement his reputation long before he delivers Han Solo to Jabba the Hutt. But the near-fatal encounter with the Sarlacc alters his trajectory. Stripped of armor, connections and status, Boba Fett claws his way back from the brink with a renewed sense of purpose. With unexpected new allies behind him, he begins forging a legacy of his own on Tatooine.

## IL NE NOUS SERA D'AUCUNE UTILITÉ MORT

La vie de Boba Fett est destinée à être mouvementée dès le départ. En tant que clone non modifié de son tristement célèbre père, Jango Fett, il hérite à la fois d'un passé et d'un conflit qu'il n'a jamais demandés, surtout après avoir été témoin de la chute de Jango sur Géonosis. Animé par un instinct de survie brut et une détermination farouche, il perfectionne son art auprès de chasseurs de primes chevronnés comme Aurra Sing et Bossk, tout en nourrissant un désir de vengeance envers les Jedi – et toute autre cible dont la prime mérite son attention. Son armure mandalorienne cabossée, son célèbre vaisseau de classe *Firespray* et ses captures spectaculaires forgent sa réputation bien avant qu'il ne livre Han Solo à Jabba le Hutt. Mais sa rencontre presque fatale avec le Sarlacc change le cours de son destin. Privé de son armure, de ses alliés et de son statut, Boba Fett revient de justesse du gouffre avec un sens renouvelé de sa mission. Entouré de nouveaux alliés inattendus, il commence à forger sa propre légende sur Tatooine.

## MUERTO NO ME SIRVE

La vida de Boba Fett está destinada a ser una aventura llena de sobresaltos desde el principio. Al ser un clon inalterado de Jango Fett, su famoso padre, hereda tanto un legado como un conflicto que nunca pidió, especialmente después de presenciar la caída de Jango en Geonosis. Impulsado por su instinto de supervivencia natural y una determinación férrea, perfecciona su oficio bajo la tutela de experimentados cazarecompensas como Aurra Sing y Bossk. Y todo sin olvidar ni un segundo que tiene una cuenta pendiente de arreglar con los Jedi (y, de paso, con cualquiera por quien se ofrezca una recompensa interesante). Su maltrecha armadura Mandaloriana, su infame nave espacial clase *Firespray* y sus capturas de alto perfil consolidaron su reputación mucho antes de que entregara a Han Solo a Jabba el Hutt. Pero su encuentro casi fatal con el Sarlacc logró alterar su trayectoria. Despojado de armadura, contactos y estatus, Boba Fett se abre camino desde el abismo con un renovado sentido de propósito. Con nuevos aliados inesperados a sus espaldas, empieza a forjar un legado propio en Tatooine.

# NO HARD FEELINGS. IT'S JUST BUILDING.

Creating a LEGO® version of this character was a real passion project for our design team. Inspired by some of the previous brick-built *Star Wars*™ characters we've created, like C-3PO™ (75398), this model is similar in scale and mainly based on Boba Fett's look in *Return of the Jedi*™. Much of his character is conveyed through his attire, of course, but also through his body language. With a realistic stance and articulated joints (head, arms and hands), you can display him with different poses and dynamic expressions.

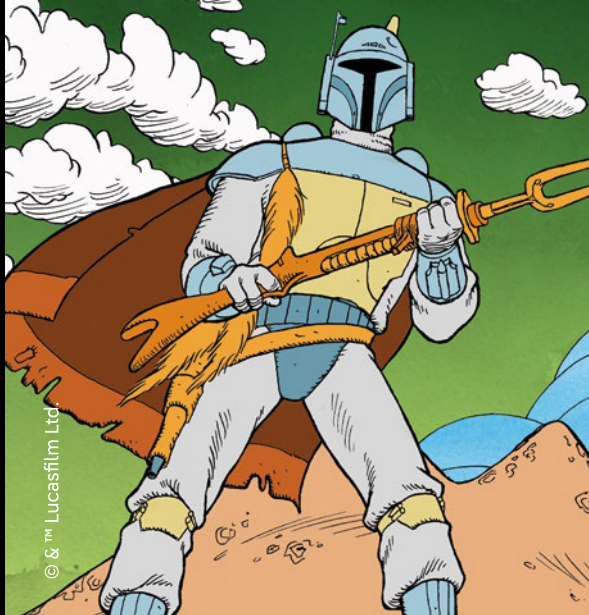

We also built in a couple of references to Boba's origins and other appearances. Inside his helmet is a stack of white 1x1 round plates, to represent his original Super Trooper prototype costume, before it was replaced with the more nuanced color scheme that makes him stand out. A blue/green plate stack is a nod to his first screen appearance, as an animated character in the iconic 1978 *The Star Wars Holiday Special*.

Enjoy building!

- The LEGO® *Star Wars*™ Design Team

## RIEN DE PERSONNEL. C'EST JUSTE DE LA CONSTRUCTION.

Créer une version LEGO® de ce personnage a été un véritable projet passionnant pour notre équipe de conception. Inspiré par certains personnages *Star Wars*™ en briques que nous avons déjà créés, comme C-3PO™ (75398), ce modèle est d'une échelle similaire et s'appuie principalement sur l'apparence de Boba Fett dans *Le Retour du Jedi*. Une grande partie de son caractère s'exprime bien sûr par sa tenue, mais aussi par son langage corporel. Grâce à une posture réaliste et à des articulations mobiles (tête, bras et mains), vous pouvez l'exposer dans différentes poses et expressions dynamiques.

Nous avons également intégré quelques références à ses origines et à ses autres apparitions. À l'intérieur de son casque se trouve une pile de plaques rondes blanches 1 x 1, représentant son costume prototype original de Super Trooper, avant qu'il ne soit remplacé par la palette de couleurs plus nuancée qui le rend si reconnaissable. Une pile de plaques bleu-vert fait aussi un clin d'œil à sa toute première apparition à l'écran, sous forme de personnage animé, dans l'emblématique *The Star Wars Holiday Special* de 1978.

Bonne construction!

- L'équipe de conception LEGO® *Star Wars*™

## SIN RESENTIMIENTOS, SOLO ES UNA CONSTRUCCIÓN

Crear una versión LEGO® de este personaje fue un proyecto verdaderamente apasionante para nuestro equipo de diseño. Inspirado en algunos de los personajes de *Star Wars*™ recreados con bricks previamente, como C-3PO™ (75398), este modelo es similar en escala y se basa principalmente en el aspecto de Boba Fett en *El Regreso del Jedi*. Gran parte de su personalidad se filtra a través de su vestimenta, naturalmente, aunque su lenguaje corporal también resulta muy revelador. La fidelidad de su apariencia y sus articulaciones móviles (en la cabeza, los brazos y las manos) te permiten exhibirlo en diferentes poses y con expresiones dinámicas.

También incluimos un par de referencias a los orígenes de Boba y otras apariciones. Adentro de su casco hay una pila de placas redondas 1x1 en blanco que representan el prototipo de su armadura original de Supertrooper, que finalmente se sustituyó por la combinación de colores más matizada que lo hace destacar. Una pila de placas en azul y verde recuerda específicamente su primera aparición en pantalla como personaje animado en el icónico especial de Navidad de 1978 titulado *The Star Wars Holiday Special*.

¡Esperamos que disfrutes construyéndolo!

- El equipo de diseño de LEGO® *Star Wars*™
