WE'RE MAKING OUR PACKAGING MORE SUSTAINABLE

We're transitioning from single-use plastic to paper-based packaging. As we progress, you may find a mix of paper and plastic in our boxes.

NOUS RENDONS NOS EMBALLAGES PLUS DURABLES

Nous passons des emballages en plastique à usage unique aux emballages à base de papier. Durant la transition, vous pourriez trouver un mélange de papier et de plastique dans nos boîtes.

QUEREMOS HACER MÁS SUSTENTABLES NUESTROS MATERIALES DE EMBALAJE

Estamos cambiando las bolsas de plástico desechables por bolsas con base de papel. Conforme avanzamos en este propósito, puedes encontrar una mezcla de papel y de plástico en nuestras cajas.

Such a neat adventure

High in the remote mountains, the young Son Goku lives a peaceful life, guided by the lessons of his late adoptive grandfather. Among his most treasured belongings is a mysterious orange orb marked with four red stars. When Goku learns that the orb is one of the seven wish-granting Dragon Balls, he sets out on an extraordinary journey, driven by curiosity, friendship, discipline, bottomless appetite and a pure love of challenges.

For more than 40 years, the daring exploits of Goku have shown us that the answers to our greatest wishes are not always found at the end of our journey. Sometimes, they're in the thrill of the adventure itself.

Quelle aventure formidable

Perché dans des montagnes reculées, le jeune Son Goku mène une vie paisible, guidé par les enseignements de son défunt grand-père adoptif. Parmi ses biens les plus précieux se trouve une mystérieuse sphère orange marquée de quatre étoiles rouges. Lorsque Goku apprend que cette sphère est l'une des sept Dragon Balls capables d'exaucer les vœux, il se lance dans un périple extraordinaire, porté par la curiosité, l'amitié, la discipline, un appétit sans fond et un amour sincère des défis.

Depuis plus de 40 ans, les exploits audacieux de Goku nous montrent que les réponses à nos vœux les plus chers ne se trouvent pas toujours au bout de notre parcours. Parfois, elles se trouvent dans le frisson même de l'aventure.

La fantástica aventura va a empezar

En lo alto de unas remotas montañas, el joven Son Goku vive una vida tranquila, guiado por las enseñanzas de su difunto abuelo adoptivo. Entre sus pertenencias más preciadas hay una misteriosa esfera naranja marcada con cuatro estrellas rojas. Cuando Goku descubre que el objeto es una de las siete Esferas del Dragón capaces de conceder deseos, emprende un viaje extraordinario impulsado por la curiosidad, la amistad y la disciplina, así como por un apetito insaciable y un genuino amor por los desafíos.

Durante más de 40 años, las temerarias hazañas de Goku nos han demostrado que las respuestas a nuestros mayores anhelos no siempre están al final del viaje. A veces, estas se encuentran en la emoción de la aventura en sí misma.

The power of the Dragon Balls

These mysterious relics are catalysts for epic adventures! They draw warriors, wanderers and dreamers into a whimsical world full of legend, humor and martial spirit. Spread across the world, the seven Dragon Balls are radiant orange spheres, each embedded with a unique number of crimson stars. Legend says that whoever succeeds in finding them all will be able to summon Shenron, the eternal dragon, who can bestow a single wish. Once that wish is fulfilled, the Dragon Balls turn to stone and scatter once more. Hidden from view, they lie dormant for a full year before their magic returns, and the next brave seeker can embark on a quest to track them down.

Le pouvoir des Dragon Balls

Ces mystérieuses reliques sont à l'origine d'aventures épiques! Elles attirent guerriers, voyageurs et rêveurs dans un univers fantaisiste rempli de légendes, d'humour et d'esprit martial. Dispersées à travers le monde, les sept Dragon Balls sont des sphères orange éclatant, chacune ornée d'un nombre unique d'étoiles rouges. La légende raconte que quiconque parvient à toutes les réunir pourra invoquer Shenron, le dragon éternel, capable d'exaucer un seul vœu. Une fois ce vœu exaucé, les Dragon Balls se changent en pierre et se dispersent de nouveau. Cachées à la vue de tous, elles demeurent inertes pendant une année entière avant que leur magie ne revienne, permettant alors à un nouveau chercheur courageux de partir à leur poursuite.

El poder de las Esferas del Dragón

¡Estas misteriosas reliquias son el punto de partida de épicas aventuras! Atraen a guerreros, viajeros y soñadores a un mundo fantástico lleno de leyendas, humor y espíritu marcial. Repartidas por todo el mundo y de brillante color naranja, cada una de las siete Esferas del Dragón está marcada con un número único de estrellas carmesí. Cuenta la leyenda que quien logre encontrarlas todas podrá invocar a Shenron, el Dragón Eterno, que puede conceder un único deseo. Una vez cumplido ese deseo, las Esferas del Dragón se convierten en piedra y vuelven a dispersarse. Ocultas a la vista, permanecen inactivas durante todo un año antes de que su magia vuelva y el siguiente buscador pueda embarcarse en una temeraria aventura para encontrarlas.

“My name is Goku. Son Goku!”

As a young child, Goku is found by martial artist Son Gohan, who raises him as his own in the mountains. With boundless energy, optimism and curiosity, Goku sets out to learn everything about life, the wilderness and martial arts. When he discovers the significance of his Four-Star Ball, he's propelled into the adventure of a lifetime, with new friends, powerful foes and great mysteries.

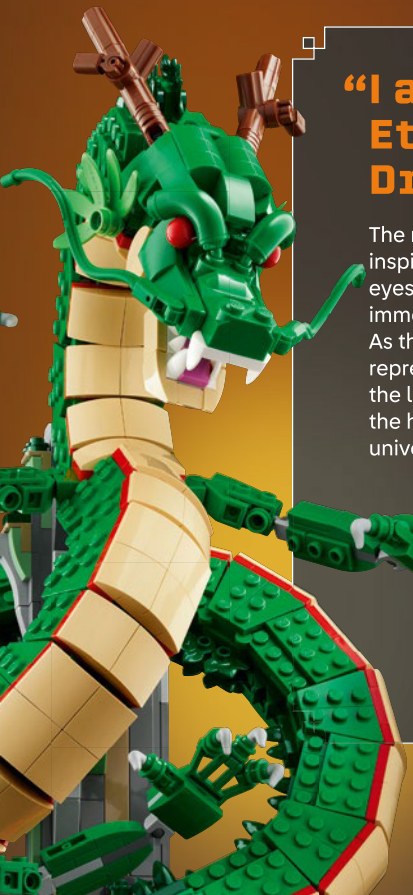

«Je m’appelle Goku. Son Goku! »

Alors qu'il n'est encore qu'un jeune enfant, Goku est trouvé par l'artiste martial Son Gohan, qui l'élève comme son propre fils dans les montagnes. Débordant d'énergie, d'optimisme et de curiosité, Goku entreprend d'apprendre tout ce qu'il peut sur la vie, la nature sauvage et les arts martiaux. Lorsqu'il découvre l'importance de sa Four-Star Ball, il est propulsé dans l'aventure d'une vie, entouré de nouveaux amis, de puissants ennemis et de grands mystères.

“Me llamo Son Goku, ¡pero me gusta que me digan Goku!”.

Cuando era un niño, Goku fue encontrado por el maestro de artes marciales Son Gohan, quien lo crio como si fuera su propio hijo en las montañas. Con una energía, un optimismo y una curiosidad sin límites, Goku se propone aprender todo sobre la vida, la naturaleza y las artes marciales. From the LEGO® Icons Design Team

Goku and Shenron are synonymous with the 1980s *Dragon Ball* anime series, and we're so excited to see them debut in LEGO® Icons form. We wanted to create a unique display model that lets you tell different stories, depending on how you position Goku. Capturing Shenron's morphological characteristics as this gigantic dragon floating in the sky was such a fun challenge. We studied animation frames, key art and classic poses from the show to make sure the model represents Shenron's distinctive looping form and commanding presence in a stable structure. We experimented with lots of different designs and structural solutions for the Eternal Dragon and, of course, the characters' fun personalities and signature expressions. We hope all your wishes for this model come true!

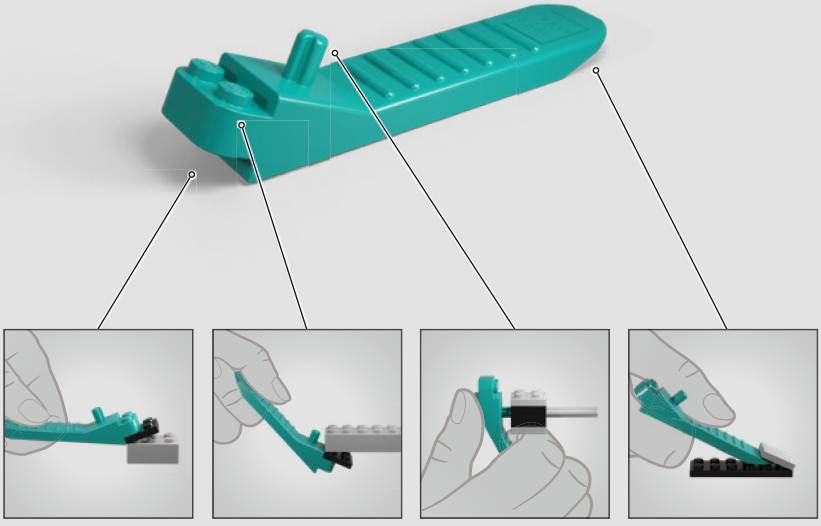

L'équipe de conception LEGO® Icons

Goku et Shenron sont indissociables de la série animée *Dragon Ball* des années 1980, et nous sommes ravis de les voir faire leurs débuts dans l'univers LEGO® Icons. Nous voulions créer un modèle d'exposition unique qui vous permette de raconter différentes histoires selon la façon dont vous positionnez Goku. Reproduire les caractéristiques morphologiques de Shenron, ce dragon gigantesque flottant dans le ciel, a représenté un défi des plus amusants. Nous avons étudié des images d'animation, des illustrations clés et des poses classiques de la série pour nous assurer que le modèle restitue bien la forme sinueuse caractéristique de Shenron et sa présence imposante, tout en conservant une structure stable. Nous avons expérimenté de nombreux concepts et solutions structurelles pour le Dragon éternel et, bien sûr, pour la personnalité amusante des personnages ainsi que leurs expressions emblématiques. Nous espérons que tous vos souhaits pour ce modèle se réaliseront!

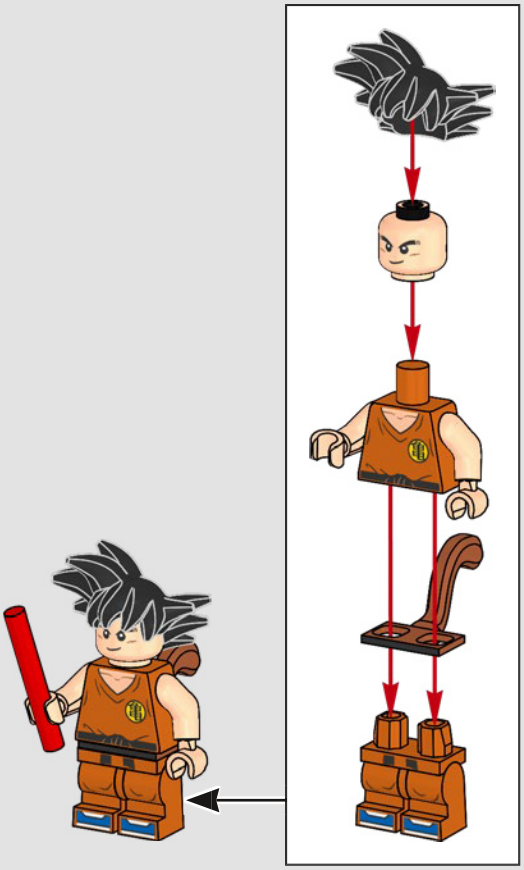

Impresiones del equipo de diseño de LEGO® Icons

Goku y Shenron son sinónimos de la serie de anime de los años 80 *Dragon Ball*, y nos llena de emoción verlos debutar en formato LEGO® Icons. Queríamos crear un singular modelo de exhibición que permitiera contar distintas historias en función del lugar en donde decidas poner a Goku. Capturar las características morfológicas de Shenron, el gigantesco dragón que flota en el cielo, fue un desafío muy divertido. Estudiamos cuadros de la animación, imágenes icónicas y poses clásicas de la serie para asegurarnos de que el modelo retratara la forma ondulante de Shenron y su imponente presencia sin comprometer su estabilidad. Probamos muchos diseños y soluciones estructurales para el Dragón Eterno y, por supuesto, las divertidas personalidades y los rasgos expresivos de los personajes. ¡Esperamos que todos tus deseos para este modelo se hagan realidad!

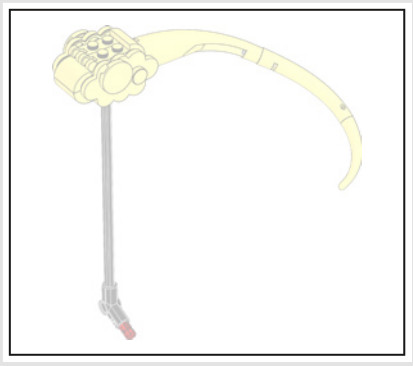

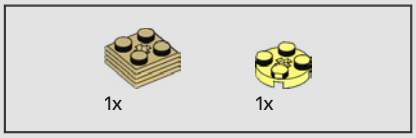

A brand-new LEGO® hair element captures Goku's iconic appearance – and probably one of the most recognizable anime hairstyles.

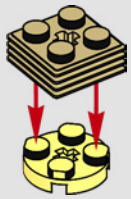

Un tout nouvel élément de cheveux LEGO® reproduit l'apparence emblématique de Goku, – et sans doute l'une des coiffures d'anime les plus reconnaissables.

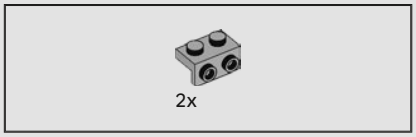

Una nueva peluca LEGO® captura el icónico aspecto de Goku, ¡quien tiene quizá uno de los peinados más singulares del mundo del anime!

One must be pure at heart to ride the Kintoun (Flying Nimbus), of course. The parts used to create the dynamic flying trail were originally designed as LEGO® animal tail elements.

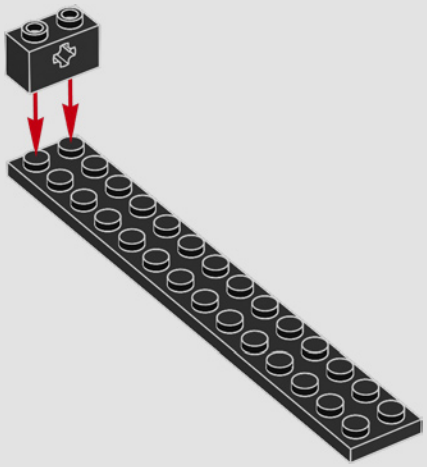

Il faut bien sûr avoir le cœur pur pour chevaucher le Kintoun (nuage magique). Les pièces utilisées pour créer la traînée de vol dynamique ont d'abord été conçues comme des éléments de queue d'animal LEGO®.

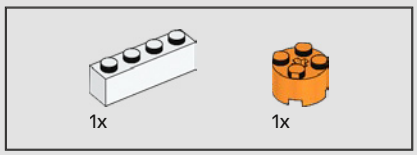

Por supuesto, solo puedes viajar en la Nube Voladora si tienes un corazón limpio. Las piezas con las que se recrea la dinámica estela de vuelo se diseñaron originalmente como colas de animales LEGO®.
