WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

“

プレイステーションは、新しいエンタテインメントの領域を創造することを目指して開発しました。ともすれば「子ども向けのおもちゃ」として扱われていたゲームを、あらゆる人が楽しめるエンタテインメントへと昇華させ、文化として根付かせること。テクノロジーの力でクリエイターの皆さんを刺激し、これまでにない体験を世の中に届けること。そうした思いが、プレイステーションの原点となりました。

この歩みを支えてくださったのは、世界中のプレイヤーの皆さん、そしてゲームの可能性を押し広げ続けてくれたクリエイターの方々にほかなりません。

皆さんの好奇心、情熱、そしてクリエイティビティこそが、プレイステーションの根幹を形づくってきました。心より感謝しています。

今回登場する レゴ プレイステーション セットでも、ぜひ自由に想像を広げてみてください。

ひとつひとつ組み上げ、細部に自分らしさを込め、ものづくりの過程から生まれる創造の楽しさを味わっていただけたら嬉しく思います。

A NEW DIMENSION IN GAMES

“When we started to develop PlayStation®, our vision was to create a new form of entertainment – to bring gaming, which was considered a children’s toy, to mainstream entertainment that every member in the household can enjoy, and to root it in culture. Our goal was to stimulate creators with the power of technology and to offer an entertainment experience that the world had never seen before. Our aspirations were high.

We could not have come to where we are today without the support of players around the globe, and creators who incessantly pushed the envelope to broaden the possibilities of games. Curiosity, passion and creativity from each and every one of you have shaped the foundation of PlayStation, and we are deeply grateful for that.

We hope that you find the joy of creation through playing with this new LEGO® PlayStation™ set, spreading your wings of imagination, and building piece by piece while indulging in each and every detail.”

Ken Kutaragi

UNE NOUVELLE DIMENSION DANS LES JEUX

« Lorsque nous avons commencé à développer la PlayStation®, notre vision était de créer une nouvelle forme de divertissement, de faire en sorte que le jeu vidéo, qui était considéré comme un jouet pour enfants, devienne un divertissement grand public dont chaque membre du foyer peut profiter, et de l’enraciner dans la culture. Notre objectif était de stimuler les créateurs grâce à la puissance de la technologie et d’offrir une expérience de divertissement que le monde n’avait jamais vue auparavant. Nos aspirations étaient élevées.

Nous n’aurions pas pu arriver là où nous sommes aujourd’hui sans le soutien des joueurs du monde entier et des créateurs qui ont incessamment repoussé les limites pour élargir les possibilités des jeux. La curiosité, la passion et la créativité de chacun d’entre vous ont façonné les fondements de PlayStation, et nous vous en sommes profondément reconnaissants.

Nous espérons que vous trouverez la joie de la création en jouant avec ce nouvel ensemble LEGO® PlayStation™, en déployant les ailes de votre imagination et en le construisant pièce par pièce tout en vous délectant de chaque détail. »

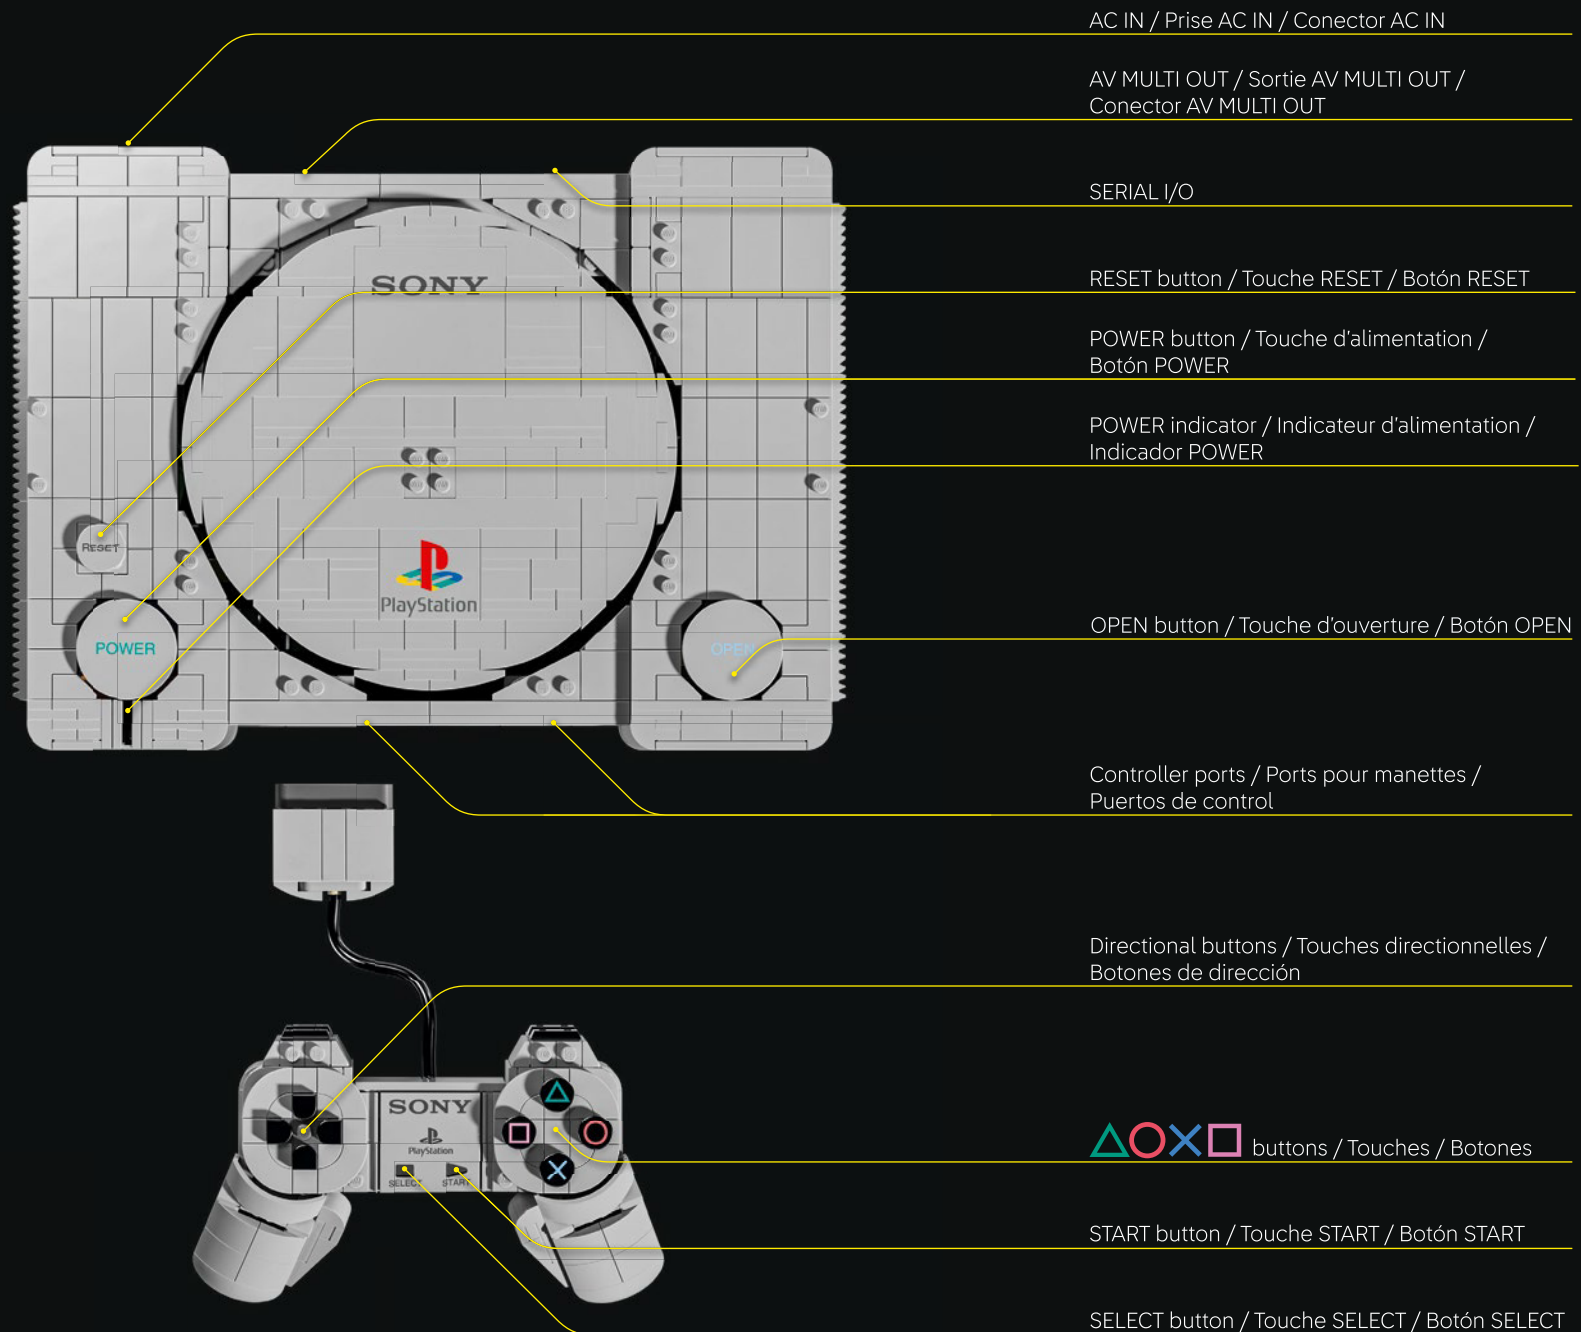

Ken Kutaragi

UNA NUEVA DIMENSIÓN EN LOS VIDEOJUEGOS

“Empezamos a desarrollar la PlayStation® con la visión de crear una nueva forma de entretenimiento que convirtiera los videojuegos, entonces considerados como juguetes infantiles, en un medio de esparcimiento en casa para todos capaz de enraizarse en la cultura popular. Queríamos usar el poder de la tecnología para inspirar a los creadores y ofrecer una experiencia de entretenimiento nunca antes vista en el mundo. Teníamos grandes aspiraciones. No habríamos llegado hasta donde estamos ahora sin el apoyo de jugadores de todo el mundo y de creadores que no han dejado de ir más allá para expandir las posibilidades de los videojuegos. La curiosidad, la pasión y la creatividad de todos y cada uno de ustedes han modelado PlayStation desde sus bases, y eso es algo que agradecemos profundamente.

Esperamos que encuentren la alegría de crear al jugar con este nuevo set LEGO® PlayStation™, abriendo las alas de su imaginación y asombrándose con los detalles por cada pieza que coloquen”.

Ken Kutaragi

APE ESCAPE™

Released in 1999, *Ape Escape*™ revolutionized the way console games were built and played. In this hilarious action-platformer, players must round up an army of time-traveling apes. The first PlayStation® game to need the DualShock® controller, its twin analog sticks make ape-ensnaring gadgets incredibly easy to handle. Generations of fans still go totally bananas for the game, and new versions have been released for more modern platforms over the years.

APE ESCAPE™

Sorti en 1999, *Ape Escape*™ a révolutionné la façon dont les jeux de console ont été construits et joués. Dans cet hilarant jeu d'action et de plateforme, les joueurs doivent rassembler une armée de singes qui voyagent dans le temps. Mon premier jeu PlayStation® à nécessiter la manette DualShock®, dont les doubles manettes analogiques rendent les gadgets de singe incroyablement faciles à manier. Des générations d'adeptes continuent à s'enthousiasmer alors que de nouvelles versions ont été publiées pour des plateformes plus modernes au fil des ans.

APE ESCAPE™

Lanzado en 1999, *Ape Escape*™ revolucionó la forma de crear y jugar videojuegos de consola. En este divertidísimo juego de acción y plataformas, los jugadores deben capturar a una horda de simios que viajaron por el tiempo. Es el primer título para PlayStation® en requerir el control DualShock®, cuyas dos palancas analógicas hacen que los artefactos para atrapar simios sean increíblemente fáciles de manejar. Aún a la fecha, el juego sigue llenando de emoción a generaciones de fans y las actualizaciones para plataformas más modernas se suceden con los años.

GRAN TURISMO™

In 1997, *Gran Turismo*™ redefined the racing genre by effectively bridging the gap between simulation and console gaming. The groundbreaking Real Driving Simulator recreated real-world dynamics and allowed players to experience actual braking points and proper racing lines. Players could race more than 140 highly detailed cars and enjoy the cinematic replay system. With over 10 million copies sold, it became the best-selling title for the original PlayStation®, leading to a series that continues to inspire racing game pros and casuals alike.

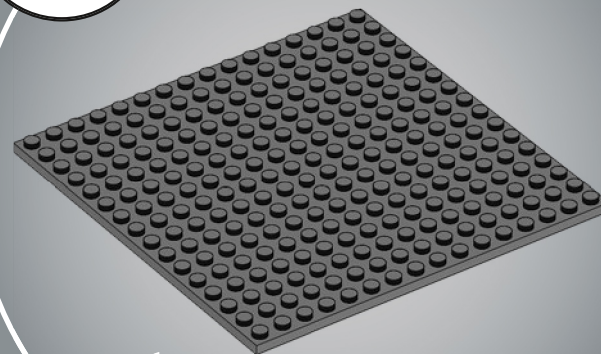

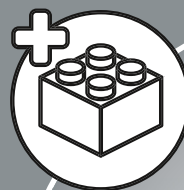

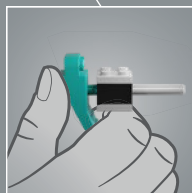

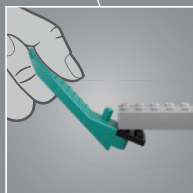

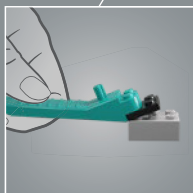

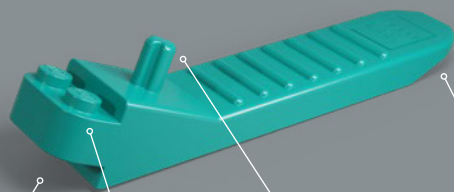

GRAN TURISMO™

En 1997, *Gran Turismo*™ a redéfini le genre de la course automobile en comblant efficacement le fossé entre la simulation et le jeu sur console. Le révolutionnaire Real Driving Simulator recrée la dynamique du monde réel et permet aux joueurs d'expérimenter les points de freinage réels et les lignes de course appropriées. Les joueurs ont pu faire la course avec plus de 140 voitures très détaillées et profiter du système de rediffusion cinématique. Avec plus de 10 millions d'exemplaires vendus, il est devenu le titre le plus vendu sur la PlayStation® originale, conduisant à une série qui continue d'inspirer les pros des jeux de course comme les amateurs.

GRAN TURISMO™

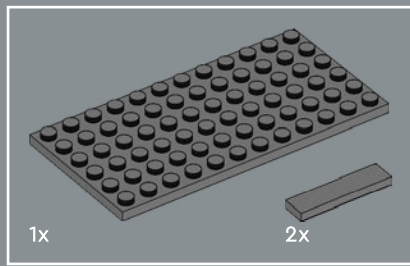

En 1997, *Gran Turismo*™ redefinió el género de carreras cerrando la brecha entre los simuladores y los videojuegos de consola. Con el subtítulo "The Real Driving Simulator", recreaba de manera revolucionaria la física del mundo real y permitía a los jugadores experimentar puntos de frenada y trayectorias reales en la pista. Los jugadores podían competir con más de 140 autos de carreras repletos de detalles y disfrutar del sistema de repeticiones cinematográficas. Con más de 10 millones de copias vendidas, se convirtió en el título más vendido para la PlayStation® original, lo que dio lugar a una franquicia que sigue inspirando tanto a profesionales de los juegos de carreras como a fans ocasionales.
