JINGLE ALL THE WAY

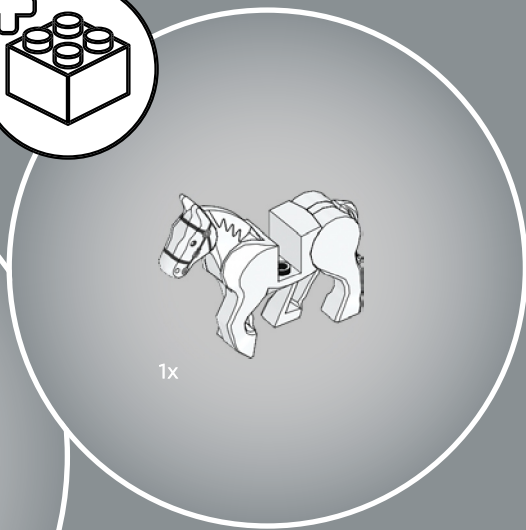

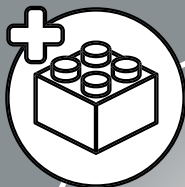

It's that time of year – bells are jingling, halls are decked and snow is falling softly outside. It's the season to snuggle up indoors, stay warm with the people you love and cue up your favourite Christmas record (or playlist). Hum along to *Jingle Bells*, build this set together and enjoy a fun, creative ride with a little extra festive magic!

FROM THE LEGO® ICONS DESIGN TEAM

As one of the oldest, most beloved Christmas classics, *Jingle Bells* celebrates all the merriment of the festive season. We have sprinkled references to the song throughout this model, from the bucking, galloping horse to the warm, Victorian farmhouse with the wrap-around porch. Make yourself at home among all the nostalgic details, comfort food, lights and decorations of days gone by.

The first recorded display of a decorated tree was in 1539 in Strasbourg (now France but, at the time, the region was part of Germany). Today, it's a treasured tradition in more than 100 countries.
