LEGO® Builder

WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

Meet the Fan Designer

Topi Kari from Finland (LEGO® Ideas name Doomslizer) won the fan vote for the Grand Prize selection in the *Build Your Hobby* LEGO Ideas challenge:

"My *Build, Paint and Play!* model was inspired by my newest hobby: miniature model-making. It replicates the process of designing my own minifigures, with sprue and cutting tools, glue, paints and brushes. I enjoy storytelling, and building is a fantastic medium to share stories and a great way to express my creativity. And when you add accessories, you can really bring out the minifigures' personalities. As a child, my dream was to become a LEGO designer, and this let me live out that dream. I joined LEGO Ideas to take part in the building challenges, and I have a few more ideas I might refine into real projects. Building a winning entry takes time, and usually many tries, but with every attempt, you learn to improve and present your ideas."

Rencontre avec le concepteur amateur

Topi Kari de Finlande (pseudonyme LEGO® Ideas : Doomslizer) a remporté le vote des adeptes pour la sélection du grand prix dans le cadre du défi *Build Your Hobby (construire son passe-temps)* LEGO Ideas :

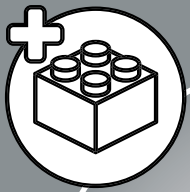

« Mon modèle *Construire, peindre et jouer!* a été inspiré par mon tout nouveau passe-temps : le modélisme miniature. Il reproduit le processus de conception de mes propres figurines, avec des outils de découpe, de la colle, des peintures et des pinceaux. J'aime raconter des histoires, et la construction est un moyen fantastique de partager des récits et d'exprimer ma créativité. Et lorsque vous ajoutez des accessoires, vous pouvez vraiment faire ressortir la personnalité des figurines. Enfant, je rêvais de devenir concepteur LEGO, et cela m'a permis de vivre ce rêve. J'ai rejoint LEGO Ideas pour participer aux défis de construction, et j'ai encore quelques idées que je pourrais transformer en projets réels. Construire une candidature gagnante prend du temps, et généralement plusieurs essais, mais à chaque tentative, vous apprenez à améliorer et à présenter vos idées. »

Conoce al fan diseñador

El finlandés Topi Kari (conocido en LEGO® Ideas como Doomslizer) obtuvo el voto de los fans y resultó ganador del gran premio en el desafío LEGO Ideas *Build Your Hobby*:

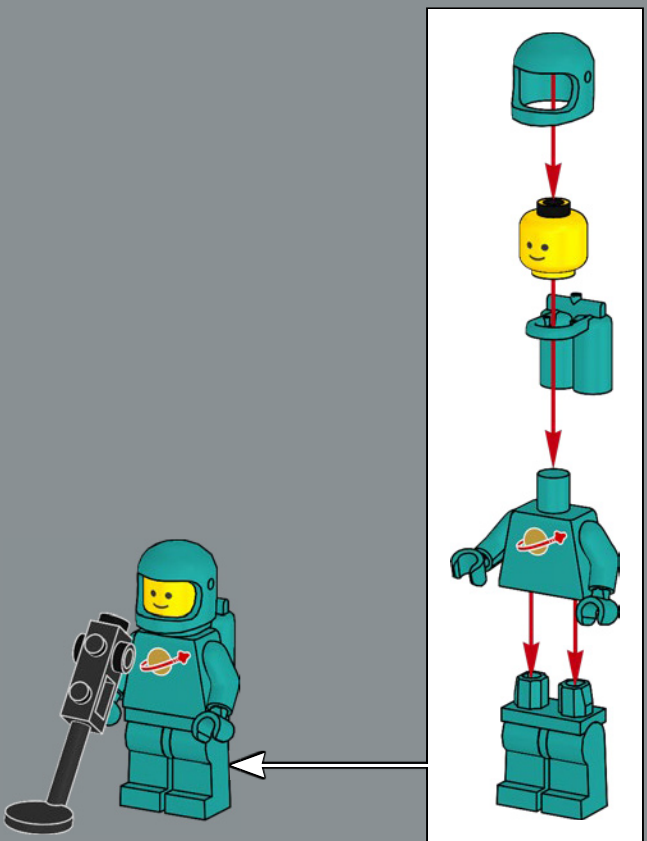

"Basé mi modelo *¡Construye, Pinta y Juega!* en mi afición más reciente: el modelismo de miniaturas. Representa el proceso de diseñar mis propias minifiguras, con todo y sus canales de inyección, herramientas de corte, pegamento, pinturas y pinceles. Me encanta contar historias, y construir es un medio increíble para compartirlas y una excelente manera de expresar mi creatividad. Además, agregar accesorios te permite resaltar realmente la personalidad de cada minifigura. De niño soñaba con ser diseñador de LEGO, y todo esto por fin hizo el sueño realidad. Me uní a LEGO Ideas para participar en los desafíos de construcción, y tengo algunas ideas más que podría perfeccionar para convertirlas en proyectos reales. Crear una propuesta ganadora toma tiempo y, por lo general, muchos intentos; sin embargo, cada prueba es una oportunidad para mejorar y aprender a presentar tus ideas".
