Meet — the — Fan Designer

Topi Kari from Finland (LEGO® Ideas name Doomsizer) won the fan vote for the Grand Prize selection in the *Build Your Hobby* LEGO Ideas challenge:

"My *Build, Paint and Play!* model was inspired by my newest hobby: miniature model-making. It replicates the process of designing my own minifigures, with sprue and cutting tools, glue, paints and brushes. I enjoy storytelling, and building is a fantastic medium to share stories

and a great way to express my creativity. And when you add accessories, you can really bring out the minifigures' personalities. As a child, my dream was to become a LEGO designer, and this let me live out that dream. I joined LEGO Ideas to take part in the building challenges, and I have a few more ideas I might refine into real projects. Building a winning entry takes time, and usually many tries, but with every attempt, you learn to improve and present your ideas."
