WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

Classics in every nook

A good bookstore is basically like a candy store for book lovers. It hits you as soon as you enter, the familiar scent of paper and ink from freshly printed books. The sense of wonder when you go excavating for treasures among timeless classics and new adventures. The joy when you find a cozy corner where you can nestle into a comfy chair with a warm beverage. When you begin to turn the pages of your next favorite novel. Like little portals, each book invites us into its own universe. Whether you have a few or a few thousand books, there is always room for one more. And a Book Nook diorama always adds a little extra magic and storytelling to your collection.

Des classiques dans chaque recoin

Une bonne librairie, c'est un peu comme un magasin de bonbons pour les amoureux des livres. Dès l'entrée, l'odeur familière du papier et de l'encre des livres fraîchement imprimés se fait sentir. Le sentiment d'émerveillement lorsque vous partez à la recherche de trésors parmi les classiques intemporels et les nouvelles aventures. La joie lorsque vous trouvez un coin confortable où vous pouvez vous blottir dans un fauteuil douillet avec une boisson chaude. Lorsque vous commencez à tourner les pages de votre prochain roman préféré. Comme de petits portails, chaque livre nous invite dans son propre univers. Que vous ayez quelques livres ou que vous en possédiez des milliers il y a toujours de la place pour un de plus. Et un diorama de coin de lecture ajoute toujours un peu plus de magie et d'histoires à votre collection.

Clásicos en cada rincón

Una buena librería es, en esencia, como una dulcería para los amantes de la lectura. Un torrente de sensaciones te impacta desde que cruzas la puerta y percibes el inconfundible aroma a papel y tinta de los libros recién impresos. El asombro en su estado más puro al encontrar tesoros entre clásicos intemporales y nuevas aventuras. La alegría de hallar un rincón acogedor para acurrucarte en un sillón cómodo acompañado de una bebida caliente. Empezar a pasar las páginas de la que pronto se convertirá en tu novela favorita. Cada libro, como si fuera un pequeño portal, nos invita a adentrarnos en su propio universo. Ya sea que tengas pocos ejemplares o algunos millares en tu biblioteca, siempre habrá espacio para uno más. Y un diorama contenido en un Rincón entre Libros siempre aporta un poco más de magia y narrativa a tu colección.

From the LEGO® Icons Design Team

Our Design Team dedicates this model to all book lovers. The two-story Brickville Books is a snug fit for the third in our series of LEGO® Icons Book Nooks. The owner really fell for the old store – its spiral staircase, intriguing history and hidden surprises that spark her imagination and draw customers in. She loves the ambience created by the clacks and dings of her vintage typewriter and cash register, complemented by the soft hisses and rich aromas of her brand-new coffee machine. When she's not helping customers or restocking the shelves, she loves being surrounded by her favorite authors. Inspired by them, she has even written her own bestseller, now launching at a major event.

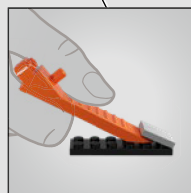

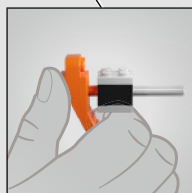

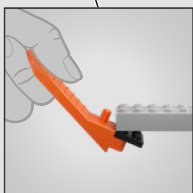

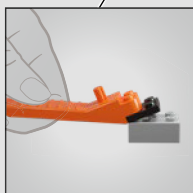

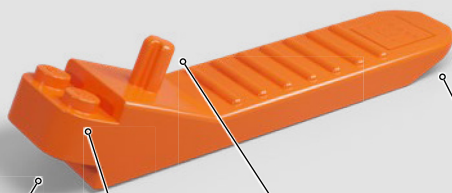

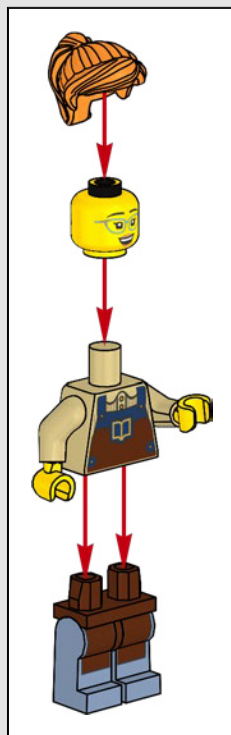

De l'équipe de conception LEGO® Icons

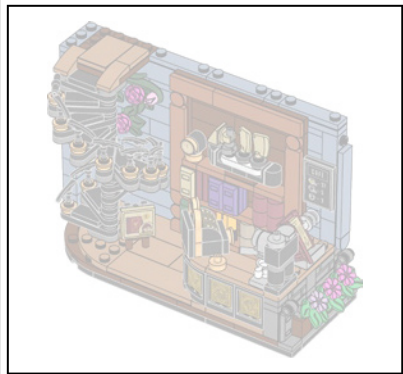

Notre équipe de conception dédie ce modèle à tous les amoureux du livre. Le Livre Brickville de deux étages convient parfaitement au troisième de notre série de livres LEGO® Icons La librairie : le coin lecture. La propriétaire a eu un véritable coup de cœur pour l'ancien magasin – son escalier en colimaçon, son histoire intrigante et ses surprises cachées stimulent son imagination et attirent les clients. Elle aime l'ambiance créée par les bruits de sa machine à écrire et de sa caisse enregistreuse d'époque, complétés par les doux sifflements et les riches arômes de sa toute nouvelle machine à café. Lorsqu'elle n'aide pas les clients ou ne réapprovisionne pas les rayons, elle aime être entourée de ses auteurs préférés. Inspirée par eux, elle a même écrit son propre livre à succès, dont le lancement a lieu aujourd'hui à l'occasion d'un événement majeur.

Impresiones del equipo de diseño de LEGO® Icons

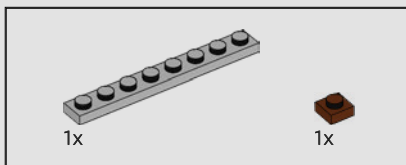

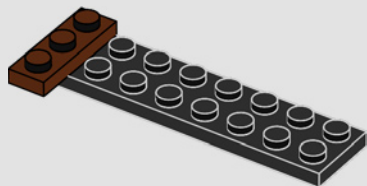

Nuestro equipo de diseño dedica este modelo a todos los amantes de los libros. Dividida en dos niveles, la librería Brickville Books encaja a la perfección en la tercera entrega de nuestra serie LEGO® Icons Rincón entre Libros. El antiguo establecimiento se ganó el corazón de su actual propietaria gracias a su escalera de caracol, su intrigante historia y una serie de sorpresas ocultas que encienden la imaginación y atraen a los clientes. La atmósfera que crean los golpes metálicos de su máquina de escribir y su caja registradora de época, complementada por el suave silbido y el irresistible aroma de su nueva cafetera, es algo que simplemente le fascina. Cuando no está atendiendo a los clientes o reabasteciendo los estantes, le encanta estar rodeada de sus autores favoritos. Inspirada por todos ellos, incluso ha escrito su propia promesa editorial, que próximamente verá la luz en un magnífico evento.

You might say authors paint with words, but these two paintings add fresh life to some great, classic novels.

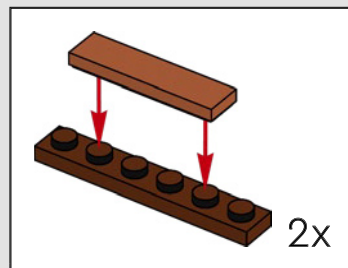

On pourrait dire que les auteurs peignent avec les mots, mais ces deux peintures donnent une nouvelle vie à de grands romans classiques.

Es válido decir que los autores pintan con palabras, pero estas dos pinturas dan nueva vida a algunas grandes novelas clásicas.
