WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

MUNCHLAX / GOINFREX

#0446 / N° 0446 / n.º 0446

BIO / BIO / DATOS

- It needs to consume its own weight in food every day. As far as flavor is concerned, it's indifferent.
- Il a besoin de consommer son propre poids en nourriture chaque jour. En ce qui concerne la saveur, il est indifférent.
- Necesita ingerir cada día el equivalente a su peso corporal en comida. Le importa poco el sabor que esta pueda tener.

A delightful devourer

Munchlax is almost always on the move looking for something, well, anything, to eat. Eating its own weight in food every day is a full-time job. Thanks to its resilient stomach, it wastes very little time chewing, and it's equally thrilled to dine on gourmet meals, compost scraps and food originally meant for others. Munchlax's thick, layered fur provides ample food storage space, which is super handy in snack emergencies.

It's just that Munchlax often forgets about its hidden fur-stash, at least until the grub begins to emit fragrant surprises and/or take on a life of its own and slide out. First discovered in the Sinnoh region, this Big Eater Pokémon evolves into the sleepy Snorlax when it bonds with a Trainer.

Pokémon Sun | Pokémon Soleil | Pokémon Sol
Pokémon Moon | Pokémon Lune | Pokémon Luna

Un délicieux **dévoreur**

Goinfrex est presque toujours en mouvement à la recherche de quelque chose, enfin, de n'importe quoi, à manger. Manger chaque jour son propre poids en nourriture est un travail à plein temps. Grâce à son estomac résistant, il ne perd pas de temps à mâcher, et il est tout aussi ravi de manger des repas gastronomiques, des restes de compost et de la nourriture destinée à d'autres. La fourrure épaisse et stratifiée de Goinfrex offre un grand espace de stockage de la nourriture, ce qui est super pratique en cas d'urgence pour les collations.

Goinfrex oublie souvent sa réserve de nourriture cachée dans sa fourrure, du moins jusqu'à ce que la nourriture commence à sentir ou à prendre vie d'elle-même et à sortir. Découvert pour la première fois dans la région de Sinnoh, ce Pokémon Goinfre évolue en Ronflex endormi lorsqu'il se lie avec un Dresseur.

Pokémon Omega Ruby | Pokémon Rubis Oméga | Pokémon Rubi Omega
Pokémon Alpha Sapphire | Pokémon Saphir Alpha | Pokémon Zafiro Alfa

Un irresistible **devorador**

Munchlax casi siempre anda de un lado para otro buscando algo que comer, ¡lo que sea! Ingerir su propio peso en comida a diario es un trabajo de tiempo completo. Gracias a su resistente estómago, no pierde el tiempo masticando y degusta con el mismo entusiasmo platillos gourmet, sobras y comida que originalmente era para alguien más. Munchlax tiene varias capas de un grueso pelaje que ofrecen espacio de sobra para almacenar alimentos, lo que le resulta muy útil cuando un ataque de hambre lo asalta de improviso.

El único detalle es que Munchlax suele olvidar en qué parte de su pelaje guardó sus reservas, al menos hasta que estas empiezan a emitir olores sospechosos y/o cobran vida y escapan por sus propios medios. Descubierto por primera vez en la región de Sinnoh, este Pokémon glotón evoluciona en el dormilón Snorlax cuando crea un vínculo con un Entrenador.

From the LEGO® Pokémon™ Trainers

This LEGO® Pokémon™ Munchlax is a faithful recreation of the beloved character, as seen in the early video game series. Since Munchlax is known for its voracious appetite, we've added several brick-built items and fun elements to highlight these signature traits.

Munchlax has discovered a pile of apples and is happily munching away, and the tree trunk serves as the perfect spot for a snack. Munchlax itself is the most intricate part of the model, and the surrounding scenery is designed with a variety of colors and a number of fun details.

Inspired by the character's love of hiding things in its fur, we've even planted a surprise for you to discover as you build. [It won't smell, we promise!] We hope you enjoy building and displaying it as much as we enjoyed creating it.

Impresiones de los Entrenadores LEGO® Pokémon™

Este LEGO® Pokémon™ Munchlax es una recreación fiel del entrañable personaje tal y como lo vemos en las primeras entregas de la serie de videojuegos. Dado que Munchlax es conocido por su voraz apetito, agregamos algunos artículos y elementos divertidos contruidos con bricks para resaltar este rasgo característico. Munchlax descubrió un montón de manzanas y se las está comiendo feliz de la vida sobre el tocón del árbol, que resultó ser el lugar perfecto para degustar un bocadillo. La figura de Munchlax es en sí la parte más

Un mot des Dresseurs LEGO® Pokémon™

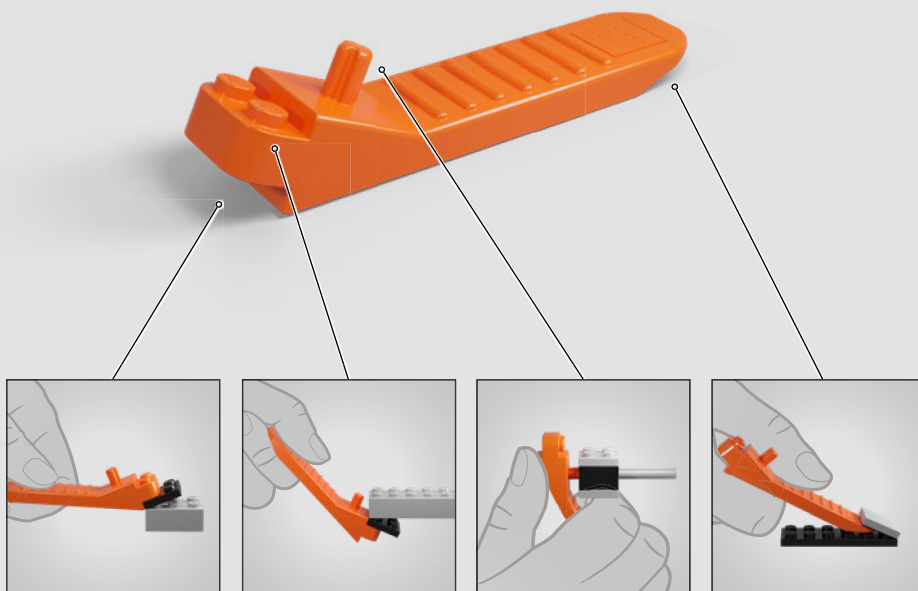

Ce LEGO® Pokémon™ Goinfrex est une reproduction fidèle du personnage bien-aimé, tel qu'on le voit dans les premières séries de jeux vidéo. Goinfrex étant connu pour son appétit vorace, nous avons ajouté plusieurs objets en briques et des éléments amusants pour mettre en valeur ces traits caractéristiques. Goinfrex a découvert un tas de pommes et s'en régale, et le tronc de l'arbre est l'endroit idéal pour un casse-croûte. Goinfrex lui-même est la partie la plus complexe du modèle, et le décor environnant est conçu avec une variété de couleurs et un certain nombre de détails amusants.

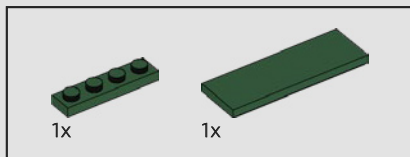

Inspirés par le fait que le personnage aime cacher des choses dans sa fourrure, nous avons même placé une surprise que vous découvrirez au fur et à mesure de la construction. [Il n'y a pas d'odeur, c'est promis!] Nous espérons que vous prendrez autant de plaisir à le construire et à l'exposer que nous en avons eu à le créer.

intrincada del modelo, y el diseño de la escena que la rodea presenta una variedad de colores y un montón de simpáticos detalles.

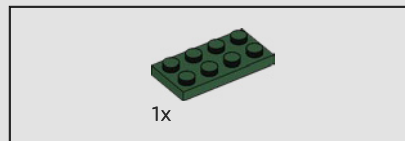

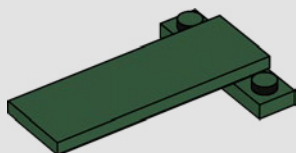

Inspirados por la costumbre del personaje de esconder cosas en su pelaje, incluimos una sorpresa para que la descubras mientras construyes. [¡Te prometemos que no es algo que huele mal!]. Esperamos que disfrutes construyendo y exhibiendo tu modelo tanto como nosotros disfrutamos el proceso de crearlo.
